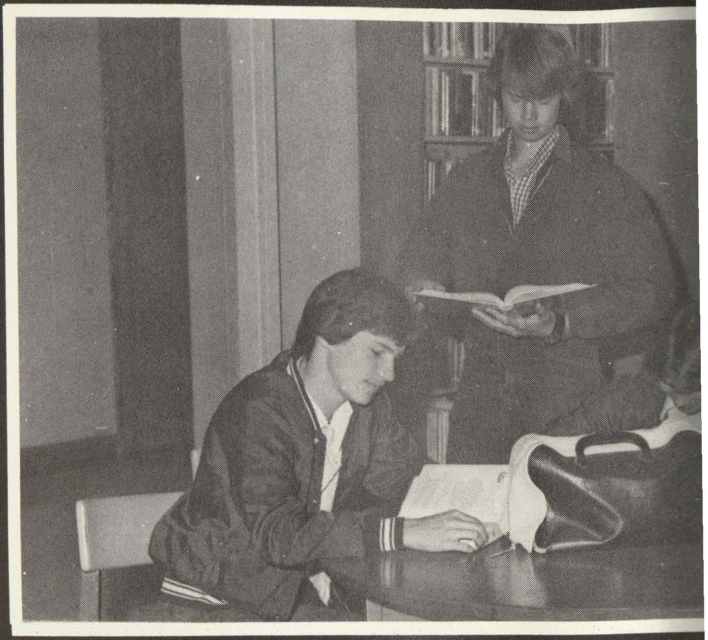
WHAT DOES IT TAKE?

VARIATIONS



A variety of things take place throughout our years here at DM. These things consist of not only having fun, but working and learning experiences. A good deal of our time is spent in various places on campus such as the library, the kiva, the gym, and the pond. Meeting new people and working with them are a part of our high school years. The combination of having fun, learning, studying, relaxing, and being involved in the many activities that DM offers are what it takes to make our high school years the best.

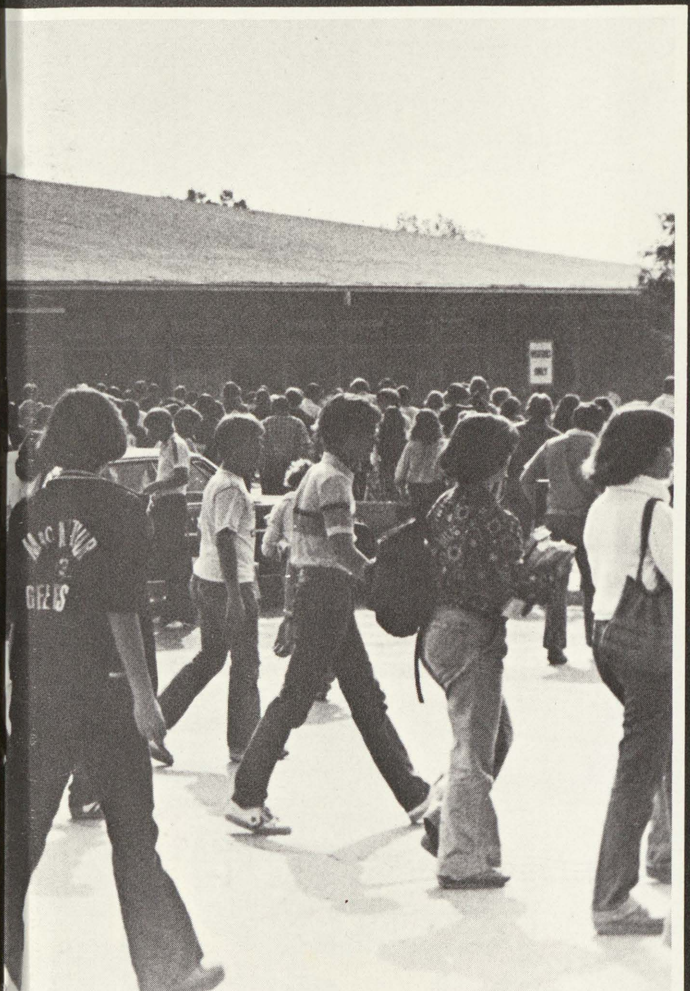
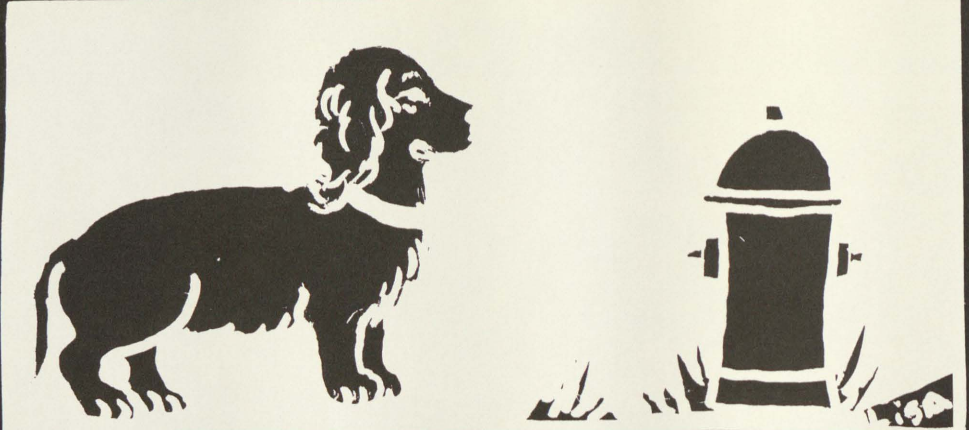
DOUGLAS
MACARTHUR





Student Life is a new addition to the ITELLA. It portrays the different activities in a student's every day life. Included are talents, day activities, night life, school and styles.

Many students at DM have talents that are unknown to others. Earnie Klajo is one example. He designs and draws the schools holiday greeting cards. (left) Lisa Obendorfer shows her talent in sketching. (below) Lisa Dean drew a panda bear which she named "Julie."

When nighttime appears
And day light fades away
I fall asleep and
Await a new day.

Sue Schmidt

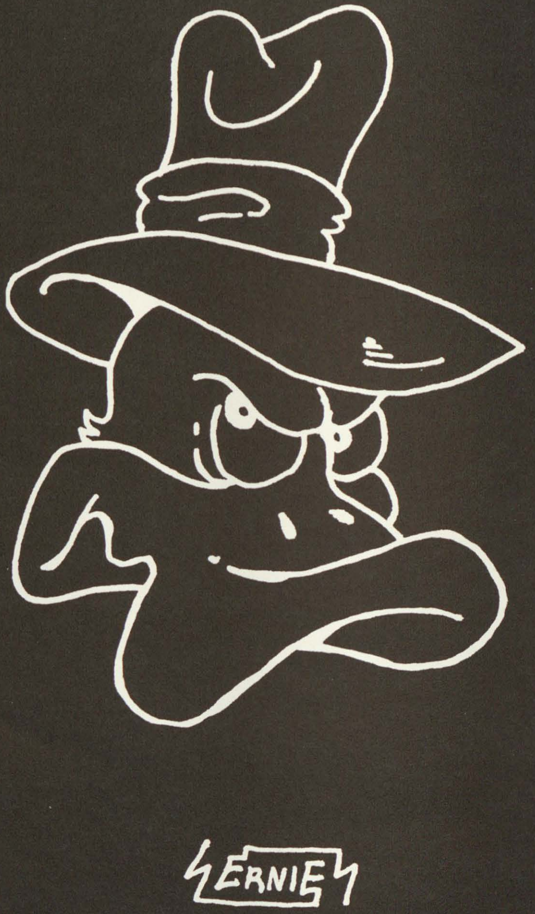
Inland Lighthouse

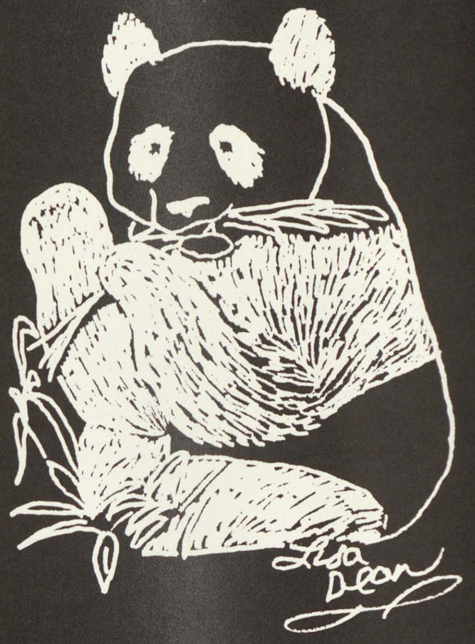
Into the night,
out from him,
out into the air
she throws her frames
and fixes them,
holds them out there.

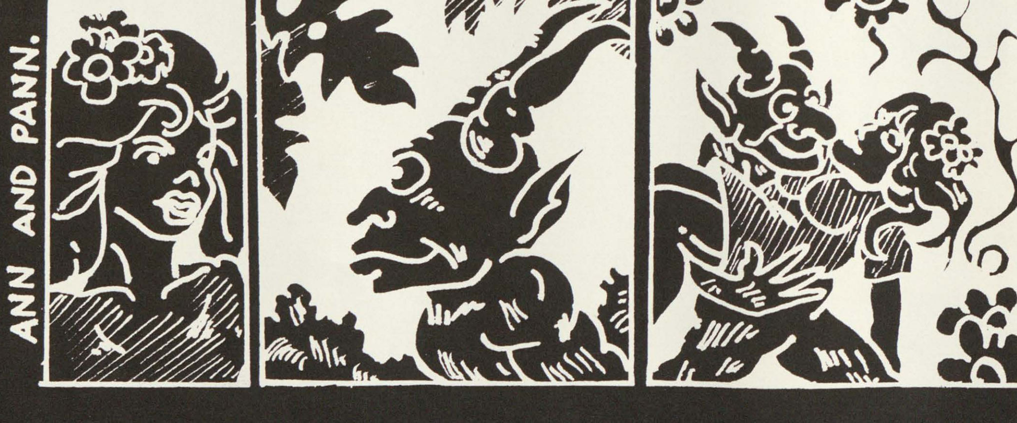
These are her shores.
The water never
rush at her, never
follow the beams
back along the watch
to her lean shiver.

And she turn and turns.
"Nowhere. Nowhere."
It is her oath.
She is the light,
the keeper.
She is not to leave.

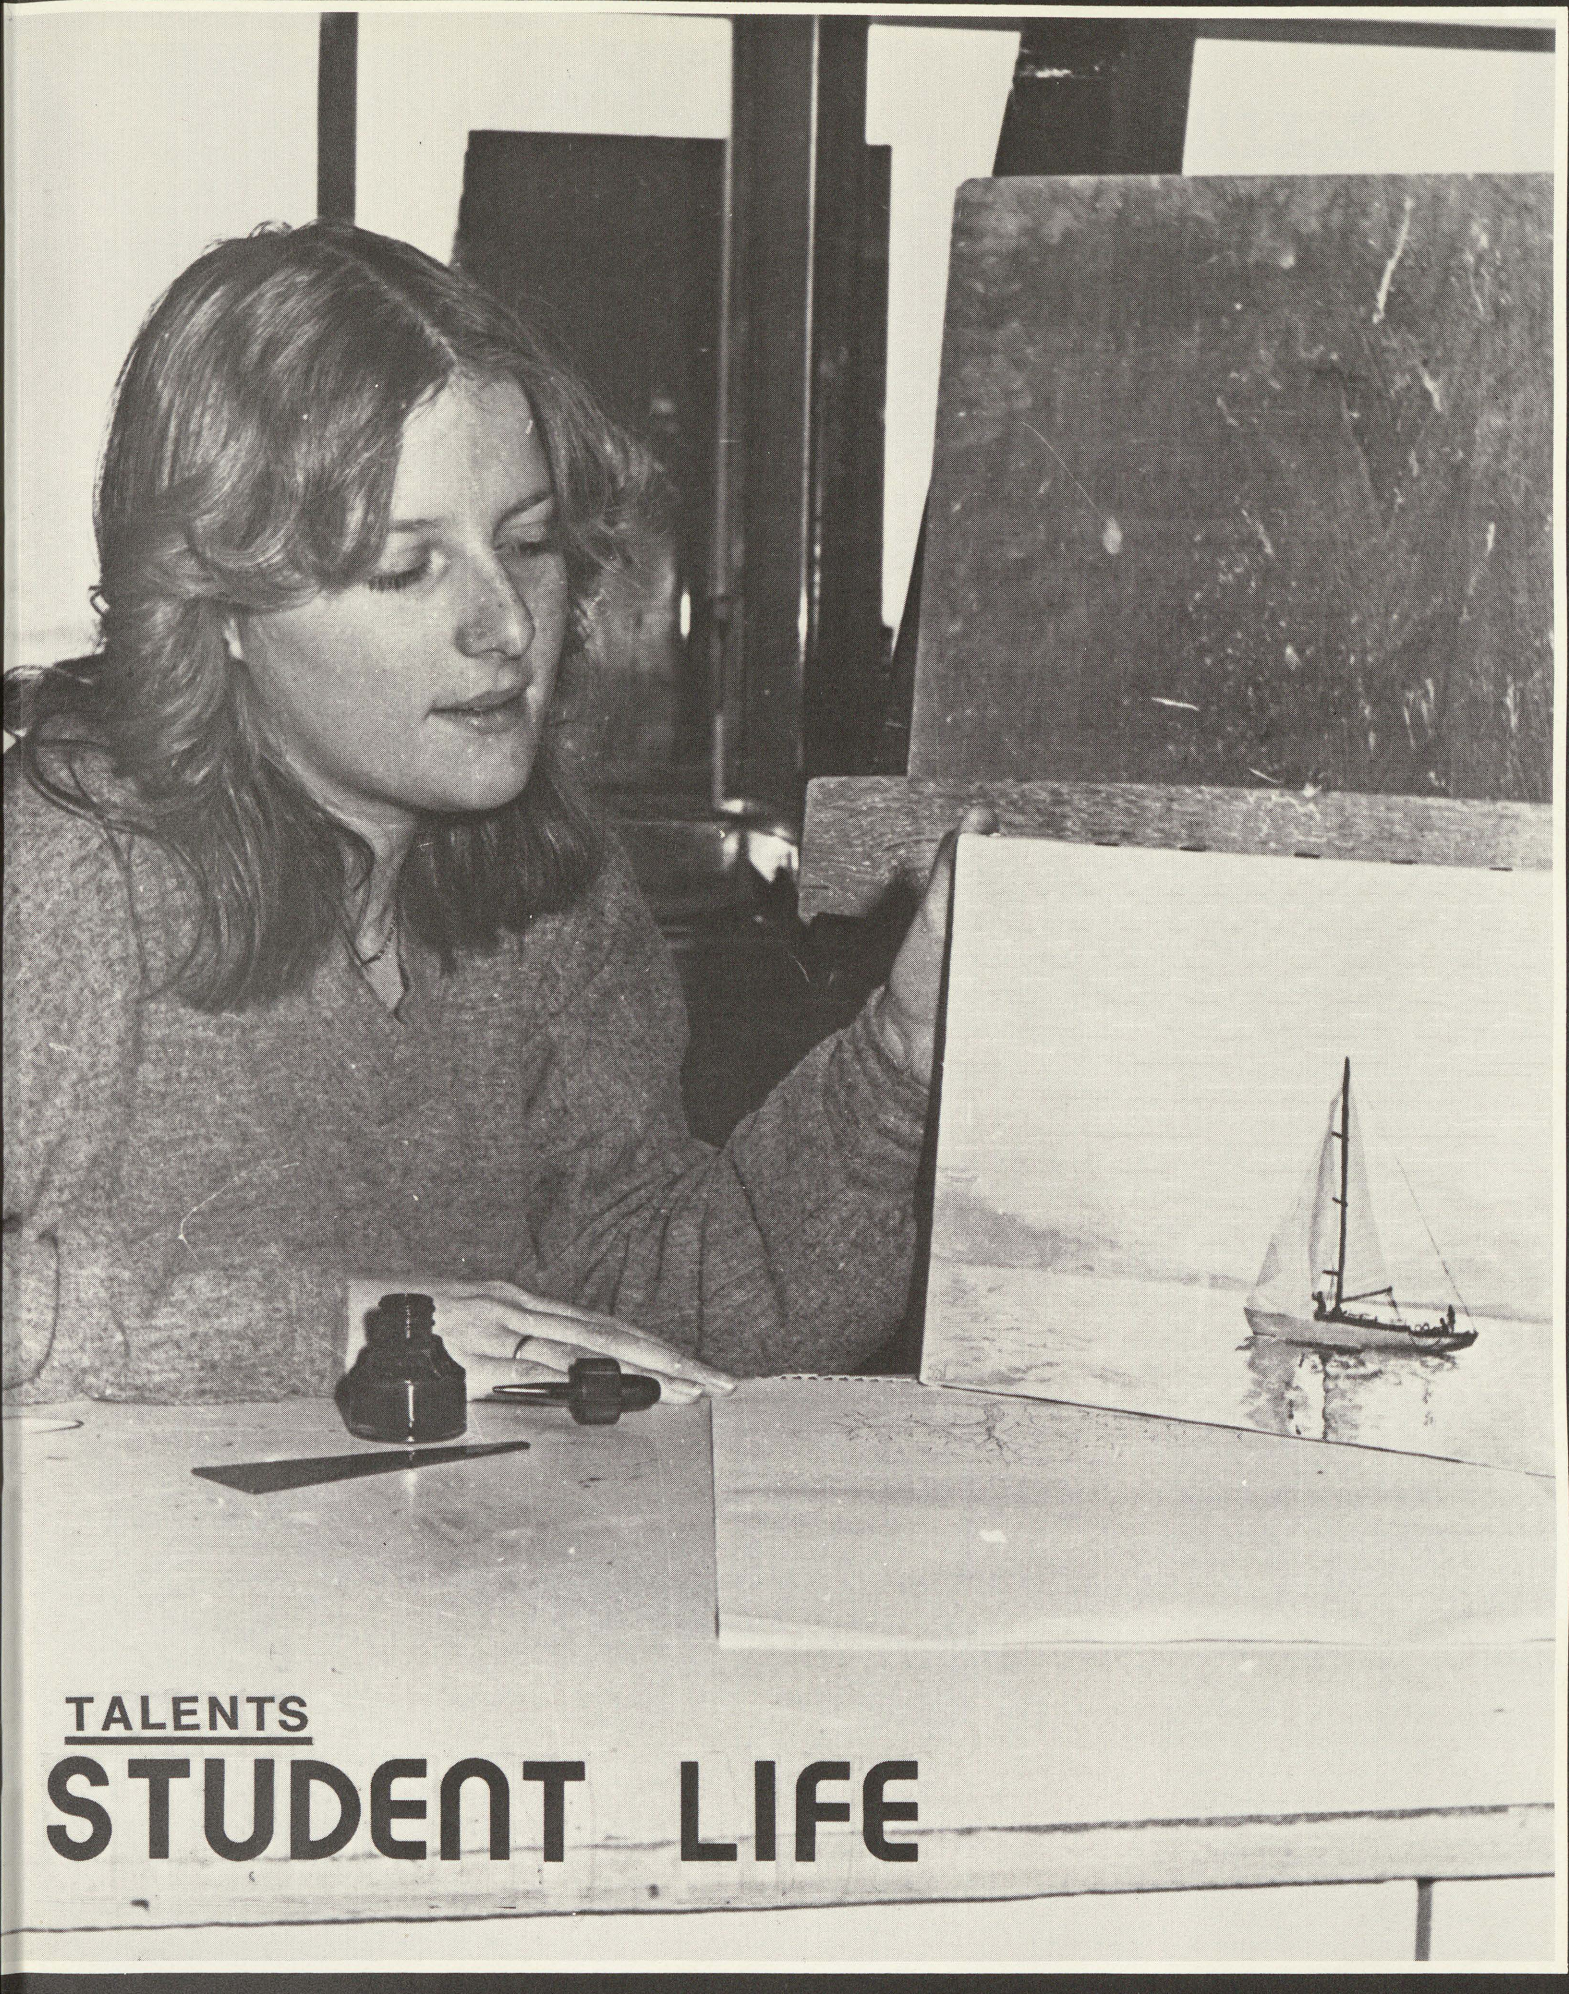
Barbara Priest







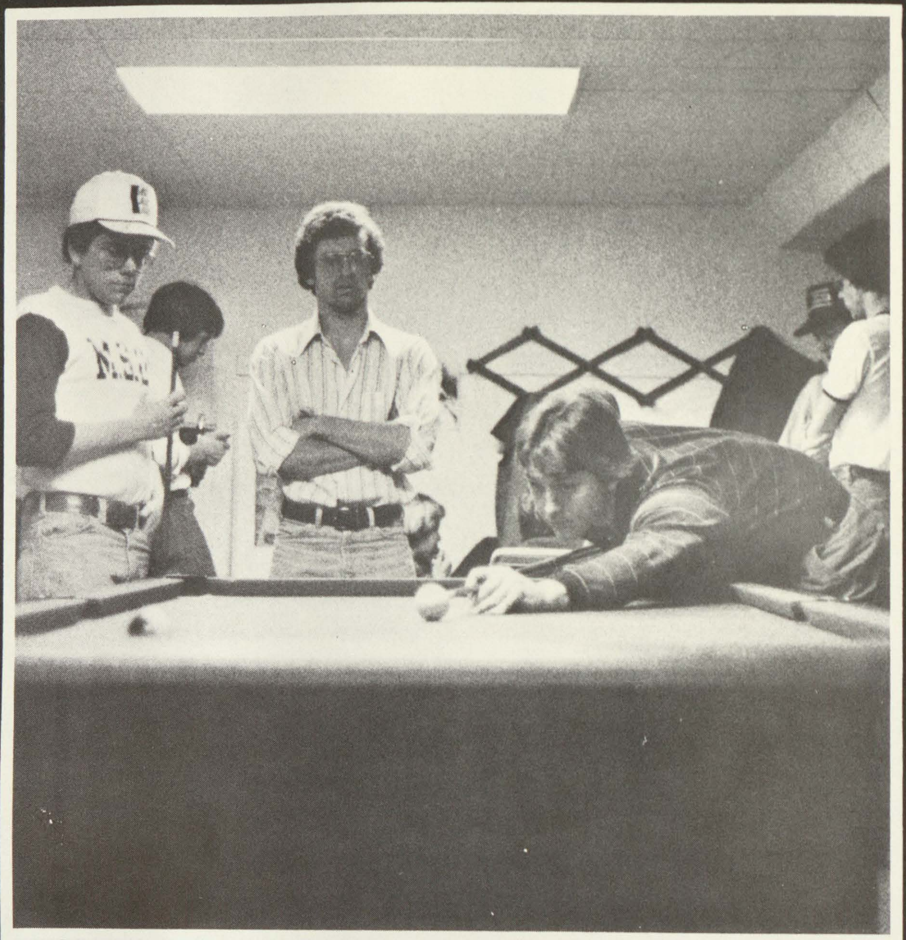
ANN AND PANN.
YOU KNOW I STILL HAVE TO LEARN HOW TO SAY NO TO MEN.
ERNIE

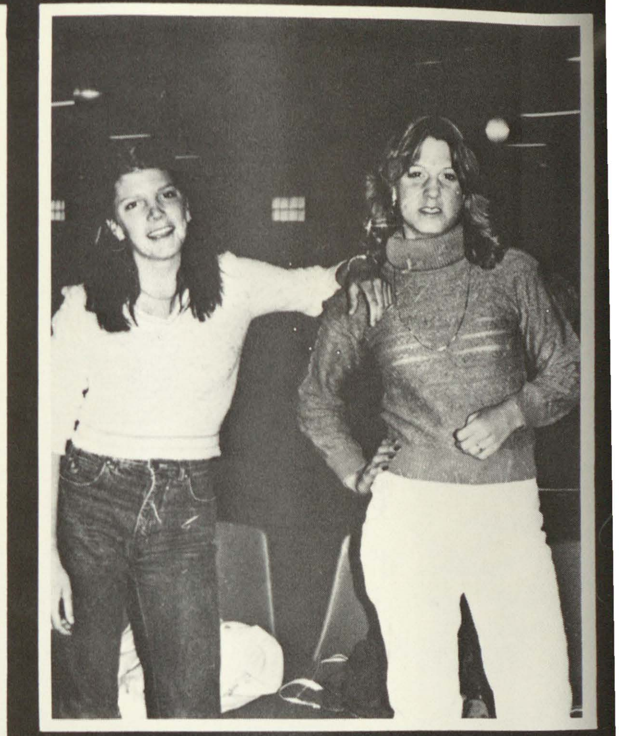


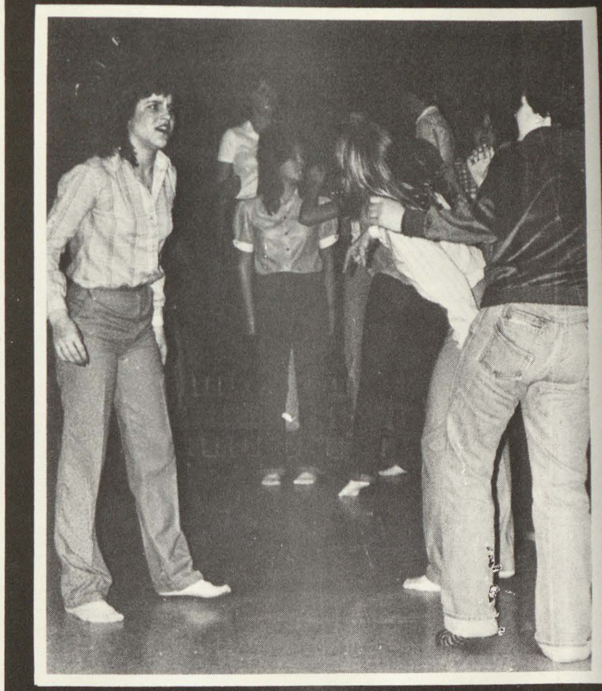
TALENTS

STUDENT LIFE

180 days are spent in school. Who would think there would be time for other daytime activities? But there is. Playing frisbee, riding skateboards, chowing at Mc Donalds, or spending time at Immerman — these are day time activities — part of what it takes. (left to right) Glenn Primack, John Newcomb and Jim Mussen enjoy going to McDonald's after school. Dave Erwin demonstrates his outstanding skateboard abilities. Kim Whelton enjoys her free time playing frisbee. Front row: Cathy Gay, Patty Lee, Julie Sgrazzutti Second row: Janet Meisel, Lisa Pesta and Lori Kincade spend most of their free time at Immerman, just like many other students.







Night life is a big part of students' lives. Recreation and entertainment take many forms: shopping at the mall, parties, bowling, skating . . .
(clockwise center) Cinthy Clark and Sue Calkins enjoy roller skating at night. Concerts at the Civic Center attract students to hear performers such as Hall and Oates. Dances at DM are one activity that students enjoy. Kim Brown and Julie Klepsch stop at the snack bar at the Mall to get something to eat. Parties and playing pool are always exciting as the swim team members demonstrate. (Hall and Oates photo by Pat Meyette.)

NIGHT LIFE

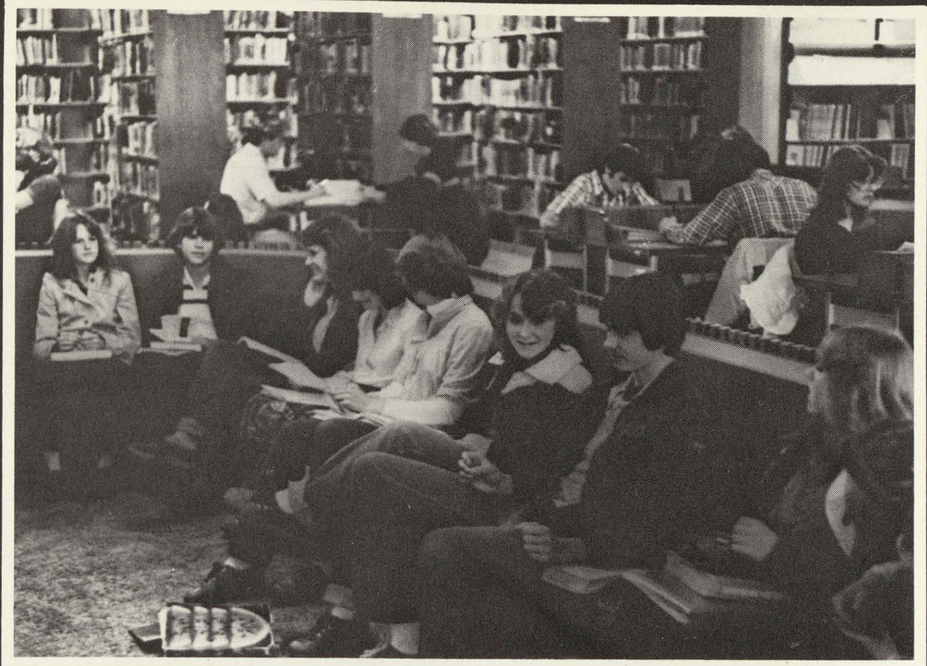
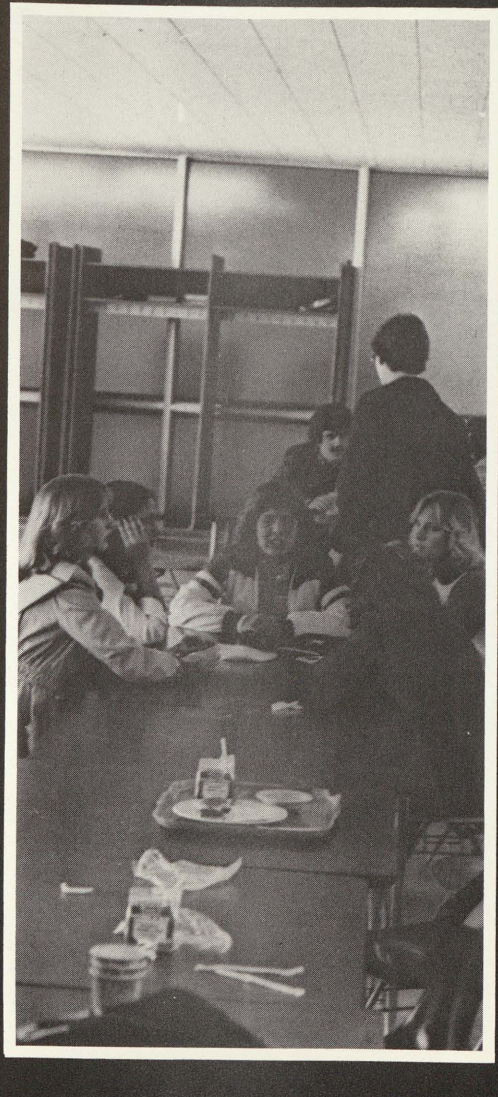
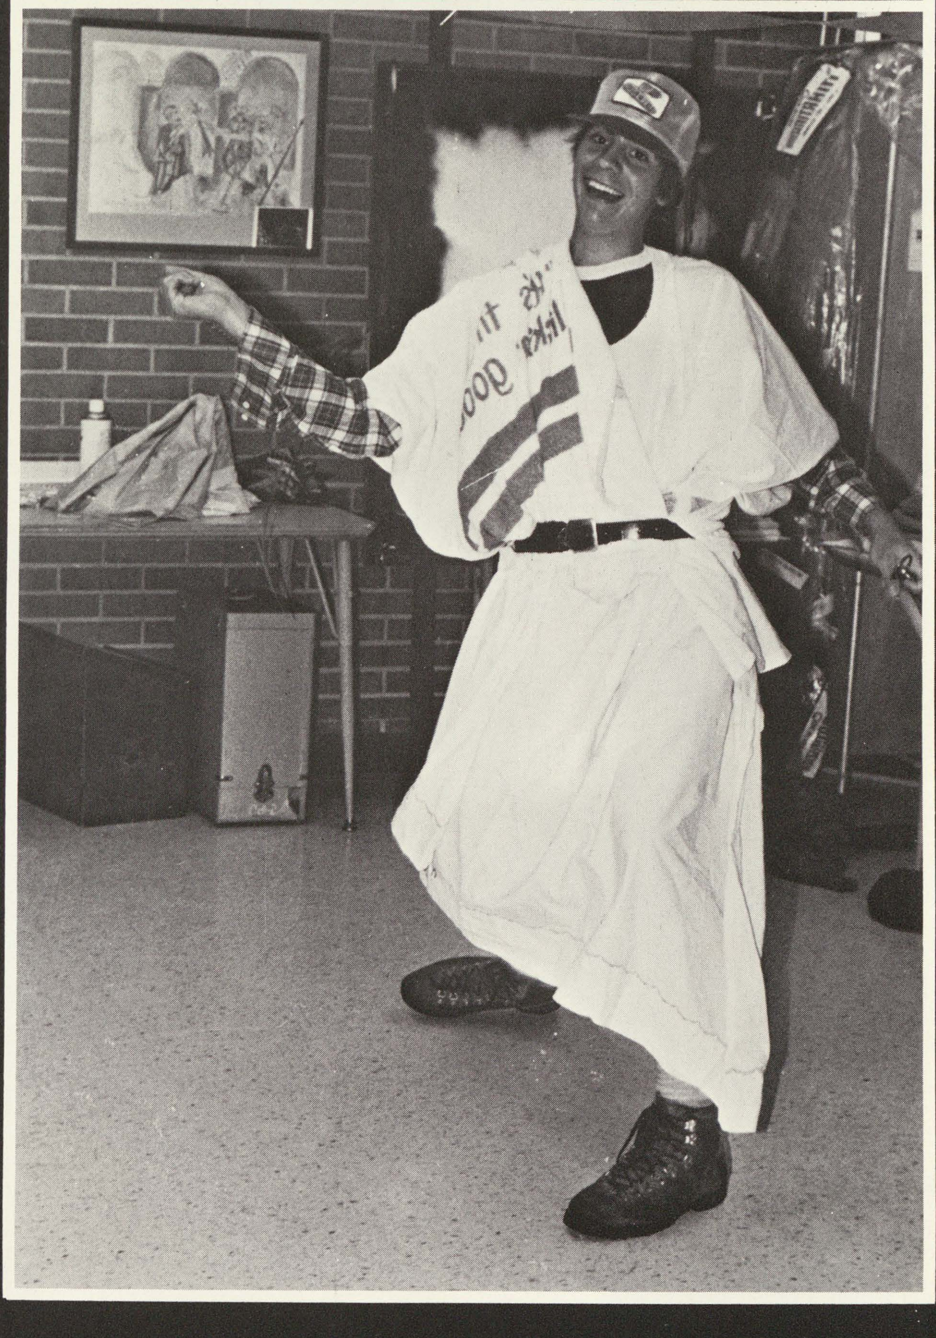
SCHOOL DAYS

The time spent in school is filled with hard work, friends, and good times. Together we are able to take advantage of all the school has to offer. (left to right) Some students get off the bus to start a new day. Driving to school is an option for Juniors and Seniors. Students enjoy eating lunch and catching up on the gossip in the kiva. Andy Leak has a great time at the Latin banquet. The library is one place where students go to study and to have some peace.







Styles come and go year after year, but there are styles that have been around for a long time; levi jeans, corduroys, t-shirts . . . Some styles do change every year. Currently, styles include candies, velour shirts, slit skirts, cowboy boots, baggy pants, designer jeans, vests, blazers, terry cloth shirts, and mixing colors such as pinks, bright greens, bright blues . . .

(left) Denise Lamore and Cindy Rooker discuss the advantages of blue jeans. (below) Tracy Hilbrandt keeps cool by wearing a T-shirt on a hot spring day. (right) Linda Taravella models her velour top, skirt, and cowboy boots. (below right) Candies, Topsiders, and Cowboy boots are the latest in shoe fashion.

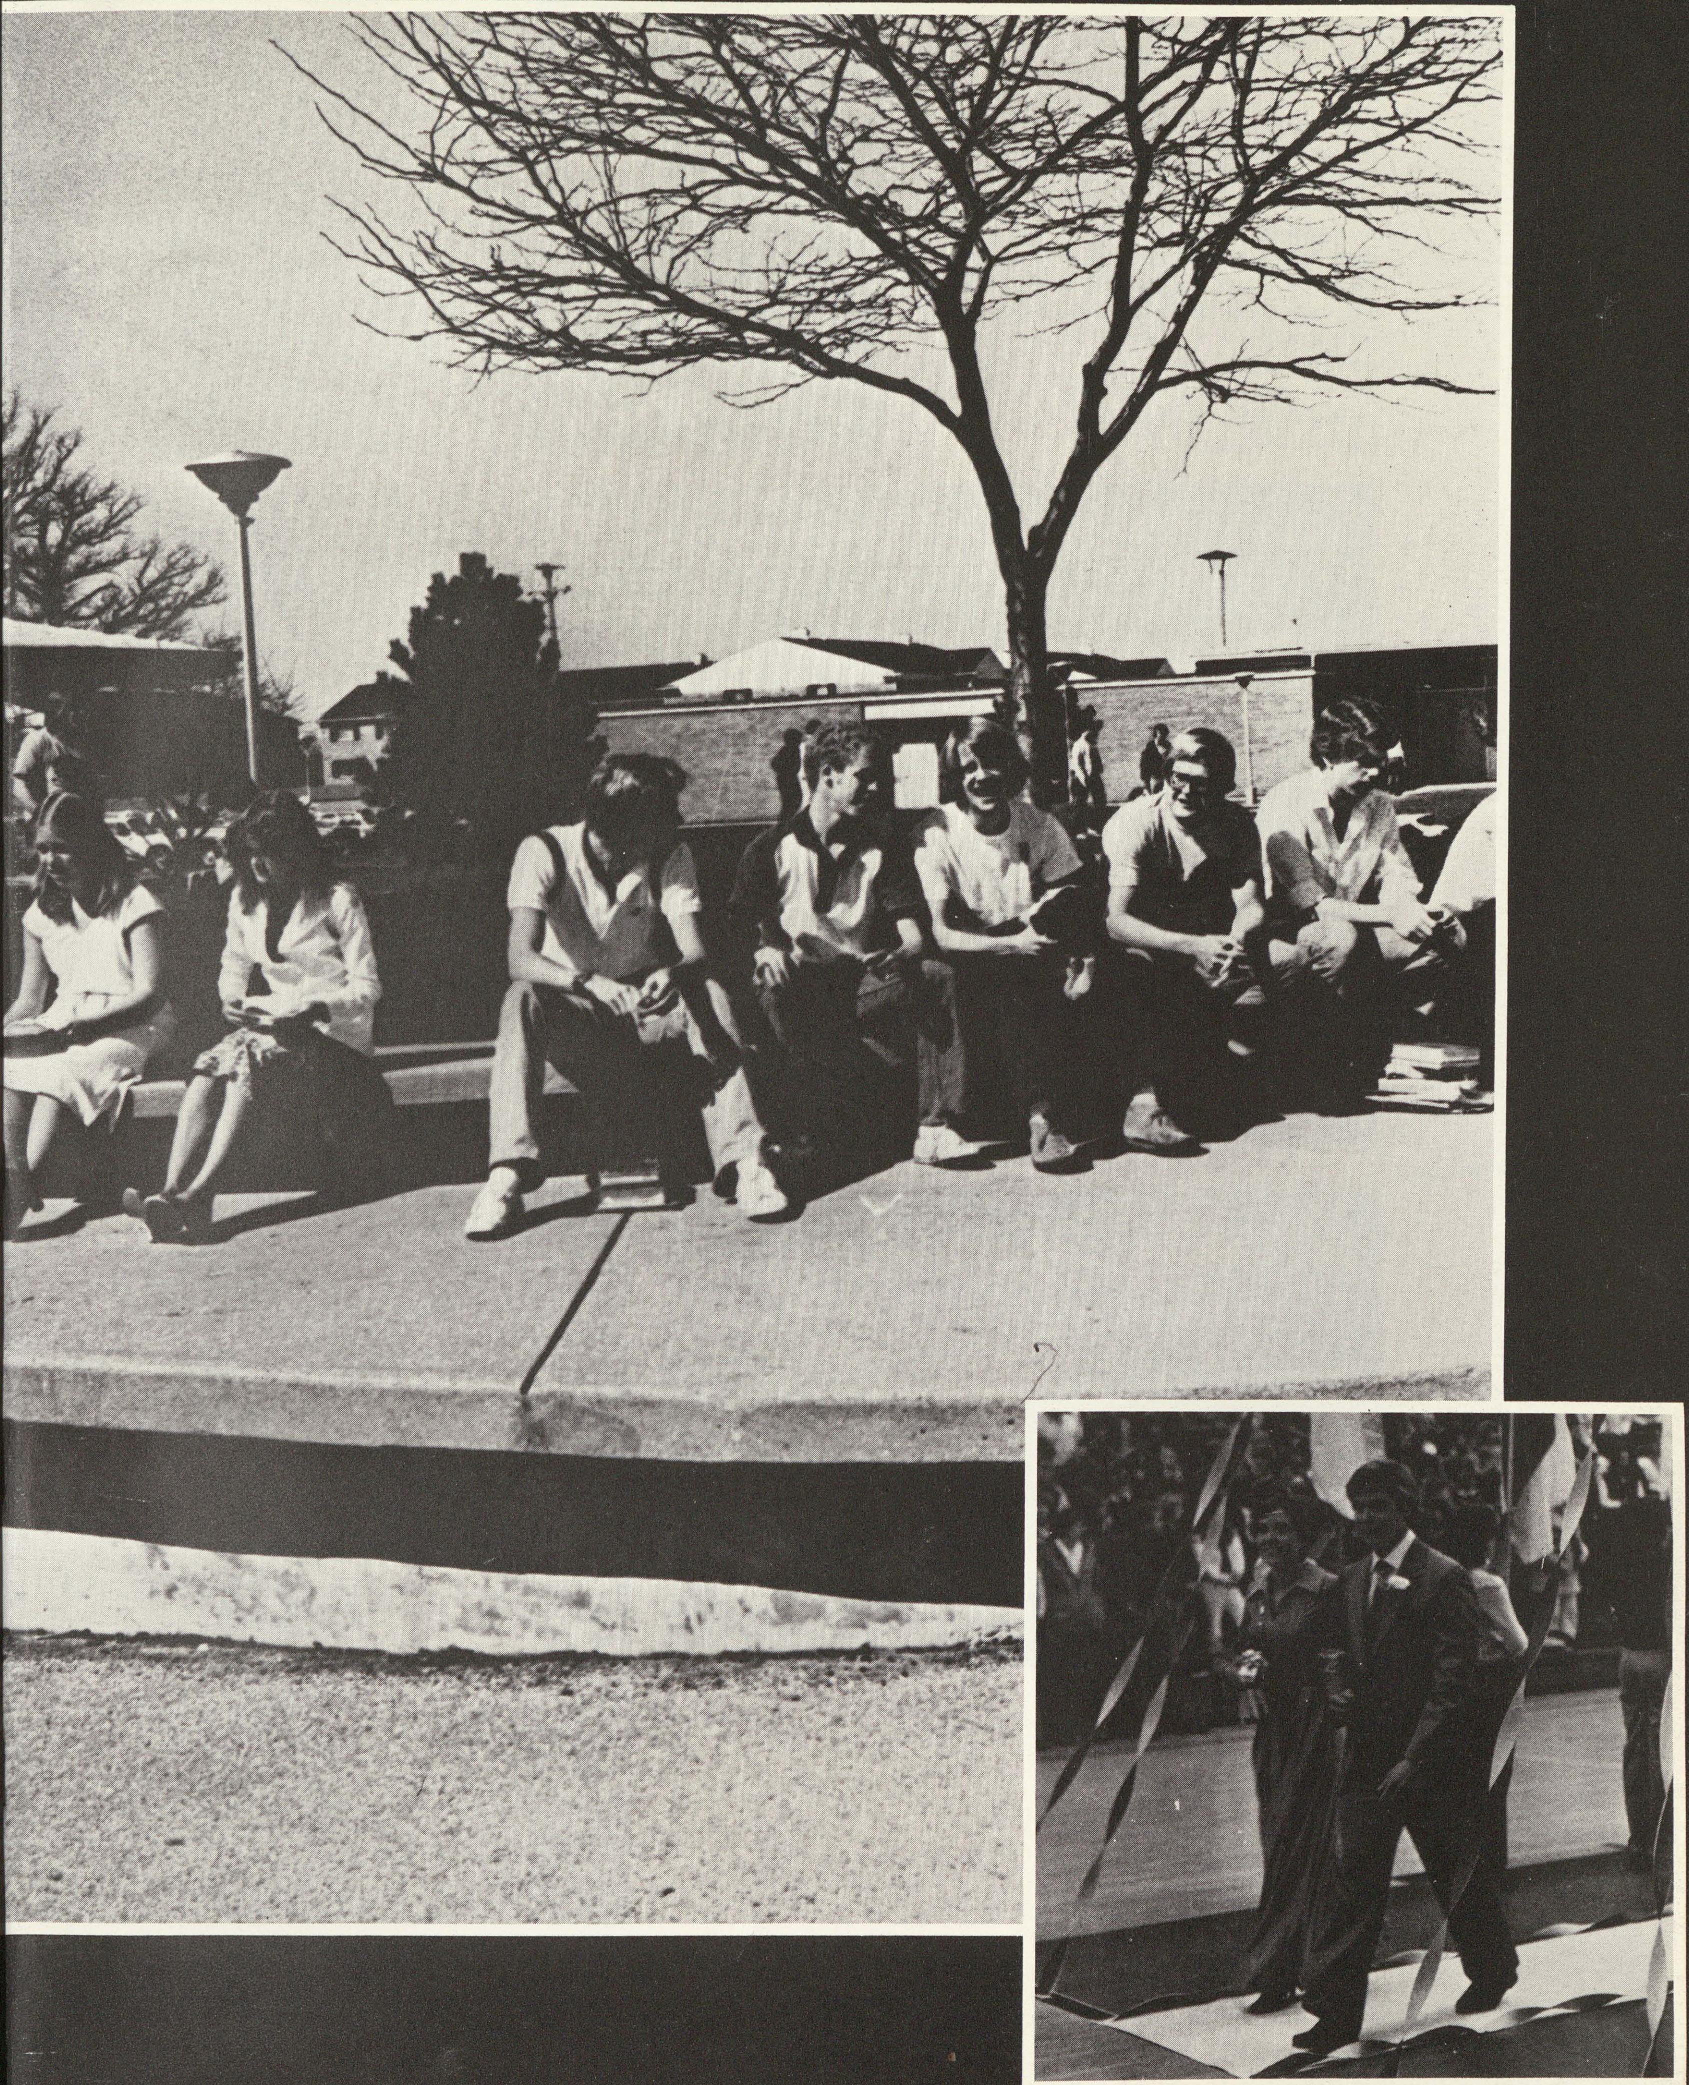
T-shirts, for college day, Latin club canoe trips, Modern Music Masters' plays, and Homecoming . . . What does it take? It takes co-operation, organization, participation, interest, and caring to make these and more activities successful.



(above) Captain of the football team, Carl Englund, presents Sheri Pastirzyk with the Homecoming Cape. (center) Dan Neering, Susan Adsit, Dave Mayer, Coleen Kreher, Ron Gonzales, Laura Anderson, Sheri Pastirzyk, Steve Sgrazzutti, Terri Holloway, Curt Crimmins, Laura Becker, Steve Fox, Natalie Hooper, Scott Harding. (below left) Laura Anderson congratulates Sheri Pastirzyk with a hug at the assembly, as Sheri was announced queen. (below right) Mr. Strautnieks and Mr. Huyghe assist Sandy Egloff, 1978 Homecoming Queen, in her last official duty of crowning the 1979 Queen.

HOMECOMING 1979

COME TOGETHER

The entire student body helped select the 1979 Homecoming Queen by voting after speeches were given on this year's theme, "Come Together." At the assembly Sheri Pastirzyk was named Homecoming Queen for 1979. First attendants were Terry Holloway and Laura Anderson.

At the Homecoming game against Bridgeport, Sheri received the traditional flowers and football from Mr. Huyghe and Mr. Strautnieks. After Sheri was crowned by Sandy Egloff, last year's queen, the court paraded around the football field, in Mercedes Benz convertables, followed by the floats that were made by each class.

The next night, about 140 couples attended the Homecoming Dance, which featured Ceyx.

(above) A cold, windy half-time did not mar the presentation of the coronation roses by Mr. Huyghe to Sheri as Mr. and Mrs. Pastirzyk look on. (below) Jeannie Spence and Ray Guy dance to the band, Ceyx, at the October 13th Homecoming Dance.

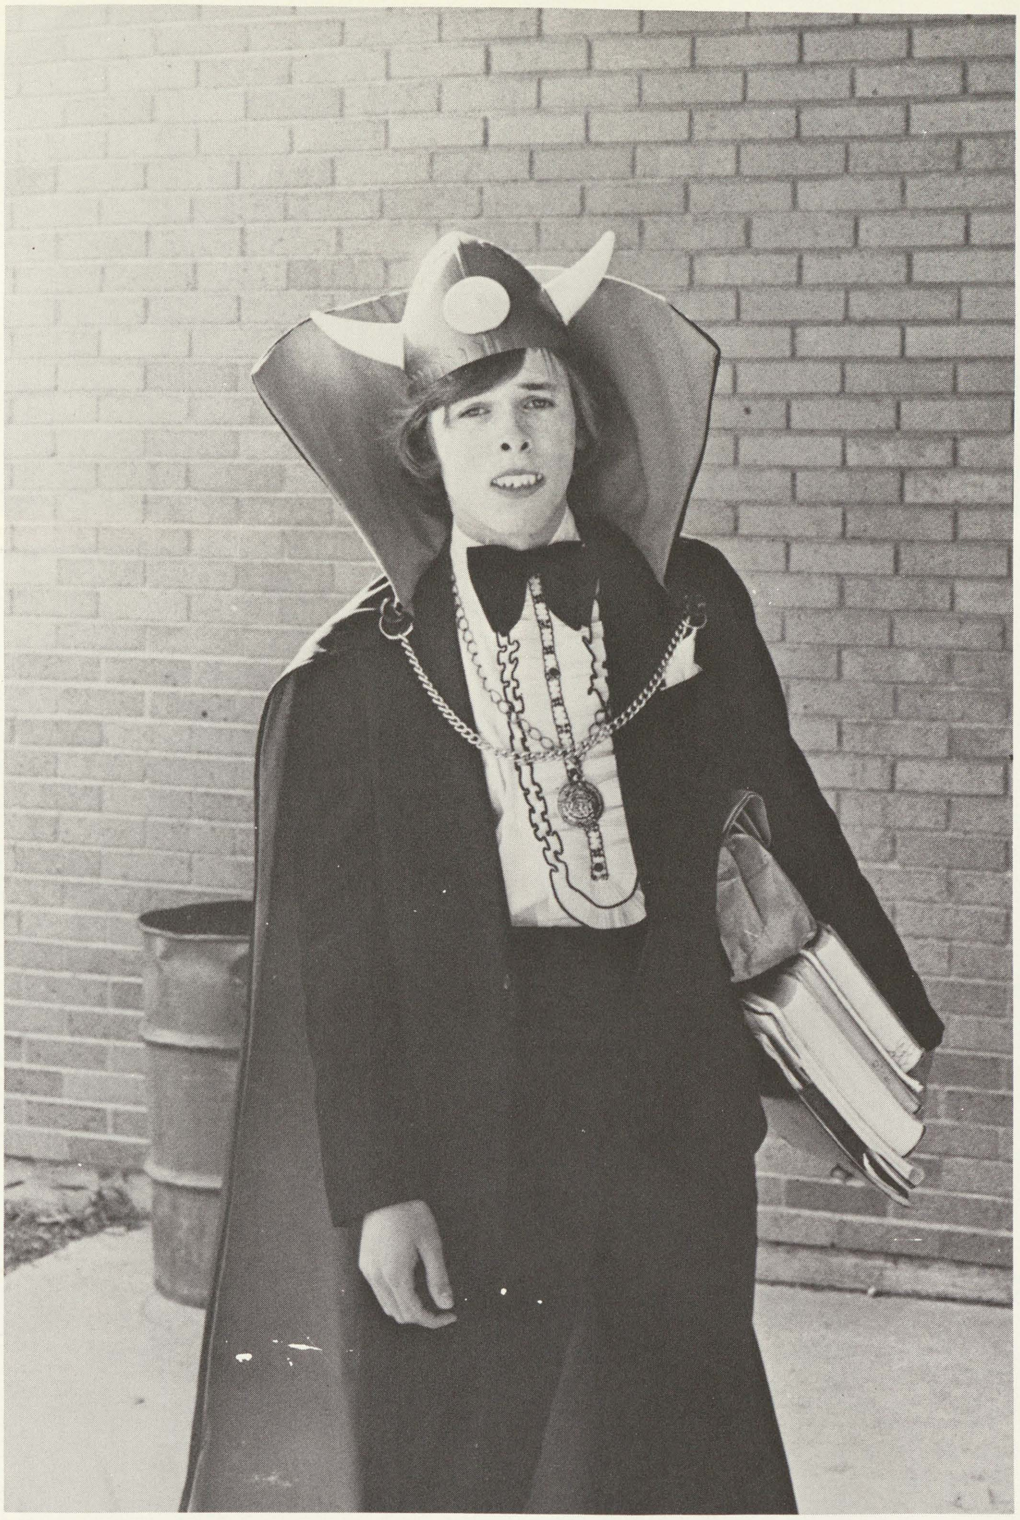
(clockwise) Senior Sally Dwyer turns green while waiting for the "Incredible Hulk". For the freshmen attending assemblies was a new and exciting experience. Terri Hollaway melts at the thought of plastic surgery. Blue and white carnations were sold for 75 cents and were sent to students and teachers, mainly from secret admirers.

GETTING INVOLVED

ENTHUSIASM!

Student Congress sponsored a successful Spirit Week, designed to prepare for Homecoming. Many students participated in the events. Although powder puff was cut from the schedule, all the other activities had a great turnout.

Hat day, crazy dress-up day and the selling of carnations were all a part of the week. On Friday, Sheri Pastirzyk was announced as queen with Laura Anderson and Terri Hollaway serving as attendants. Spirit Week enables each and every student to become involved in some way, and getting involved is what it takes.



(clockwise) Clifford Todd believes in getting in the spirit by dressing up as a vampire on crazy day. Carl Englund places the homecoming cape on the new queen, Sheri Pastirzyk, at the crowning assembly. Second attendant Laura Anderson congratulates Sheri at the moment of announcement, a time of excitement.

Second row: Janet Simpkins, Jackie LaBreche, Tracey Milionis, Nancy Kunnen, Lisa Kennelly, Mary Kennelly, Patty Webb. (Right) Mary Kennelly and Sara Fisk really show school spirit at the basketball pep assembly against Eisenhower.

GETTING THE SPIRIT

INSPIRATION

Cheerleading has undergone many changes: the practices, the coaching staff, and the team members.

One major change was moving practice to seventh hour every day. Although class credit is not given, a system of demerits was set up to organize practices. After 20 demerits the cheerleader is benched.

The first coach was Miss Romero, a student teacher. Since she left after the first semester a replacement was needed. Mrs. Russell a DM graduate and cheerleader for four years assumed the coaching position. She commented: "The squad is a group of spirited and hardworking girls."

Senior members graduating this year are captain Sandy Harden, Pam Deal, and Ann Schwartz, Senior Natalie Hooper left the squad at the end of football; replacing her was senior Cheryl Carey.

RHYTHM

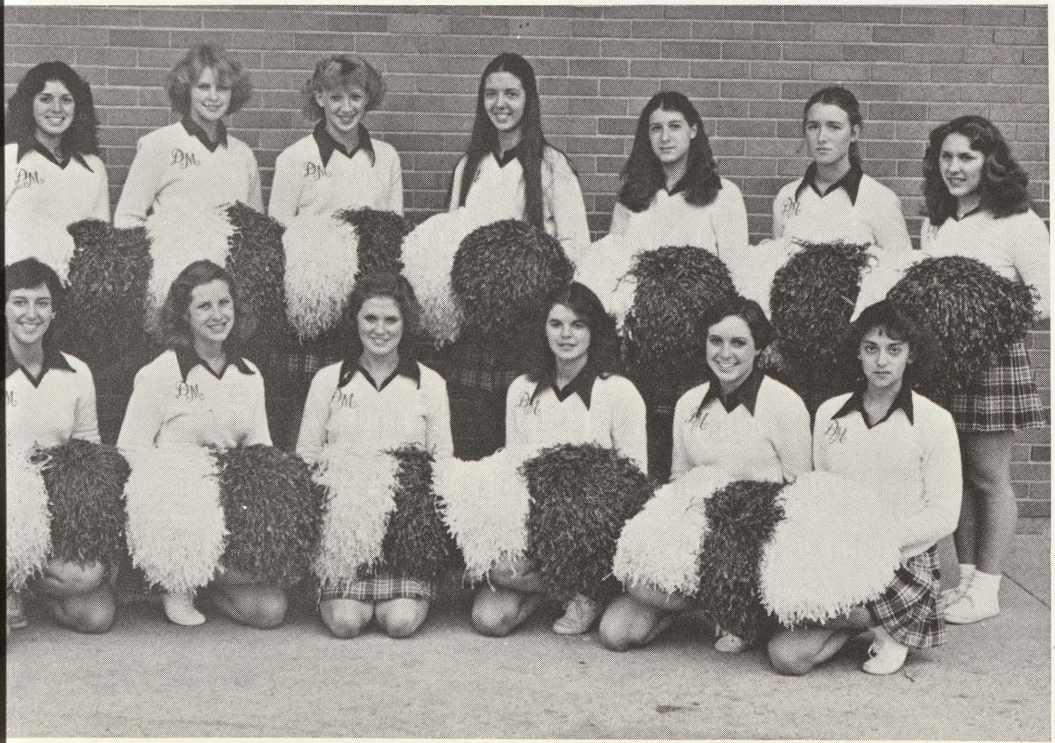
TO THE "BEAT"

Spectators at our Football and Basketball games were entertained at halftime by Douglas MacArthur's Varsity and JV Pom Pon squads. The Varsity began their practice late in the summer so they could be ready for the first home game. The Varsity practices every seventh hour and the JV practices after school. For the first time the JV was separated into two groups totaling 27 girls. This enables more girls to get the experience of Pom Pon.

Christmas was a special time for the girls. Dressed as elves the Varsity performed to the song of "Jingle Bell Rock." An exchange of gifts among the girls was successful with each one being a secret Santa to another.

Senior members were Karen Walle and Mary Lee, captain. Two members leaving the squad upon graduation after four years of participation are Missy Plambeck and Lisa Hobbs.

Freshman Tina Schmidt moved up to the Varsity squad after Terri Holloway and Melinda Price resigned after football season.



(above) During practice Nancy Simpkins, Cory Hooper and Missy Plambeck rehearse their routines continuously until they get it right. (below) Varsity: Front row: Melinda Price, Lisa Hobbs, Missy Plambeck, Mary Lee, Karen Walle, Terri Holloway, Patty Weiss. Second row: Cindy Rooker, Nancy Simpkins, Paula Williamson, Michelle Frost, Denise Wilhelm, Jill Frahm, Jane Murphy, Lynn Gottlieb

YEARBOOK & VENTUS

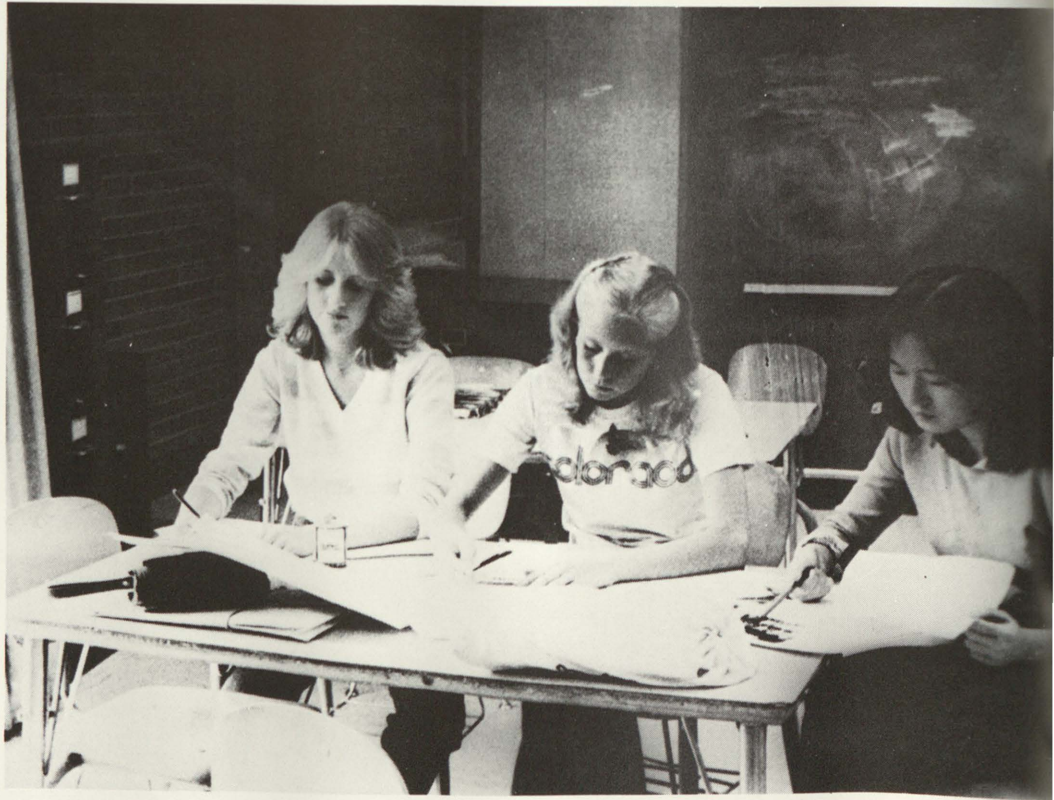
PHOTO & LITERARY ARTS

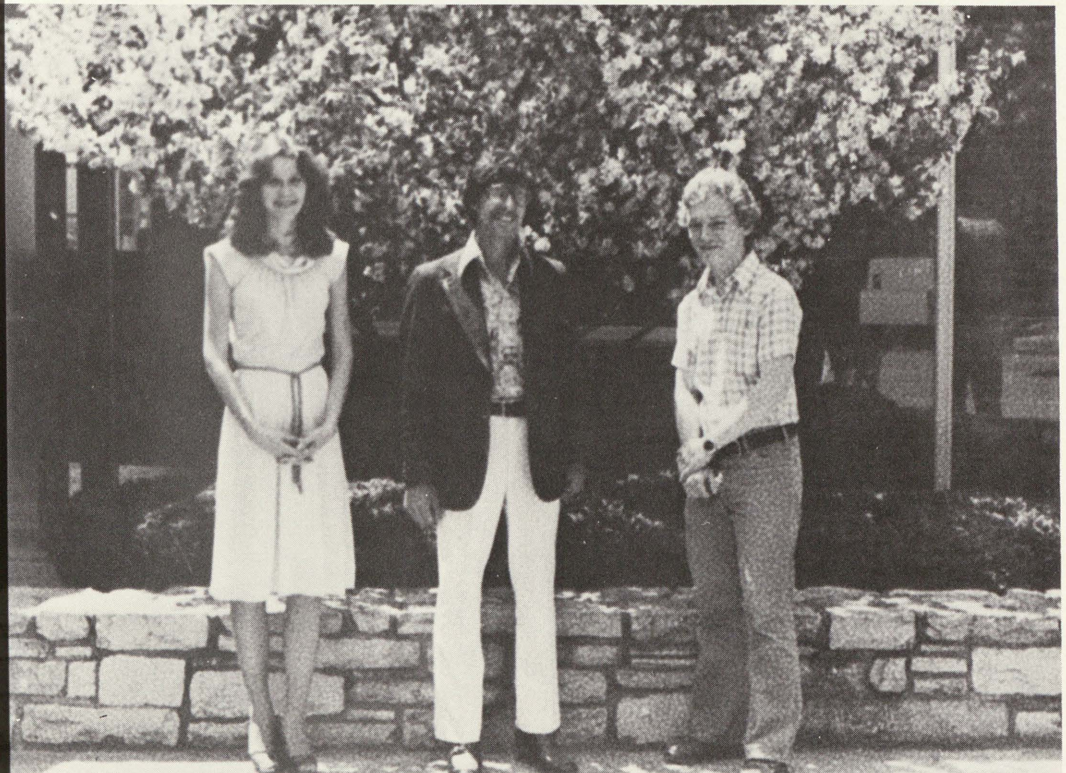
What does it take? It takes bigger and better things to keep up with the times. The improvements in the 1980 Itella include a larger format (9x12), the use of feature articles, dingbats, kickers, and a new student life section. The student life section portrays the variety of talents, activities, and styles that are part of the 1980 student.

Parts of producing a yearbook that often aren't realized include the extra time and effort needed, and the growing budget. The staff spent at least one night a week after school to help meet deadlines. Also, inflation, which affects everything, raised the publishing cost and the cost of darkroom supplies. The price of the book increased to help cover expenses.

The 1980 yearbook staff was headed by Mrs. Holmes. Doug Hawke was the editor and Linda Loiacano was the business manager. Photographers were Doug Hawke, Mike Maturen, Bill Wolf, Brian Weiss, and Dave Fox.

(above) Front row: Lisa Kalbfleisch, Dave Fox, Bob Stevens, Mike Maturen, Bill Wolf, Lori Kincade. Second row: Doris Blakely, Lisa Mueller, Sue Calkins, Noelle Keyser, Lori Riffel, Sharon Kincade. Third row: Editor Doug Hawke, Grace Shin, advisor Mrs. Holmes, Mari Westendorf, Jenny Scoggin. (right) Designers Lori Riffel, Lori Kincade, and Grace Shin work hard to meet the deadline.





The 1980 Ventus staff included seniors Dave Smith, Cynthia Urbytes, Sally Heidger, Martin Briggs, and Roberta Priest. The advisor was Mr. Barris. Ventus is the student magazine. It has been a completely student produced publication for seventeen consecutive years. It is published annually and distributed with the Itella. Ventus contains writings produced by students on campus: plays, poems, stories, art, and photos. It is printed by the MacArthur print shop.

(above) Itella Business Manager Linda Loiacano plans an ad spread while Sallie Kish puts down a headline. (left) Mr. Barris and Martin Briggs go over some material for the Ventus. (below) Sally Heidger, Mr. Barris, and Martin Briggs made up the 1980 Ventus staff.

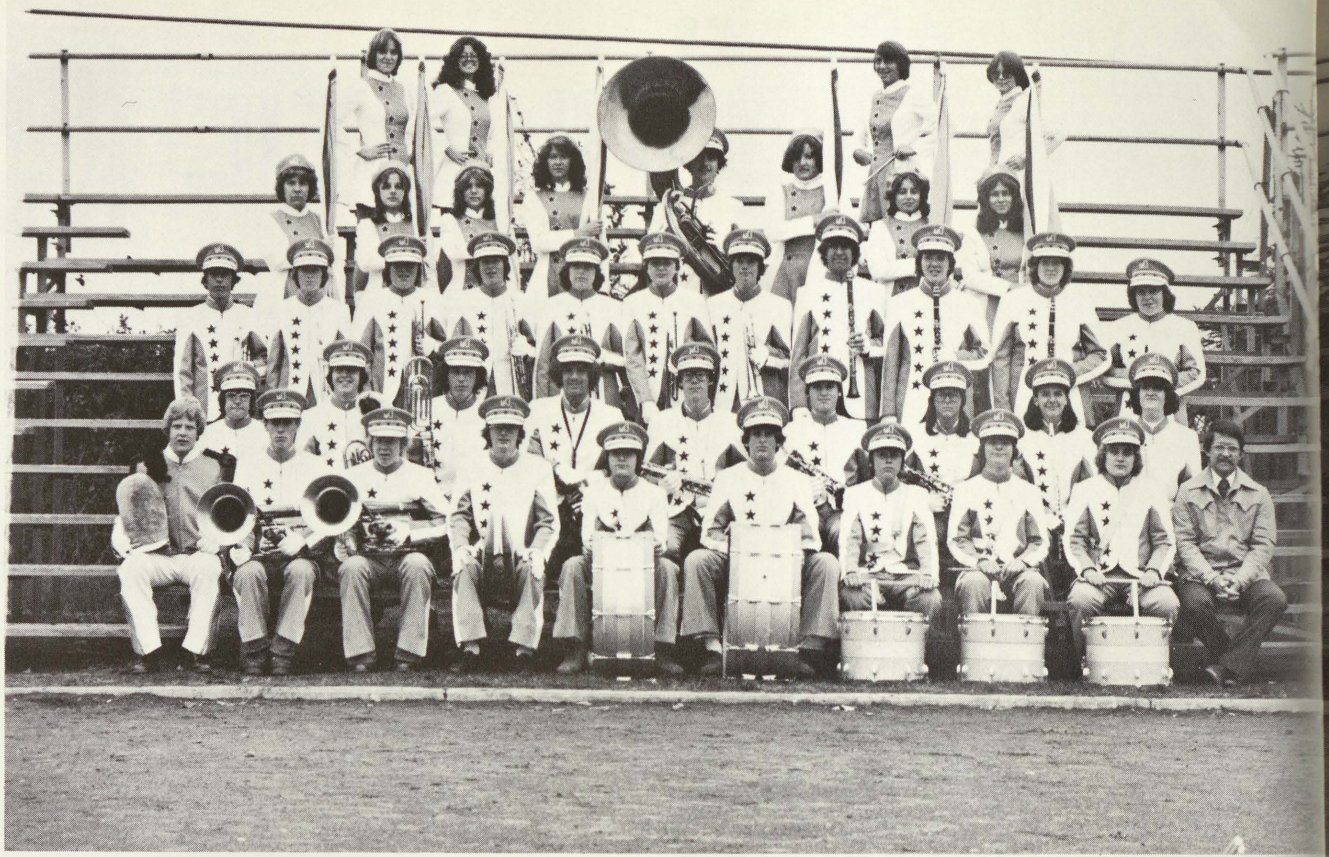
JOURNALISTIC
POSES

The General News published fifteen issues under the direction of Editor-In-Chief, Amy Powell, with Peter Connolly as her assistant. Mrs. Linda Furgason once again guided the **News** on "The Care and Feeding of a High School Newspaper."

Although **The General News** was plagued financially, the tradition of journalistic excellence was maintained throughout the year. The Homecoming Court, the Top Twenty, the athletic sounds, the teachers and many others came under the eyes of the **News.** The "Faces" edition gave exposure to many little-known students, while the candidates for the Spring elections aired their platforms in print. Finally, the culmination of the year came in the Senior edition, when the class of 1980 made their wills, bestowed dubious honors, and listed their goals for the **General News.**

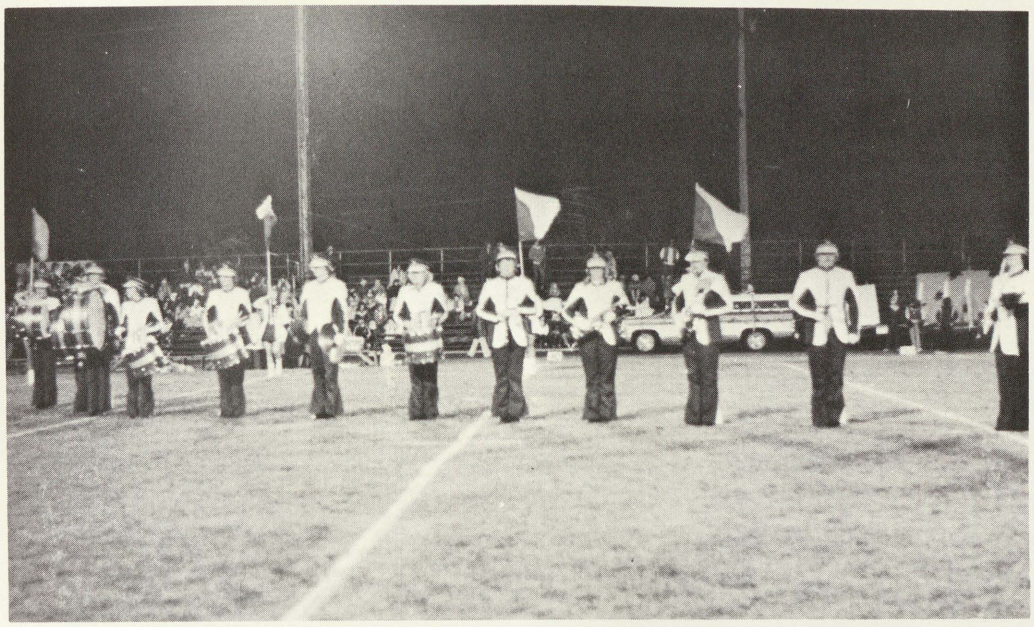
(above) Editor Amy Powell takes care of one of the administrative duties that goes along with the job. (below) Mike Jones writes down sports events that are to be featured in the next issue.



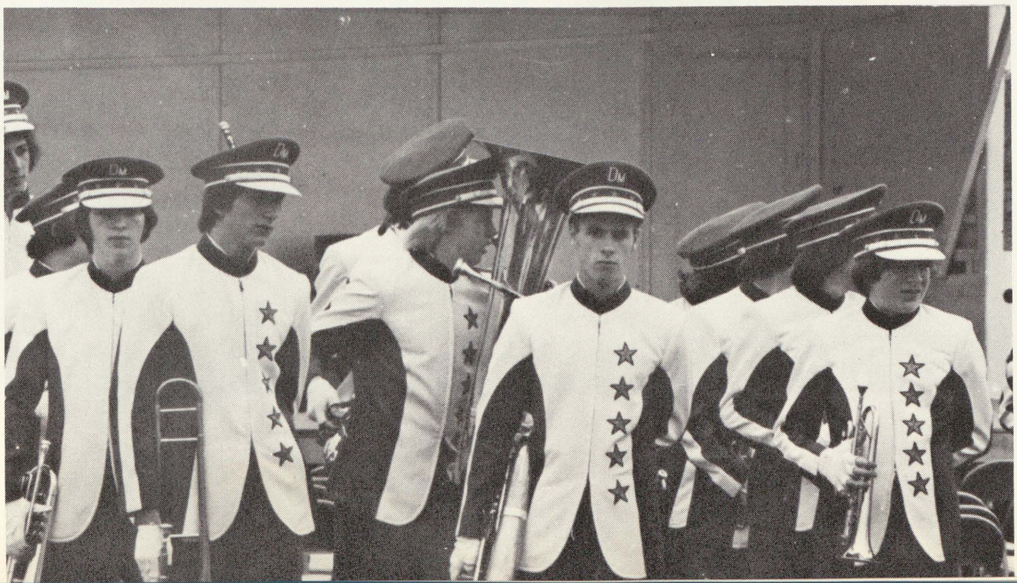
(clockwise) 1979 Marching Band: Front row: R. Salonen, T. Voisin, D. Salonen, W. Geeck, D. Seibel, D. Webster, J. Barnette, T. Seibel, C. Devers, Mr. Bellen. Second row: R. Barry, B. Smith, J. Leaman, R. Fjerstad, L. Miller, G. Gulliver, B. Dewald, A. Shulhof, S. Smith. Third row: S. Rosenbaum, T. Geeck, D. Crane, D. Beal, S. Schadel, P. Gifford, M. Munholland, T. Schwannecke, J. Hebl, T. Murphy, D. Graham. Fourth row: B. Bergkamp, D. Richard, A. Federlein, S. Heidger, D. Smith, C. Mahar, J. Ordway, L. Mason. Fifth row: M. Potucek, J. Swaffield, D. Potucek, A. Hammis. The Flag Corps, under the direction of Sally Heidger, performed very well at the MacArthur Festival as Jill Ordway demonstrates. Muggy, cloudy weather didn't stop enthusiastic band members from having a good time at their performance in the festival.

MARCHING BAND

ENERGY & ENTHUSIASM



Who provides all varieties of music and marches at the same time? The MacArthur Marching Band, under the direction of Mr. Bellen, has performed at many activities throughout the year. They were featured in the MacArthur Festival Parade and marched in the Saginaw County Parade. Their appearance at home football games during halftime and pep assemblies in the fall helped promote school spirit. The group also appeared at DM's open house. Senior members in the band were Wayne Geeck, Sally Heidger, Jay Leaman, Todd Schwannecke, Dave Smith, Jayne Swaffield and Tony Voisin. Drum major was Rick Salonen and Color Guard was Sally Heidger, who led the flag corps. Extra time and effort were needed for the continuous success of each performance.



(above) Marching band provided football fans with half time entertainment at all home games. (center) The Marching Generals paraded down Center Road for the opening of the festival. Band members prepare for yet another performance.

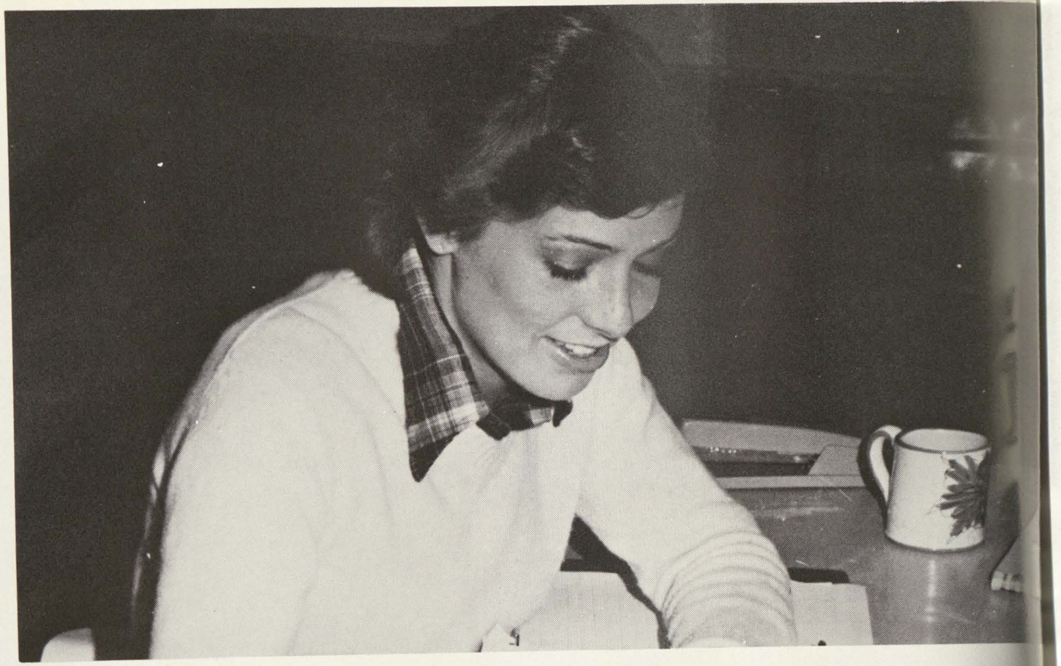
(left) Mr. Bellen conducts his band while performing at the DM Festival. (above) Tony Voisin plays the baritone. (below) Sue Smith practices playing the flute.

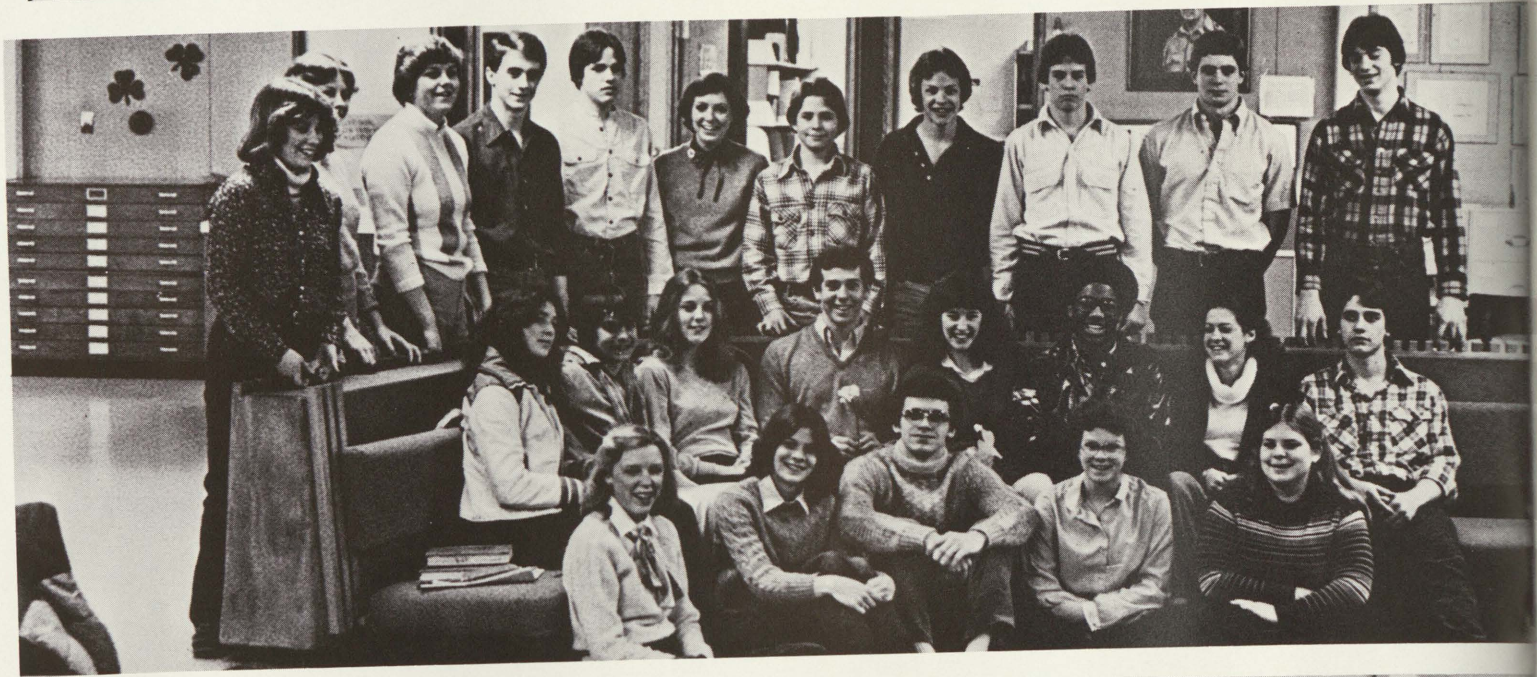
CONCERT BAND

PERFORM WITH PRIDE

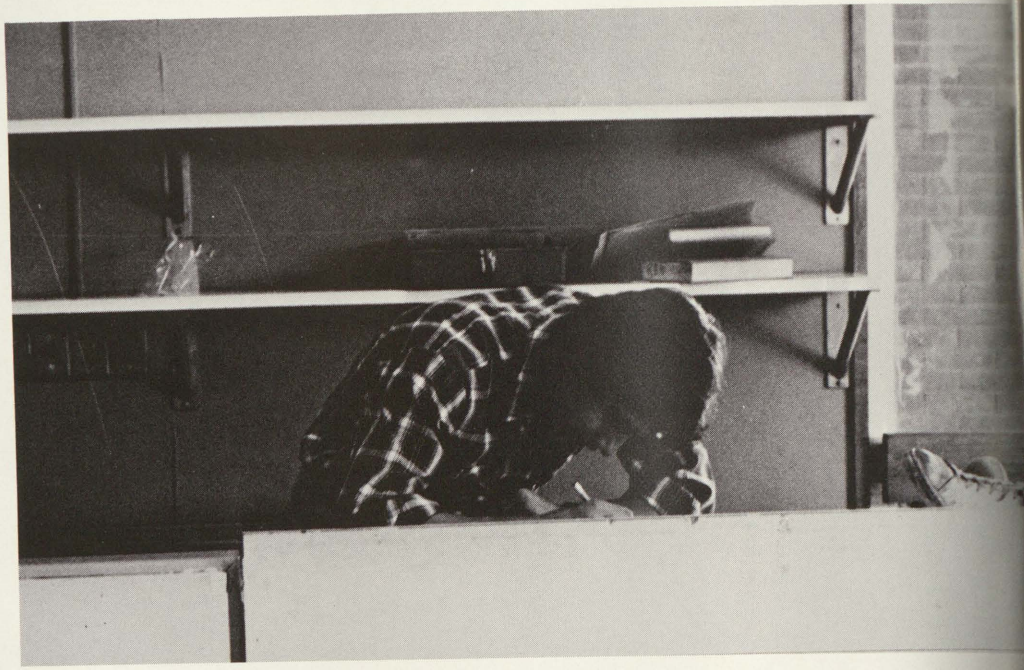
The concert band members performed at the MacArthur Festival, the Christmas concert, Spring concert, and Commencement bringing special concert music to DM. The group consists of about 45 members.

(above) Rod Federlein and Jay Leeman play their trombones, while Dan Dwyer plays the organ. (below) The trumpet section of the concert band is featured at the DM Festival.



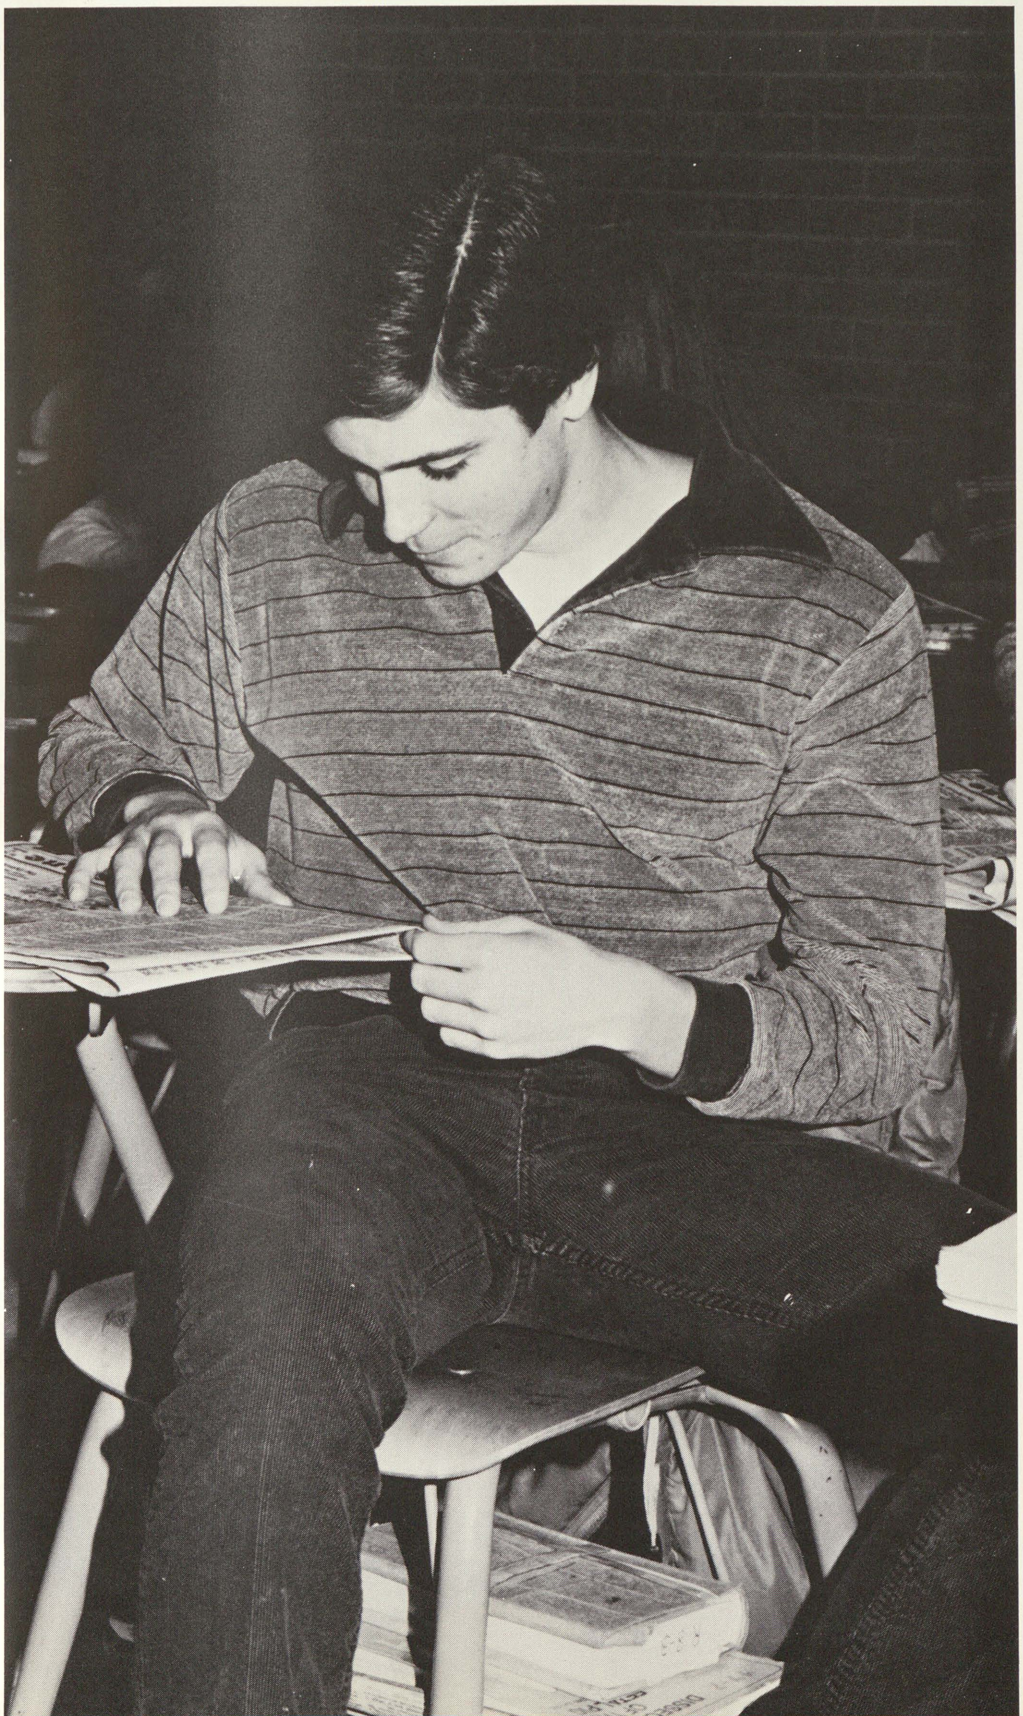


(above left) Steve Fox shows off his gentlemanlike personality to all Student Congress members. (above right) President Teri Holloway takes some last minute notes before the morning meeting. (center) Front row: Kirsti Stroom, Katie LeFevre, Ron Gonzales, Lisa Riefe, Rachelle Sartor. Second row: Nancy Simpkins, Murray Borrello, Sue Adsit, Steve Fox, Kari McGlinnen, Jason Jamison, Linda Loiacano, Steve Sgrazzutti. Third row: Kathy Biron, Debbie Beall, Tammy Dorward, Dan Flynn, Doug Fox, Teri Holloway, Carl Crimmins, Brad Karkut, Trent Stumph, Curt Crimmins, Brian Weiss. (right) Steve Sgrazzutti works hard to make the carnation sale a success.



WORKING FOR ALL

DM LEADERSHIP: SC



The students of Douglas MacArthur have their own government, Student Congress. Under President Teri Holloway, and advisor Mrs. Lesley this organization helped raise spirit and money for the school. They sponsored in the fall, Spirit Week and the Homecoming crowning assembly. In the spring they sponsored Spring Fever week and the General Staff assembly, while helping the Blue and White Club organize the May Festival. Some other events sponsored by them were carnation sales, Christmas card sales, the school store, the concession stand at the basketball games, selling DM mugs and organizing the competition plays.

A few new things were added this year to Student Congress. One was a student exchange program. Some students from Midland Dow and some from Eisenhower came to see how our school government is organized. Another was a MacArthur, Eisenhower combined Easter Seal dance in early March.

In the future Student Congress is planning more exchange programs and establishing more school spirit.

(left) Vice President Curt Crimmins enjoys reading an article about Student Congress.

NHS

HONOR AND SERVICE

Under the leadership of President Steve Fox, Vice President Amy Powell, Secretary Terri Hoeppner, and Treasurer Ron Gonzales, the 1979-80 National Honor Society had a successful year.

Several money-making community activities were organized by the society. The money brought in from the Halloween Party was used for a charity benefit for children with muscular dystrophy. A can drive was put on for the First Ward Community Center. Also, proceeds from a Rock-A-Thon, which took place at Eisenhower High School, and a Walk-A-Thon went to the Cancer Society. Some of the money also went towards purchasing library books for the school.

Some fund raising events sponsored by NHS involved a candy sale, the movie "Psycho", a dance, and an A & P donation day. This money went to pay for special social activities, such as a canoe trip, which took place last Spring at the AuSable River, and a hay ride.

NHS accomplished many worthwhile activities but a great deal of credit must go to the NHS advisors, Mrs. Wilder, Mrs. LaPlante, and Mr. Anderson.

(above) Senior members of NHS (below) Junior members of NHS

(clockwise) A masked NHS member prepares for the Halloween party. Sally Dwyer and Cliff Todd show off their Halloween costumes. NHS officers are Treasurer Ron Gonzales, Vice President Amy Powell, and President Steve Fox. (Missing from the picture is Secretary Terri Hoeppner.)

PEP CLUB AND FOREIGN LANGUAGE CLUBS

A VARIETY OF

The 1979-1980 Pep club consisted of about 30 members who helped promote school spirit for athletic activities. The officers for the year were President Laura Anderson, Vice President Susan Sims, Treasurer Annette Reid and Secretary Chris Mahar. Some of the activities the club participated in were giving out donuts and juice and kidnapping the soccer team players. They made signs for school sports, bought donuts for swimmers, decorated the football teams lockers, put on skits at pep assemblies, made a weekly calendar of activities, and made trips on the buses to away games. They raised money by selling sweatshirts with a pep club design on them.

Pep Club members cheer on the football team. Chris Mahar and Lisa Cunningham spend some of their time making signs to promote spirit. The 1979-80 DM Pep Club

STUDENT INTERESTS

Spanish Club advisor was Mrs. Minard with President Kevin Howard, Vice-President Mary Lee, Secretary Linda Farley, and treasurer Denise Wilhem. They raised money by selling chocolate bunnies, and working the concession stand at bingo. With the money they raised they took a trip to Casa del Ray and had their banquet at Zender's. They participated in the May Festival selling tacos.

French Club advisor was Mr. Ruonavaara with President Bobbie Priest, Vice-President Mary Neilson, Secretary and Treasurer Barb Kershul. They raised money by selling candy for their trip to Quebec. They also helped work at bingo. Next year they plan on going to France.

German Club advisor was Frau Leslie, President Pat Henagen, Vice-President Terri Diffin, Secretary Ann Garske, and Treasurer Kris Johnson. They raised money by selling Toblerones and Gummi Bars all year. They also participated in National Foreign Language Week which included dress-up day, scavenger hunt, tag day and culture exchange day.

Latin Club's advisor was Mr. Meyer with President Julie Clynes, Vice-President Kirsti Stroom, Secretary Matt Ewend, Treasurer Shelley Nemanic. They raised money by selling snow cones. They took canoe trips in the fall and spring. They also had a pizza party and a Thanksgiving banquet where they wore togas.

(clockwise), Many activities don't keep Laura Adler from her work. Mrs. Minard, Mr. Ruonavaara and Mrs. Lesley start the week together. Marybeth Simons, Lyle Miller, Ernie Klajo, and David Fisher show the variation of German dress.

FOREIGN LANGUAGE WEEK

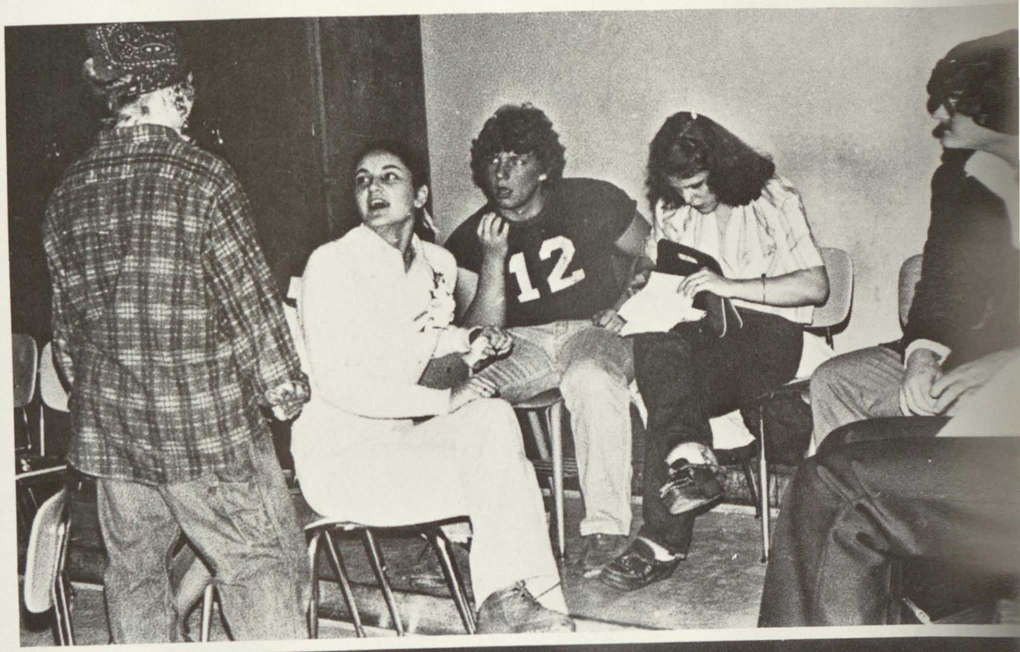
INTERNATIONAL FLAVOR

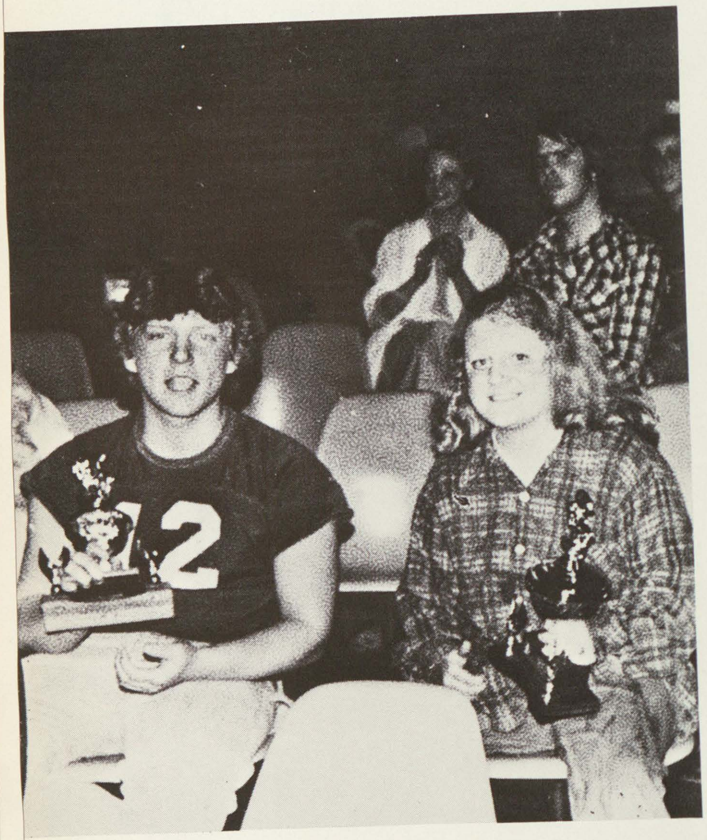
From March 24th to the 28th the foreign language classes headed by Frau Lesley, Senora Minard, Magister Meyer, and Monsieur Ruonavaara put on activities for the French, Latin, German and Spanish students to enjoy. National Foreign Language Week was held throughout the United States with students enjoying the food, clothes and traditions of other countries. "The week heightens the awareness of the importance of foreign languages at DM and in the modern world," said Mr. Ruonavaara.

The week started off with an International dinner which included foods from the four cultures. The week also included tagday, a scavenger hunt, dress up day and a day where the students only spoke in their languages.

Mrs. Lesley publicized the week not only for DM, but for all of Saginaw, Midland and Bay City counties. More than a fifth of the school participated in activities throughout the week.

(clockwise), Ann Bruske dresses up in the traditional robe for Latin members. Terri Diffin strikes a pose as Eva Braun, Hitler's mistress. The International dinner brought French, Spanish, German and Latin students together for a feast after school.





(clockwise) The sophomore class takes a bow for their performance of "Homer." Backstage Juniors have a last minute rehearsal. The audience displays various reactions to the competition plays. Best Supporting Actor John Kimmel and Best Actress Laura MacMahan pose with their trophies.

PLAY THE ROLE

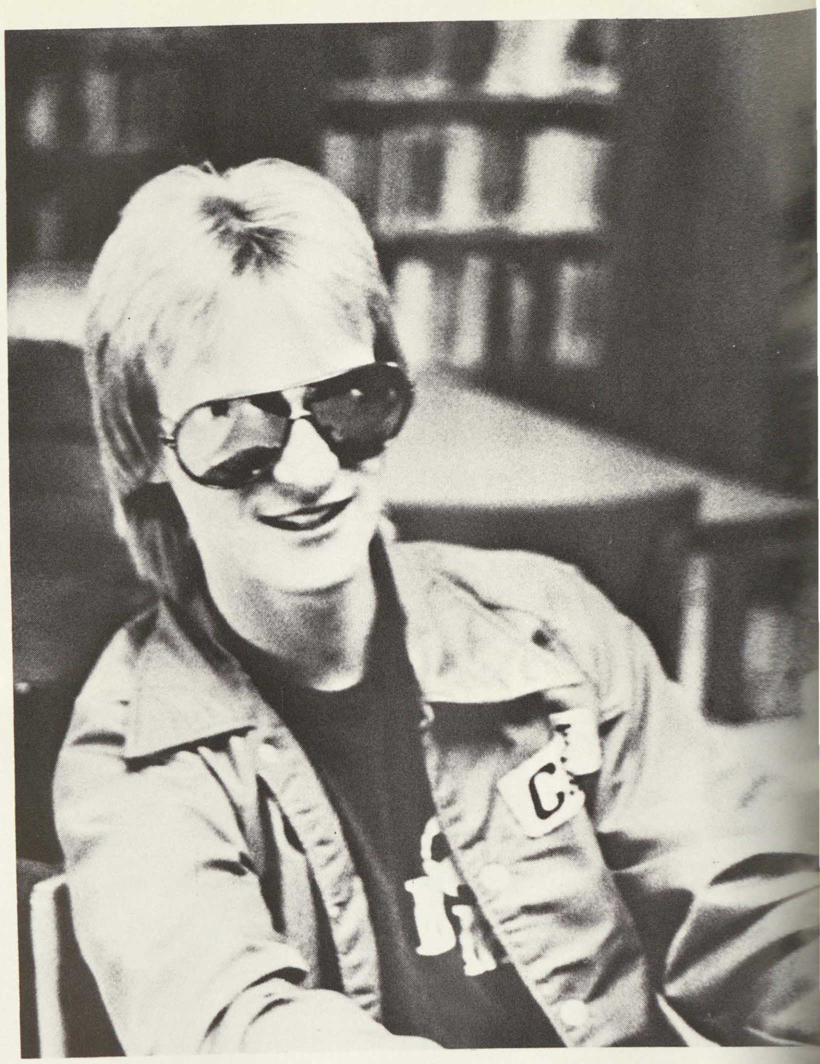
ON STAGE LIVE

Competition plays afford students the opportunity to display their dramatic skills as well as support their individual classes. Seniors picked up the Best Play award for their performance of "Trifles." Teri Holloway and Susan Glaspell directed the senior play.

Each class spent hours of hard work practicing and making props to produce a good play. Best Actress was once again Laura MacMahan of the junior play Directed by Nancy Simpkins. Sophomore Dan Dwyer won the Best Actor award. Sophomore Barbie Kershul and Junior John Kimmel received best supporting actress and actor. The sophomore play was directed by Kristi Stroom. Tracey O'Conner and Doug Fox directed the freshman play.

Some credit should go to the advisors Mr. Barris, Mr. Donahue and Mr. Rush and the stage hands who helped make the plays a big success. The judges were both from MacArthur, Mrs. Makrianis and Mrs. Hunter. The plays were sponsored by Student Congress with Debbie Beall as coordinator.

The Best Play award was given to "Trifles" which was performed by the seniors. Juniors Chris Duncan, Jason Jamison, and Murray Borrello certainly aren't nervous the night of the show.

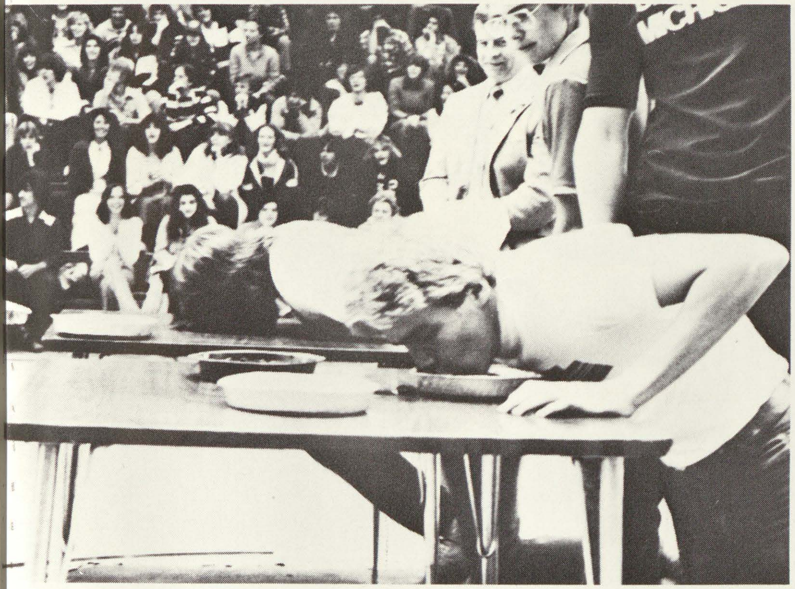


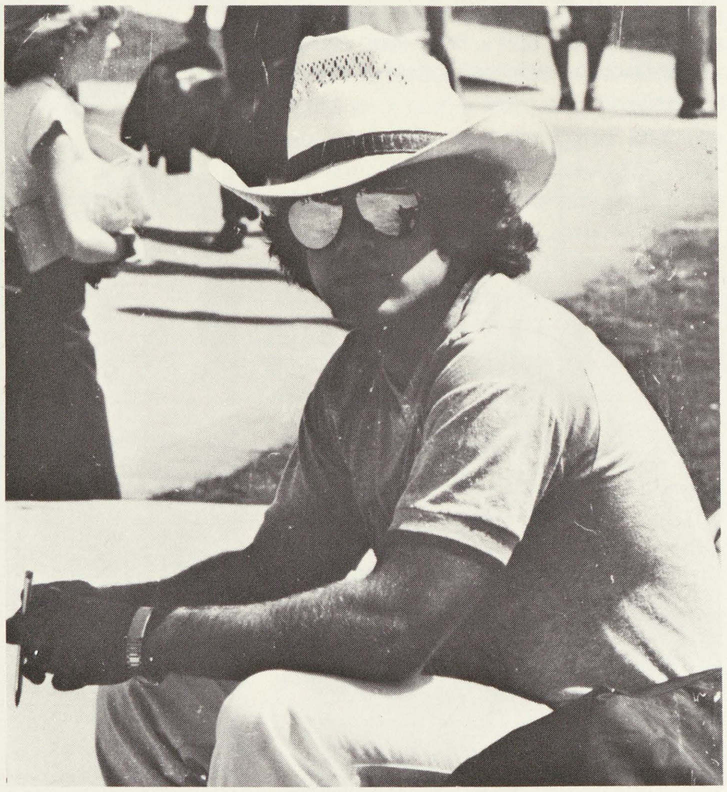
WITH SPIRIT

GETTING INTO SPRING

Everyone was really in the spirit for the Spring Fever Week. The Spring Fever Week consisted of some new activities, such as: Teacher Appreciation Day, Cowboy Day, and Hat and Sunglasses Day. The Spring Fever Assembly on Friday was very exciting because of the great relay contests. A Rootbeer Chugging relay, was won by the sophomores; a Jello Slurpping relay, was won by the juniors; and the Frogman Balloon Breaking relay was won by the sophomores. The assembly ended with a seniors vs faculty tug of war, which was won by the seniors.

(clockwise) Smiling Teachers were found on Monday, the first day of Spirit Week—Teacher Appreciation Day. Dave Erwin was not quite prepared for Thursday's Hat and Sunglasses Day. General Staff: Steve Fox, Ron Gonzales, Curt Crimmins, General Steve Sgrazzutti, Dan Flynn, Rich Baskins, Cliff Todd.





(clockwise) Juniors kill the Seniors in the annual tug of war, held for the first time by the flag pole. Andy Rank shows a western look on Tuesday of Spirit Week. Ray Gay slips while going to chug rootbeer, but he still succeeded. Senior Bill Hoerner and his team mates make an attempt to win the Jello Slurping contest.

CELEBRATES SPRING

MacARTHUR FESTIVAL

The third annual MacArthur Festival took place on May 17th. Even though the weather was not the best, it did not dim the festive mood.

Many people around the township came to taste tacos, and cakes from the "Kuchen," sponsored by the German club. There were snow cones, popcorn, donuts, cotton candy, cookies and hot dogs sold. Almost all the clubs sponsored stands in the festival. Again this year, the radio station WKNX broadcasted from the festival. Music also came from the MacArthur bands, the Eisenhower band and the Saginaw Drum and Bugle corps. The Chippewa choir and the popular Triple Trio entertained the crowds with their songs.

The fire department gave a demonstration, called, "the Jaws of Life," a life saving aid to get victims out of trapped cars.

The Varsity pom pon squad performed to J. Geils' "Come Back", in the band shelter, while skateboard demonstrations were given on the driveway in front of the office. In the Kiva art work was displayed.

All these activities and many more were organized by Mrs. Arcangeli with the help of the Blue and White club.

(clockwise) The Saginaw Drum and Bugle corps march from the Sveden House to MacArthur to help start off the festival. Mr. Meyer works in the Latin booth to sell snowcones. John Kimmel, Laura McMahan, and Roxanne Dye clown around during the DM parade.

JUNIOR-SENIOR PROM

"COME SAIL AWAY

Cold weather didn't prevent enthusiastic MacArthur students from baving a good time at the Junior-Senior prom, held on May 9, 1980.

From 9:00 til 1:00 students danced to the beat of Amphagas in the Delta College Commons. Some students attended parties before and after the prom, while most enjoyed a meal at a restaurant of their choice.

Organized by the junior class the prom was termed a success by the many who attended.

(Above) Even though the mood was mellow, many students enjoyed fast dancing to the beat of Amphagas. (below) Bob Kishnik, Kelly Denno, Lori Mason, Mike Piechotte, Trudi Lichon and Tony Perreault enter the dance all smiles as they think about the excitement of the night.

(clockwise) Tuxedos with tails and long silk dresses were the biggest hit for the prom scene and going in style were Theresa Kretz and Phil Barnette. The night has just begun for Roger Richter and Randy Smigiel, so why not be a little crazy? When not dancing, some students ventured into the gardens while others relaxed at tables beside the dance floor like Eric Strautniks, Lori Jones, Kim Merrit and Mike Wisely.

MUSICAL

VOCAL EXPRESSIONS

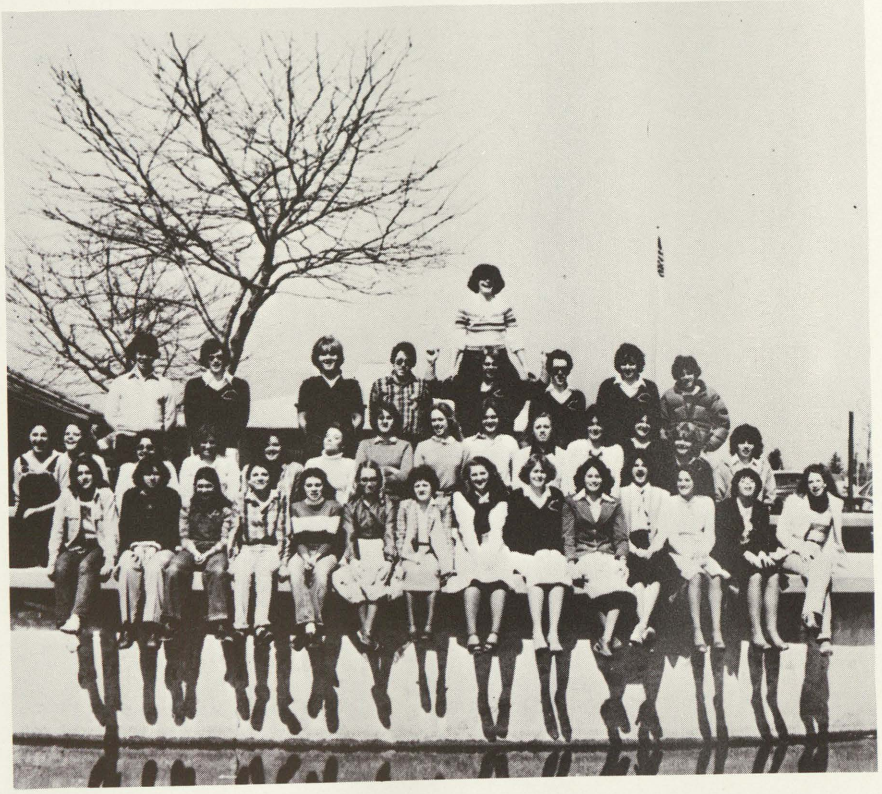
The MacArthur Choir under the direction of Mrs. Linda Schopp was very successful with "Memories" the spring concert held May 15. The performance was held at Eisenhower in conjunction with Ike's choir.

Highlights of the choir for the year were Triple Trio consisting of nine girls, General Revue consisting of eight boys and eight girls and the Choir consisting of forty people.

Open House, October 23 was the premiere performance of all of the groups for 1979-80. The Christmas Concert was held December 13. They all sang their Christmas Music at the Fashion Square Mall along with Eisenhower. These groups also sang at the Civic Center along with about 30 other groups for a spring performance.

The Triple Trio sang at over 40 places throughout the community. They also represented the Kelley Services who hire different types of grops to represent them. The Triple Trio carried balloons, wore Kelley Services' T-shirts and Kelley green outfits to promote the Kelley services and were paid for it.

Hard work and dedication helped make the Vocal Music at DM a success.



Choir Front row: B. Mims, M. Chaffee, C. Clark J. Simpkins, E. Taylor, N. Niebling, C. Sawdon, J. Gibson, L. Cunningham, H. Heffley, K. Ball, T. Heffley, S. Kincade. Second row: K. Platko, J. WORLD WIDE PERSONALITIES

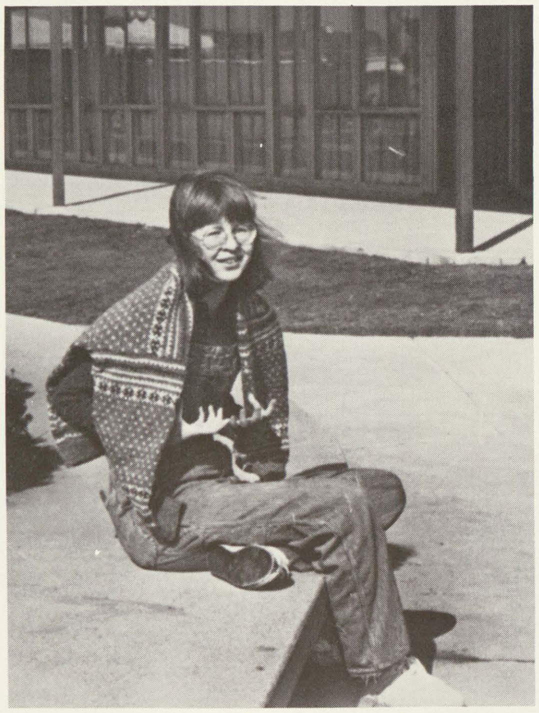
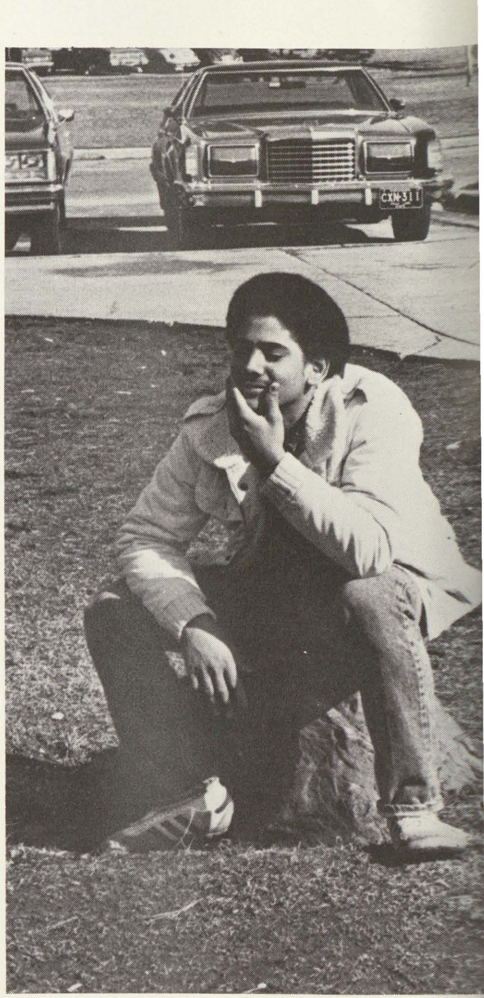
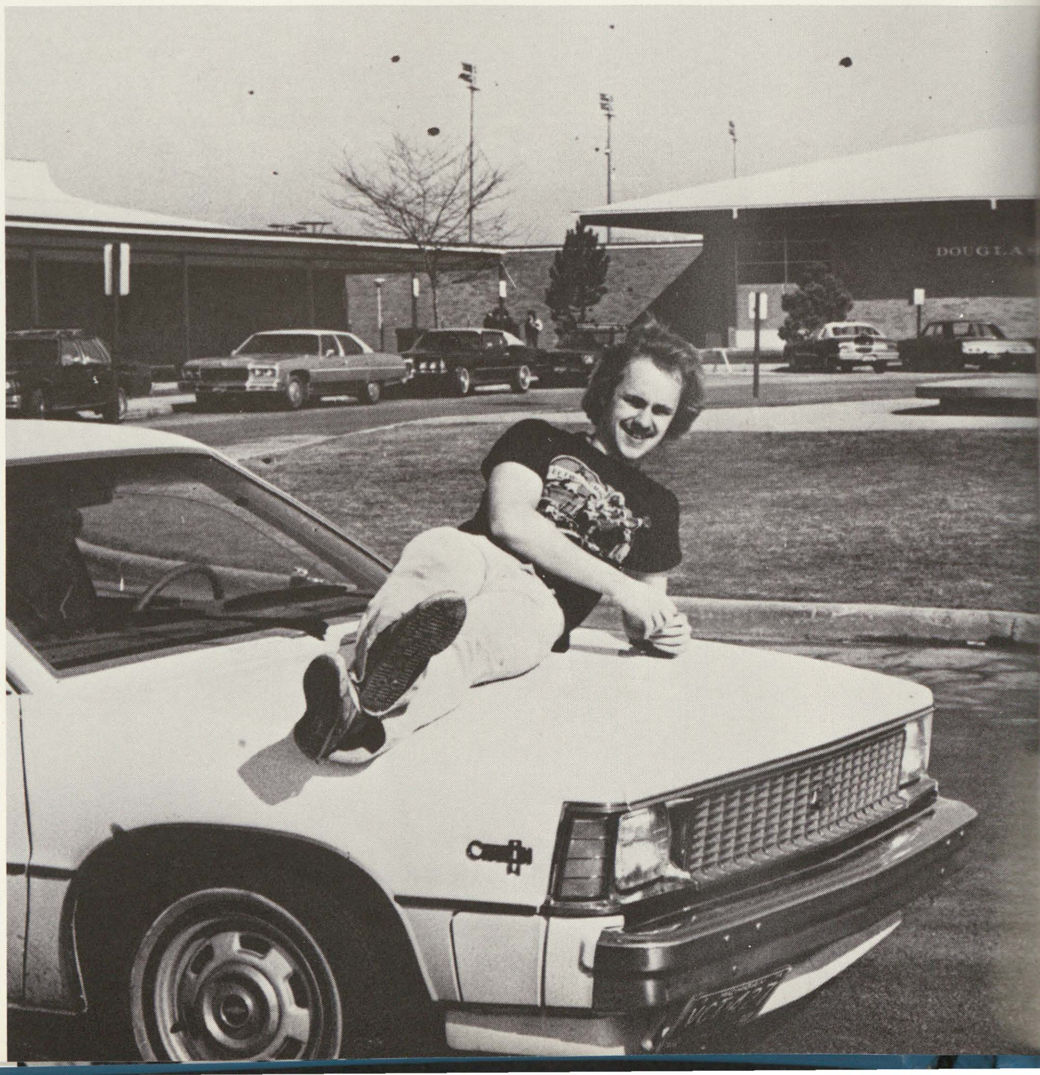
Youth For Understanding affords students the opportunity to learn about other cultures. DM hosted three students on the program plus a student from Germany who came here on his own.

Altogether there are four students this year, all having many special interests. Juan Diaz, from Venezuela, enjoys going to discoteques, traveling and practicing Martial Arts. Juan enjoys traveling so much that he has been an exchange student, in different places, for two years. Karsten Schlenter, from W. Germany, likes meeting people from different countries, participating in sports and going out with friends. Learning different languages and traveling are favorites for Thorsten Krausbauer, from Germany. Jaana Haavisto, from Finland, enjoys music, reading, rollerskating, and cross-country skiing.

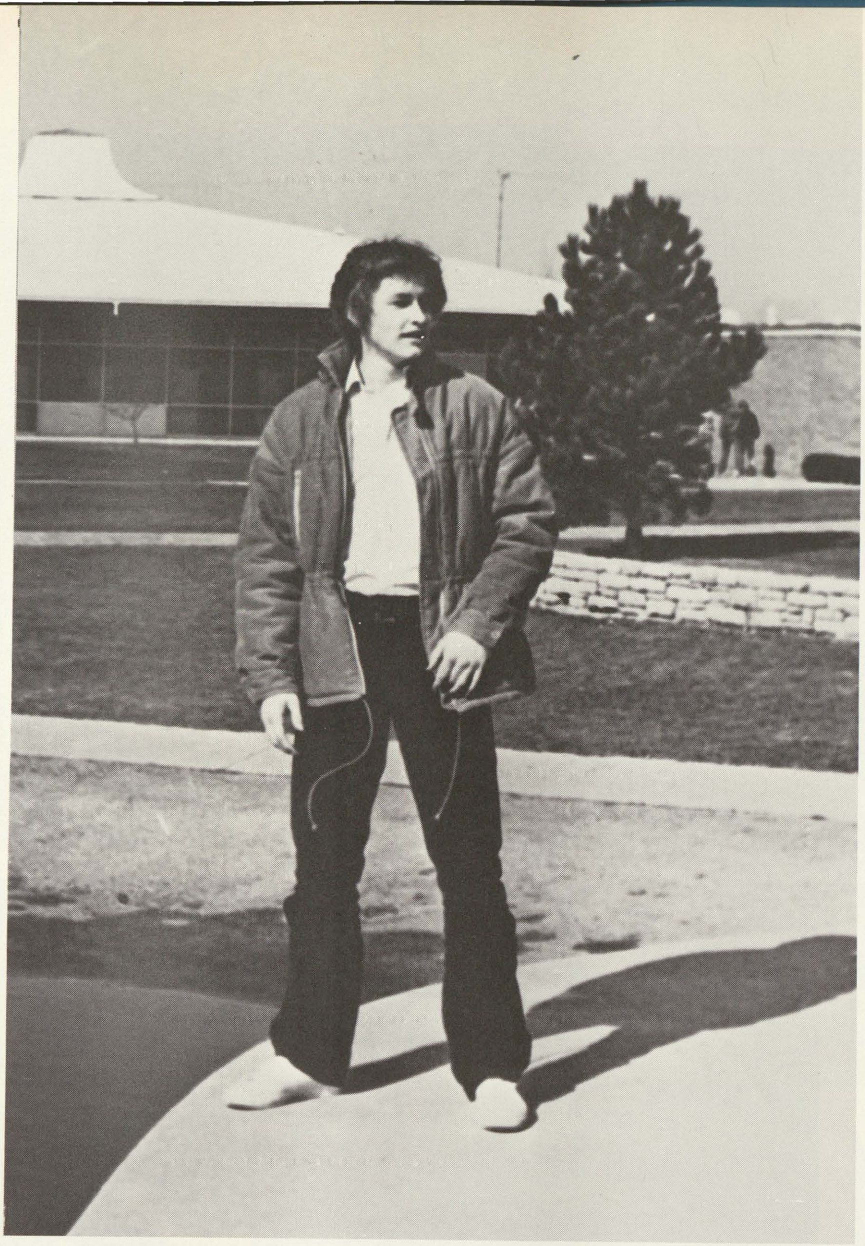
In answer to a query of how the exchange students feel about the U.S., some comments were: "Classwork is easier . . . There is not as much homework here . . . People are very friendly . . . Sports opportunities are much better here . . ."

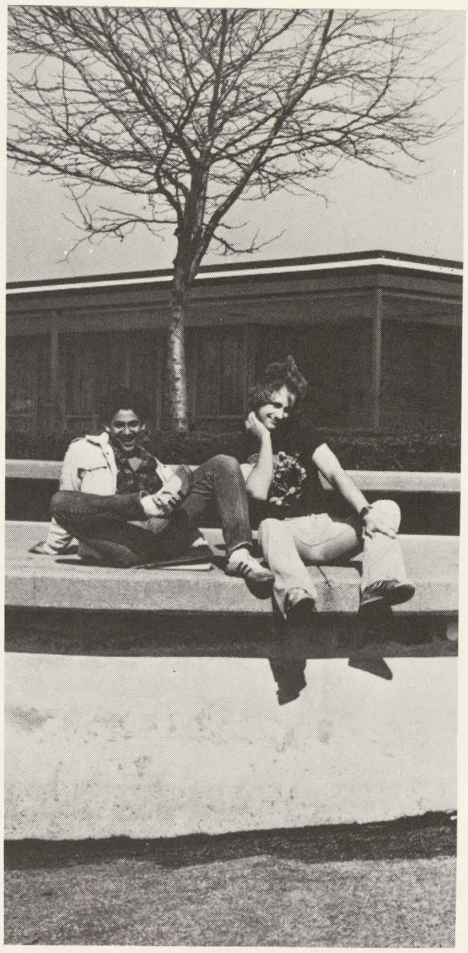


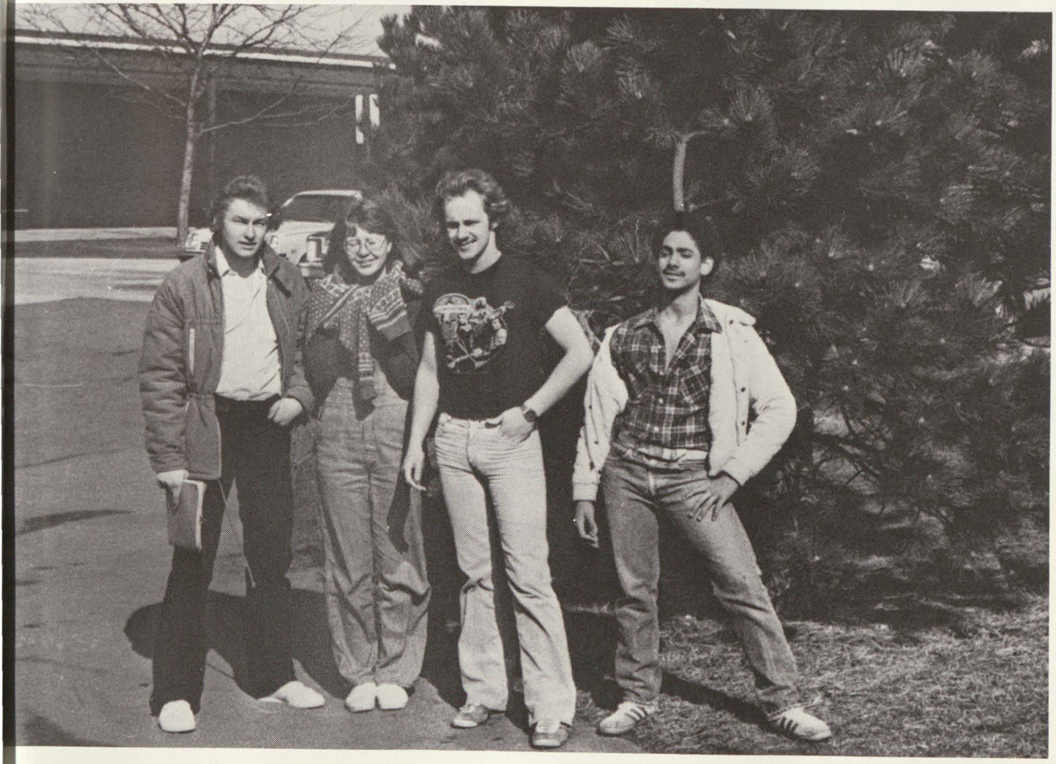




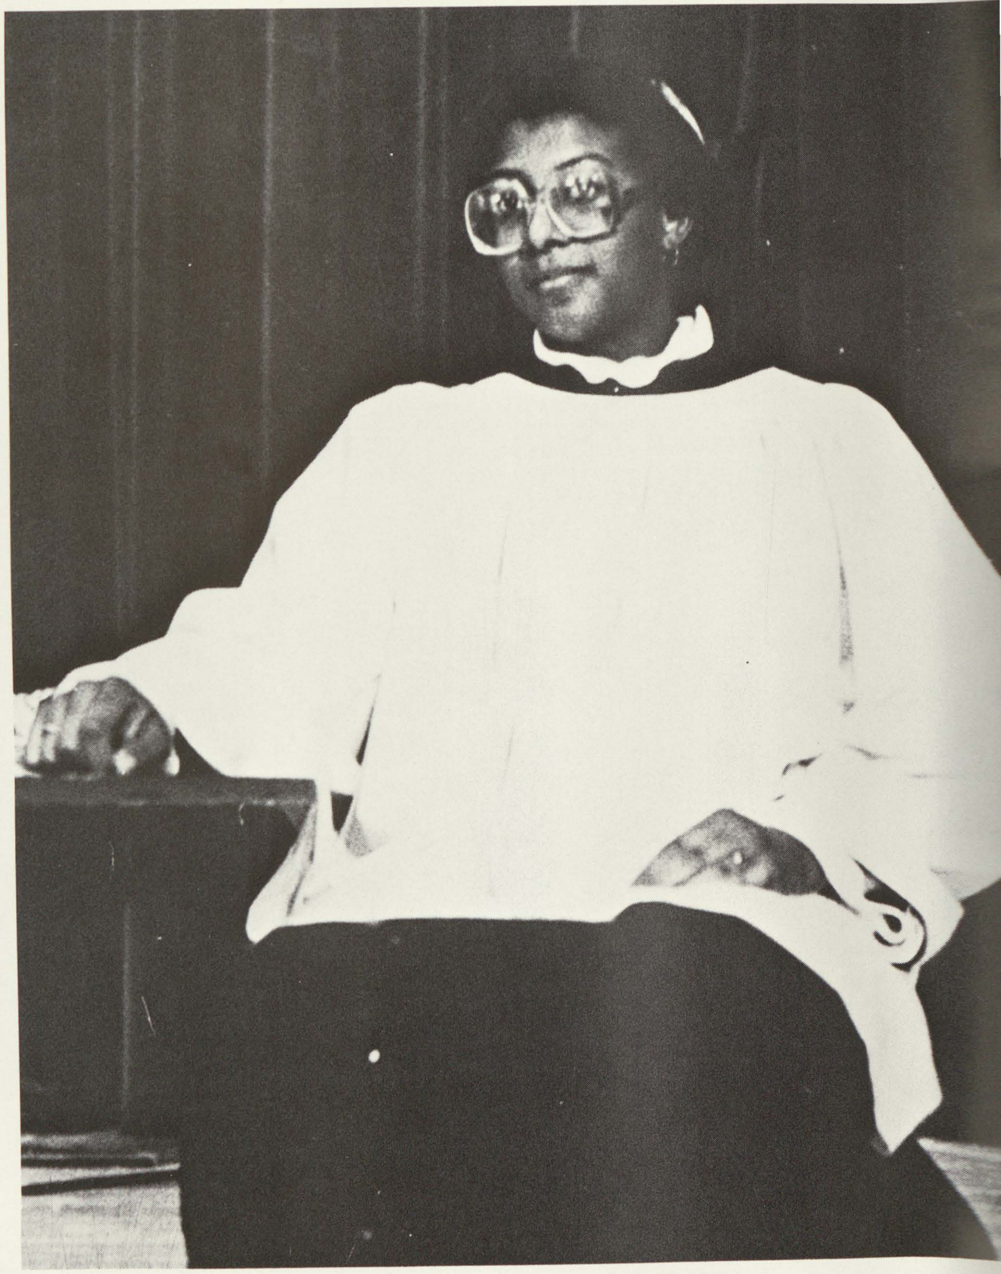
(clockwise) Jaana Haavisto comes from a town about the size of Saginaw, Kuobia, Finland. "Should I or should I not go to next hour," contemplates Juan Diaz. Karsten Schlenter takes advantage of the first day of spring.







(clockwise) Thorsten Krausbauer enjoys speaking different languages: French, German, and English. Juan Diaz and Karsten Schlenter relax in the sun near the pond. Exchange students, Torsten Krausbauer, Jaana Haavisto, Karsten Schlenter, and Juan Diaz.



(clockwise) Patrick Murphy (Dave McMullen) orders his daughter Rosemary (Peggy Kingsbury) to change her wedding gown to street clothes as the others look on. Doctor Samuels (Gloria Braddock) dutifully listens to Mrs. Cohen gab about her operation. Mrs. Makrianis joined the MacArthur staff and directed her first three act play in the spring of 1980.

(clockwise from left) Solomon Levy (Bob Irish) beams with pride as his new daughter-in-law, Rosie (Peggy Kingsbury) starts the wedding march with Isaac Cohen (Wayne Geeck). Pat (Dave McMullen) asks Solomon (Bob Irish) why he had all the "A.P.A." decorations. Fr. Whalen (Jim Kunnen) meets Abie (Mike Maturen) for the first time after Rosemary (Peggy Kingsbury) has a clash with their Fathers.

THE BROADWAY HIT

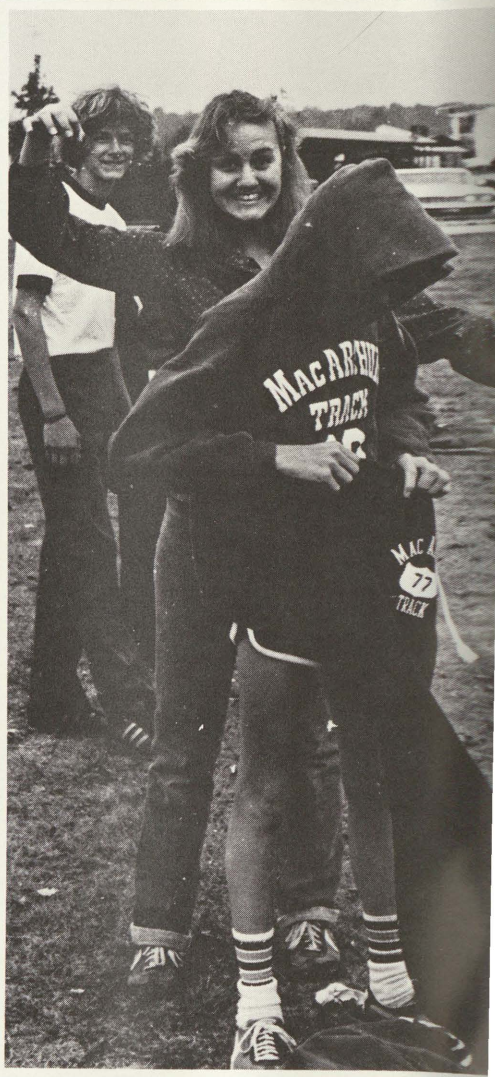
ABIE'S IRISH ROSE

"Abie's Irish Rose", a classic broadway comedy, was the spring play of 1980. The cast was Nancy Kunnen as Mrs. Cohen, Wayne Geeck as Isaac Cohen, Bob Irish as Solomon Levy, Mike Maturen as Abie Levy, Peggy Kingsbury as Rosemary Murphy, Dave McMullen as Patrick Murphy, Gloria Braddock as Doctor Samuels, and Jim Kunnen as Father Whalen. The Bridesmaids were Laura Makuch, Terri Holloway, Cheryl Carey, and Linda Hoff. There was a visiting actress, five year-old Georgia Tarachas, who played the flower girl.

Mrs. Makrianis directed her first three act play of her career after directing nine one act plays at the middle school level. "The results were more professional and the students were more professional than my experience before." said Mrs. Makrianis about the DM production.

ALBUM

GENERAL



What does it take?

It takes all kinds of people: teachers, students, administrators, coaches, athletes, scholars, counselors, photographers, kitchen staff, lunch ladies, custodians, secretaries, cheerleaders, pom pon girls, musicians, band directors, vocalists, actors, produces . . .

ICHIG

STEPPING OUT

DIRECTIONS

The Senior class represented by 300 enthusiastic students, helped promote school spirit through many activities.

Senior council sponsored the 60's dance, where hippies could be found on DM's campus for the day. During Christmas carnations were sold and council members decorated the school. In the spring class play competit, seniors received the best play award. M&M and bake sales were profitable for the activities which they sponsored.

The senior class will always remember the good times, the trip to Cedar Point and the ones that vacationed at Florida.

(right) Jeff Dole and Shelly Nemanic put their heads together in the library.

(center) Congressman Bob Traxler discusses his first hand experience in government with Mr. O'Dell's senior government class. (below) Ann Schwartz laughs at the hard work of the other softball players, while she takes a breather.

PROGRAMMING

COMPUTE

Kevin Hart first got interested in computers when he was down at MSU for their week long Engineering Institute. They had a section on computer Engineering where they showed students how to program a computer to balance a checkbook using the BASIC language. After his visit to MSU he decided he wanted a mini-computer. Kevin had enough money saved to buy a TRS-80 level I Basic with 4K of memory, costing approximately $500. Computers can do almost anything depending on the imagination and bank account of its owner. It can operate any electrical appliance, turn lights on and off in the home, open garage doors, monitor a burglar alarm, maintain checkbooks, keep income tax records, play a game of chess, teach language, math or any other subject. Kevin has currently invested in a level II Basic, 16K computer. Kevin plans to minor in computers at University of Notra Dame.

DIVERSIFIED HOBBIES

Bored with life? Not Brian Weiss! Interests ranging from traveling to engineering keep Brian busy. He has visited 40 of the 50 states and even ventured over to Europe, spending 9 weeks of his sophomore summer touring Germany, Austria, France, The Olympic Village in Switzerland and other sites. Brian was staying in Germany with friends and relatives one of which is now living with him.

Brian also enjoys skiing, hiking and photography. He assists the Itella staff as a photographer and even finds time to collect stamps and beer cans.

During previous summers Brian attended Summer Youth Programs at Michigan Technology where he took courses in mountaineering, photography and electronics. Brian plans to attend Michigan Tech where he will major in mechanical or electrical engineering.

CONTESTANT

GLAMOUR

Sally Heidger competed in the 1980 Miss National Teenage Pageant. Sally received an application at school, after being chosen from a group of girls with a grade point average of B or higher. After the application was completed a sponsor was found who provided the fee of $200. Sally's sponsor was the Moose Club 82. The pageant was held on May 16,17,18, 1980 at Eastern Michigan University. Each participant is judged individually on appearance, achievements, poise/personality and a speech given on "What's Right About America." The girls received a group modeling lesson. They were required to give a group performance singing two songs. The girls were interviewed individually before the judges made a decision. Sally gained experience in meeting people and being in front of people.

BANKING

$MONEY$

Karen Bach finds her job at Mutual Savings and Loans on Davenport a most enjoyable and challenging occupation. She has the opportunity to meet new and interesting people almost daily as well as handle the routine transactions for their regular customers. Her daily routine includes handling deposits and withdrawals from Savings accounts and payments on mortgage loans. The challenging aspect is to process the transactions correctly and have her tape balance at the close of the business day, while maintaining a friendly attitude towards all the customers. Customers always received a friendly smile and "thank you" at her window.

TEACHING
ABILITIES

Not only is Dan Flynn a good swimmer, he's reflecting some of his ability on to the small children.

Dan is currently teaching children twelve and under, how to swim at Chippewa Middle School and spends an average of six hours a day swimming, including lessons and practices. He also taught over the summer at the Saginaw Country Club. Dan helps the children with basic strokes and other fundamentals of swimming.

In order to get the job, Dan had to pass advanced lifesaving and a water safety instructor program.

Although teaching them and working with them can be very exciting, the long hours of dedication Dan puts in proves it to be very hard work. Dan comments that even though the work is hard, the pay is good.

PERFORMING

LIGHTS

Leslie Gugino appeared in a three man cast of "Vanities" at Pit and Balcony Theatre in December of 1979. The play is about three popularity queens and how they change and grow apart from each other from high school to college and four years after. Leslie played the part of Mary who is the loose, free willing, sarcastic one. Leslie also has appeared in "Diary of Anne Frank" and in the Chorus in "Oliver." In the Fall of '79 she played in "Tiger in Traction" at SVSC. In January of 1980 she performed in "The Taming of the Shrew."

TECHNICAL

TALENT

After early graduation, Michelle Donahue was out of school and working full time by January. Michelle is a lab technician at Midland Dow with very interesting responsibilities. Her main duty is working with toxicity tests. In these tests, there are several aquariums, each containing 10 fish. In each tank, she puts different levels of concentrated chemicals, highly concentrated or low, and records the different intervals at which the fish die. Michelle also runs data through a computer to help determine how many chemicals can be used without killing the environment.

One interesting thing about Michelle's job is she can set up any experiment she wants and order any products she wants, no matter what the cost.

Michelle finds time in the evening to attend night classes at Delta and plans to transfer to Arizona State where she will major in psychology. Michelle comments that even though she enjoys lab work, she wouldn't want to center her career in that field.

TOP TWENTY

ADVANCE TO THE

The 1980 Top twenty seniors are a group of students who are outgoing and hard working. Among these students are (A) Greg Ausserer who was involved in Cross Country and the track team. (B) Kathy Biron was a 4 year swim team member. (C) Curt Crimmins captain of the men's swim team, was involved with Student Congress and was on the cross country team. (D) John Czolgosz has spent most of his time working part time since 9th grade. (E) Jeff Finn was an active swim team member, and a member of Spanish Club, Ski Club and NHS. (F) Connie Grundas was on the pom pon squad, the track team, and was business manager for the "General News". (G) Leslie Gugino worked part time at Pit & Balcony and a Health Spa. (H) Pat Henagan was a National Merit Scholarship Finalist and the President of the German club and a NHS member. (I) Janie Heuschele took part in the German Club, Pep Club and also taught Sunday school. (J) Theresa Hoeppner was the secretary for NHS.

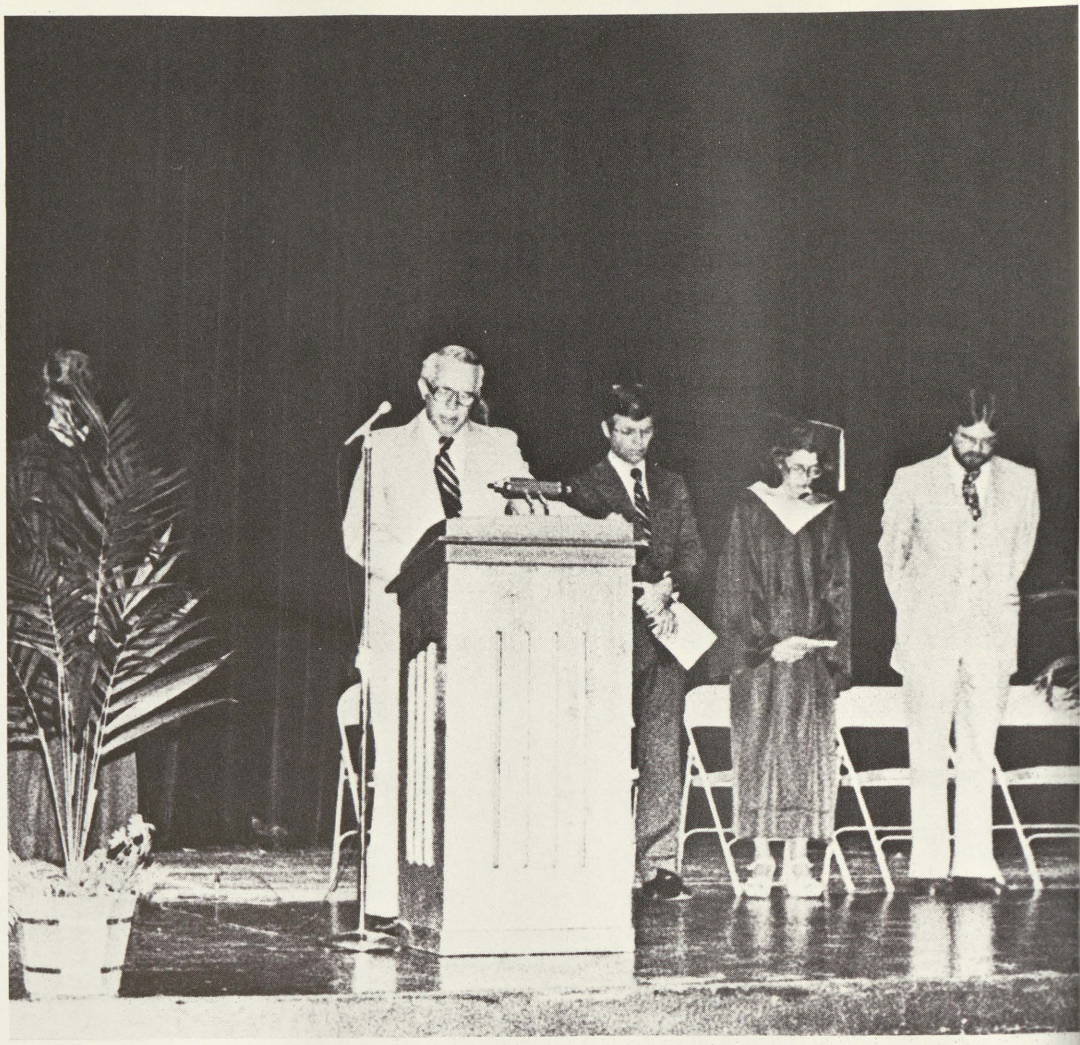
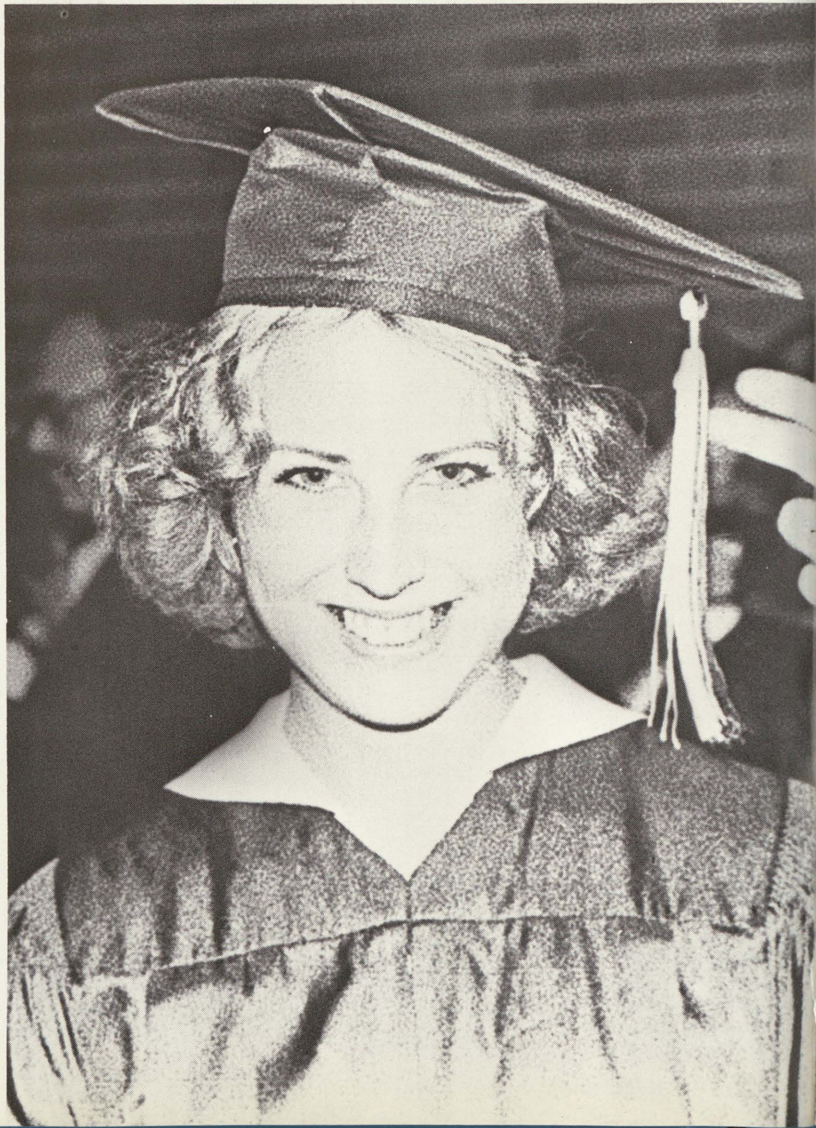
(A) Tim Knapp was involved for 4 years with Student Council, and 3 years with swim team, French Club, and NHS. (B) Debbie Moldenhauer was a volunteer worker at Saginaw General and was also involved in Junior Achievement. (C) Amy Powell was Editor-in-Chief of the "General News", and VP of NHS. (D) Haesim Park was in NHS and Latin Club. (E) Sheri Pastirzyk was involved with Student Congress, spent 3 years in NHS, and was Pep assembly co-chairman. (F) Laura Schaefer was in the Latin Club and on the yearbook staff. (G) Cliff Todd was involved with backpacking explorers and the Honsinger Wind Ensemble. (H) Chuck Walderzak has been an NHS member and on the honor roll since 9th grade. (I) Brian Weiss has been active in the Ski Club for 4 years, German Club, football and tennis and track teams. (J) Sue Zeros had been a four year member in both the Latin Club and the swim team.



(clockwise) Mr. Huyghe and the congregation bow their heads in prayer. Missy Plambeck enjoys the reception after the service. Colleen O'Keefe and Annette Reid socialize with fellow Seniors.



FAITH AND GUIDANCE

" "BACCALAUREATE "

Seniors attended Baccalaureate, a religious ceremony, on June 1, the Sunday before Commencement.

Pastor Jeff Hlavan of First Assembly of God and Pastor Don Loomer of Hopevale Memorial Baptist Church addressed the Seniors with praise for the past and advice for the future.

The theme, "You Light Up My Life," was carried throughout the ceremony, with speeches and scripture readings.

The Senior quartet consisting of Mary Baudoux, Nancy Clark, Lindsey Smith, Lisa-Ann Snyder and Jenny Sonefeld sang, "The Gift of Love", "Give Them All to Jesus", "Jesus is the Answer", and "Old Irish Blessing". The congregation joined in the singing of the hymn, "How Great Thou Art".

The Baccalaureate committee consisted of Mary Lee, Amy Powell, and Advisor Mary Jo Zuziak. The D.M.H.S. Blue and White club sponsored the service.

After the service, a reception was held in the Kivateria where Seniors, friends and family gathered for refreshments.

(above) The Seniors arise to join in the singing. (below) Caroline Bulger and Donna Burk attend one of the last activities as Seniors.

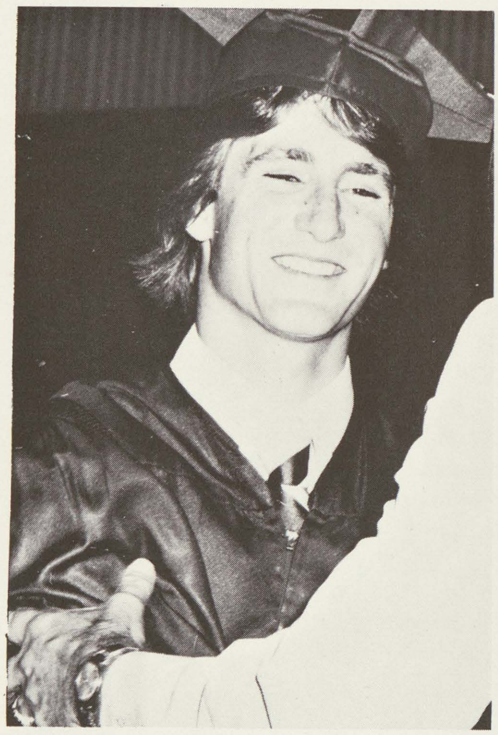
MOVING ALONG

WE'RE ON OUR WAY....

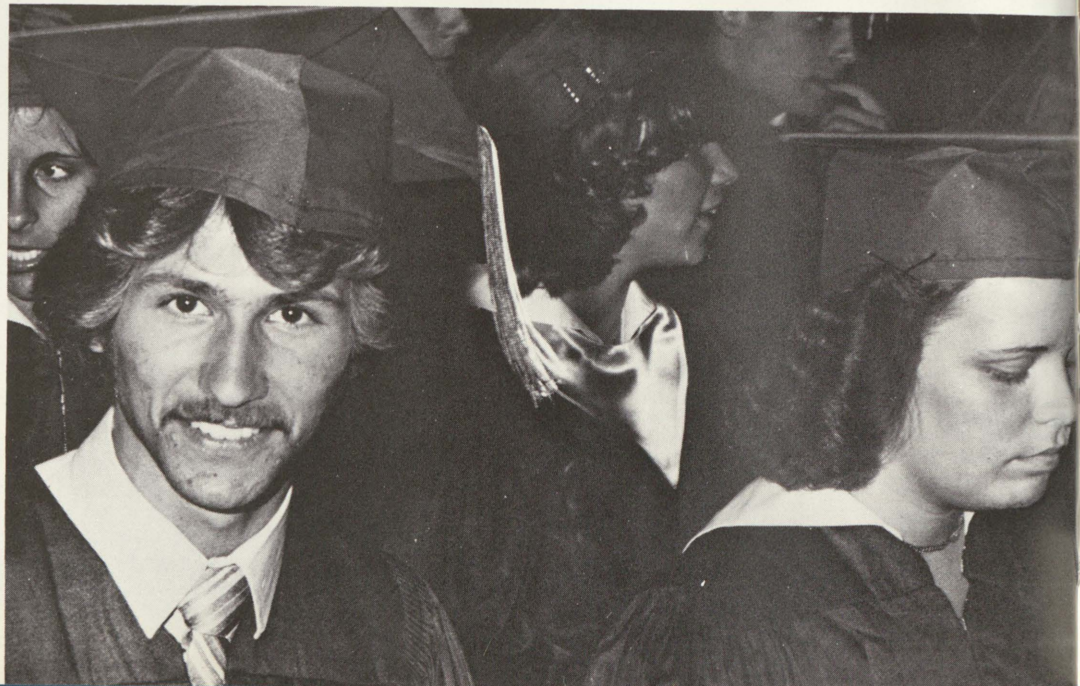
Tears, smiles, anxiety, and fear were the emotions and expressions that filtered through the gymnasium on commencement evening, a final anticipated step for the 1980 graduates.

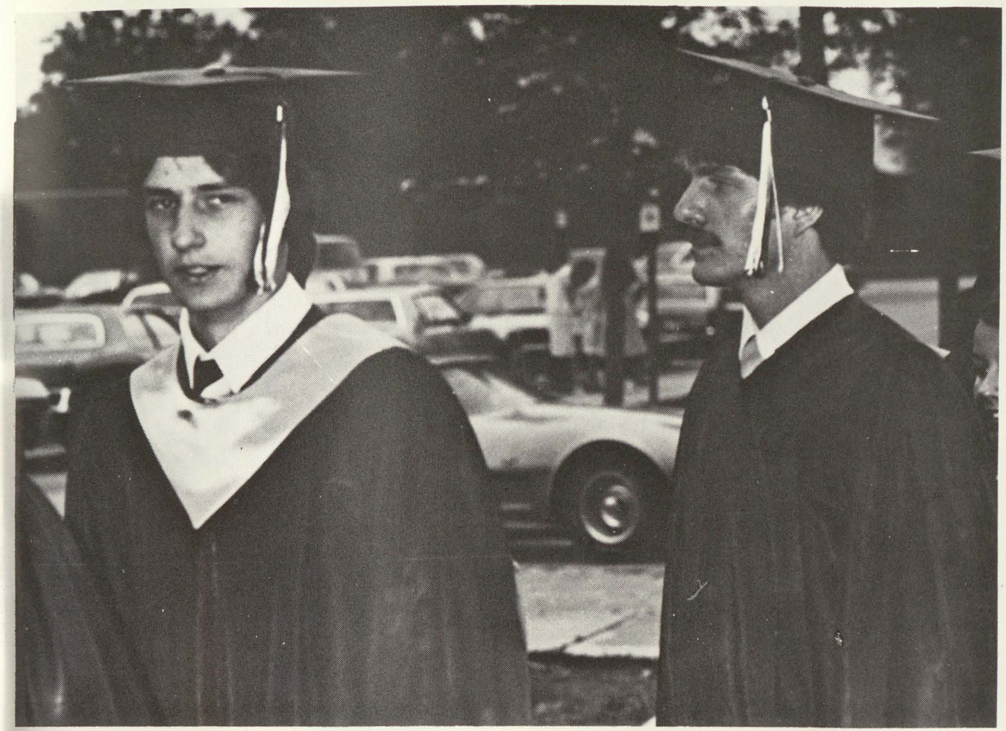
The exercises held on June 5, started at 7:30. Curt Crimmins read the invocation and welcomed all the guests. Roll call was read by Sally Heidger and Susan Sims. Graduates Laura Becker, Terri Holloway and Sheri Pastirzyk gave formal speeches and Triple Trio was featured in the program, along with Concert Band.

The night was highlighted by the Athletic Association's announcement of the Oscar B. Huyghe Scholarship Award. The scholarship is $1000 to the

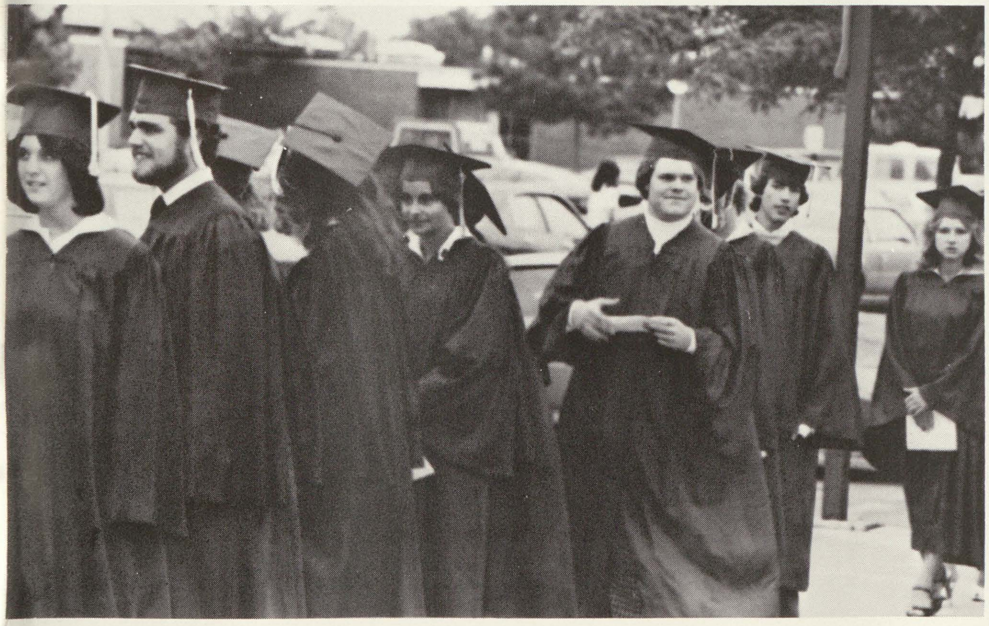


(clockwise) Sally Heidger smiles after receiving her diploma and reading the roll call. Everyone expressed their emotions in different ways; Phil Abbenante wore a grin through the whole exercise while Kelly Ackerman took time out to reminisce on many memories. Dan McConnell accepts a handshake and his diploma with pride and joy.





outstanding boy athlete and scholar, and $1000 to the outstanding girl athlete and scholar. Mr. Huyghe was overwhelmed by the announcement and the standing ovation; it was a very warm reception to Mr. Huyghe who is retiring after 15 years as principal. After the diploma presentation the tension was eased, and seniors left the gym with many memories behind them and important decisions ahead.



(Above) John Czolgosz and Gary Daly think about last minute preparations before entering the crowded gymnasium. (Center) Everyone was touched by the speeches of their fellow classmates. (below) A smile from Dean Bradley helps relax the tension felt by everyone just before their final moment.

FINISHING FOUR YEARS

THE GRAND FINALE!

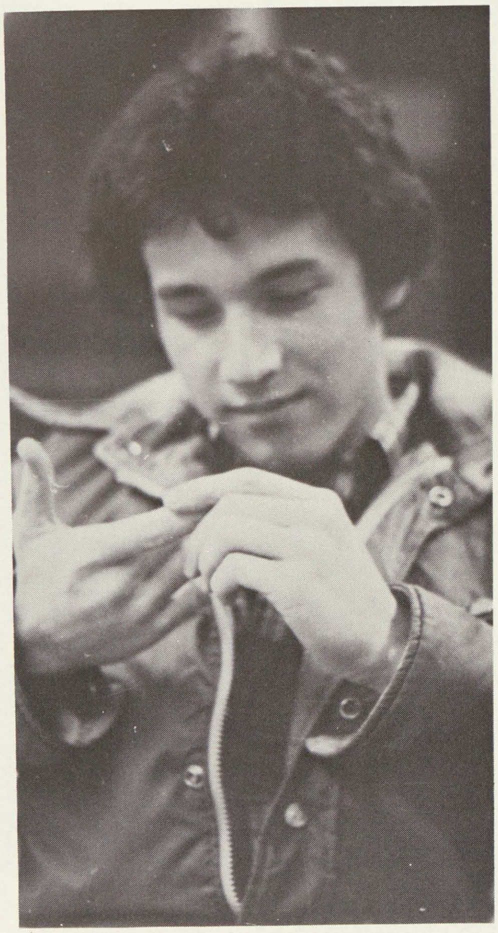
The class of 1980 enjoyed many activities this year. They began with a trip to Florida over Easter break. This was followed by the Senior Honor Banquet. The Senior party started off graduation on May 31, and Baccalaureate on June 2 followed that. Finally, Commencements, the finale for the seniors, were June 6.

(left) After the Mock assembly, the last issue of the "General News" was presented. Laura Becker and Terri Holloway enjoy their copies. (right) Dave Mayer and Rich Baskins offer a security guard a piece of pizza. (below) Terri Holloway accepts an award at the Senior Honor Banquet.

KEEPING UP GOOD TIMES

The Junior class consists of 301 students. The all girl class council has put on a number of bake sales and candy sales as well as a dance, with profits going towards their main objective, sponsoring the Junior-Senior Prom. The Homecoming float was built at Kathy Platko's house and brought the juniors a second in the annual float competition.

In spite of declining enrollment in the township schools, enrollment has only decreased by seven students in the class of '81.



(above) Front row: Treasurer Sara Mikesell, Sally Sears, Jamie Tramitz, Patty Lea. Second row: Sue Schmidt, Stacey Milionis, Sally Schirmer, Vice President Cathy Bow, Secretary Jody Thick. Third row: Kathy Law, Terri Diffin, President Jan Pruitt, Laura McMahan, Betsy Neer. (below) Roger Richter uses the original calculator to add figures in Bookkeeping.

THINK SNOW

SKIING

hart
ballet

Freestyle skiing with its beauty, grace, and creativity intrigues Junior Amy Mayne. At age 6, she began ski and ballet lessons and practiced to improve her skills. When a tragic ski accident and six months in a cast prevented her from doing pointe work, a friend introduced her to ballet freestyle skiing. She began taking lessons last winter.

Although Amy hasn't been active in this sport very long, she hopes to be in competition someday. Amy has great skiing abilities and determination.

MOVING FAST

CYCLES

Guts, skill, and coordination are qualities needed in motorcycle racing and Dave Schaffer has them.

Dave has had five motorcycles since the sixth grade when he first began riding.

Although there are many kinds of racing, moto*cross is his favorite. He races at many places such as Baja Acres and Rolling Hills.

The only requirement to race is to an American Motorcyclists Association card since there is no age limit.

Dave has a variety of interests besides motorcycles. He plays football for MacArthur in the fall. He snow skies in the winter, and in the spring and summer he keeps in shape by long distance bike riding to northern Michigan.

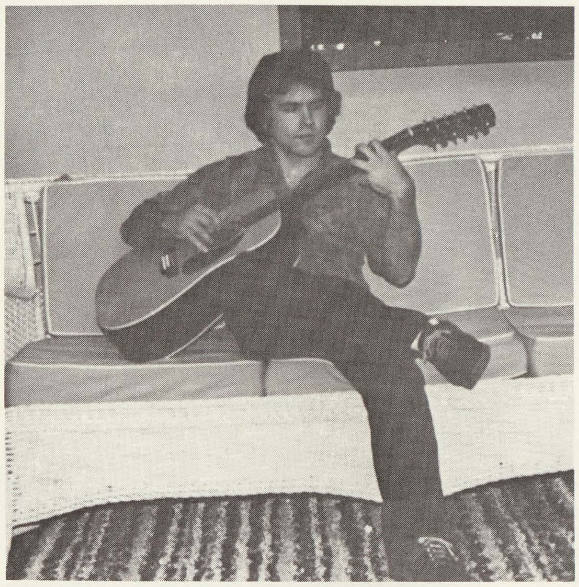
ENTERTAINING

GUITAR



Andy Rank, a junior, is an excellent guitar player. He started playing in the 5th grade at Ottawa Middle School in music class. His brother, Dave, taught him almost everything else.

Andy likes to play country, rock, and hard rock. He practices every day and plays by ear. Some day he would like to make a career out of playing in a band.

He has been in four bands: "Abu Becker," "That One Band," "Tave Snot and the Perverts," and most recently, "Riff Raff."

Baseball and football also claim Andy's free time. Other musical endeavors include playing the piano and the harmonica. And another artistic pursuit of his is drawing.

Andy's last comment was, "I hope to get in a more successful band that tours our area."

SHOWING KEMO

1st PLACE

Have you ever worked hard at doing something for pleasure? Deanne Wilkinson and her horse Kemo have. Deanne shows her horse from late March until the end of September in area horse shows.

To prepare for a day of showing, Deanne must trim and bathe her horse. After bathing the horse she polishes the horse's coat, mane, and tail with Show Sheen Hair Polish.

Of the different classes at a show, Deanne usually enters Fitting and Showing, Western Horsemanship, Western Pleasure, and Bareback.

Deanne quoted, "I have a love for horses and have fun working with them." Her hard work has resulted in more than just pleasure. She has brought home many awards: 14 first place trophies, 28 first place ribons, 2 high point trophies, and more.

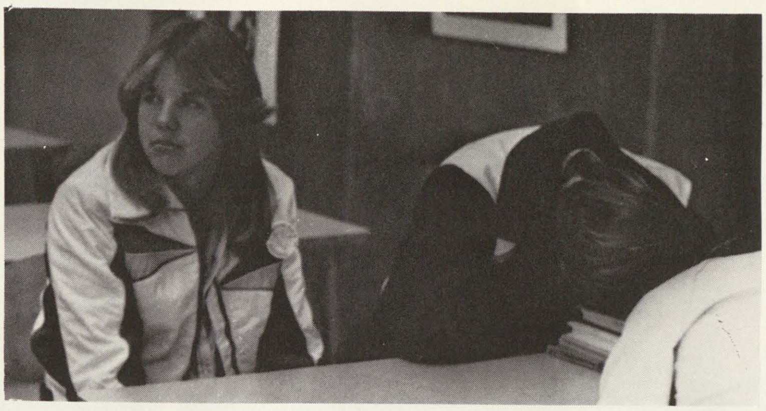
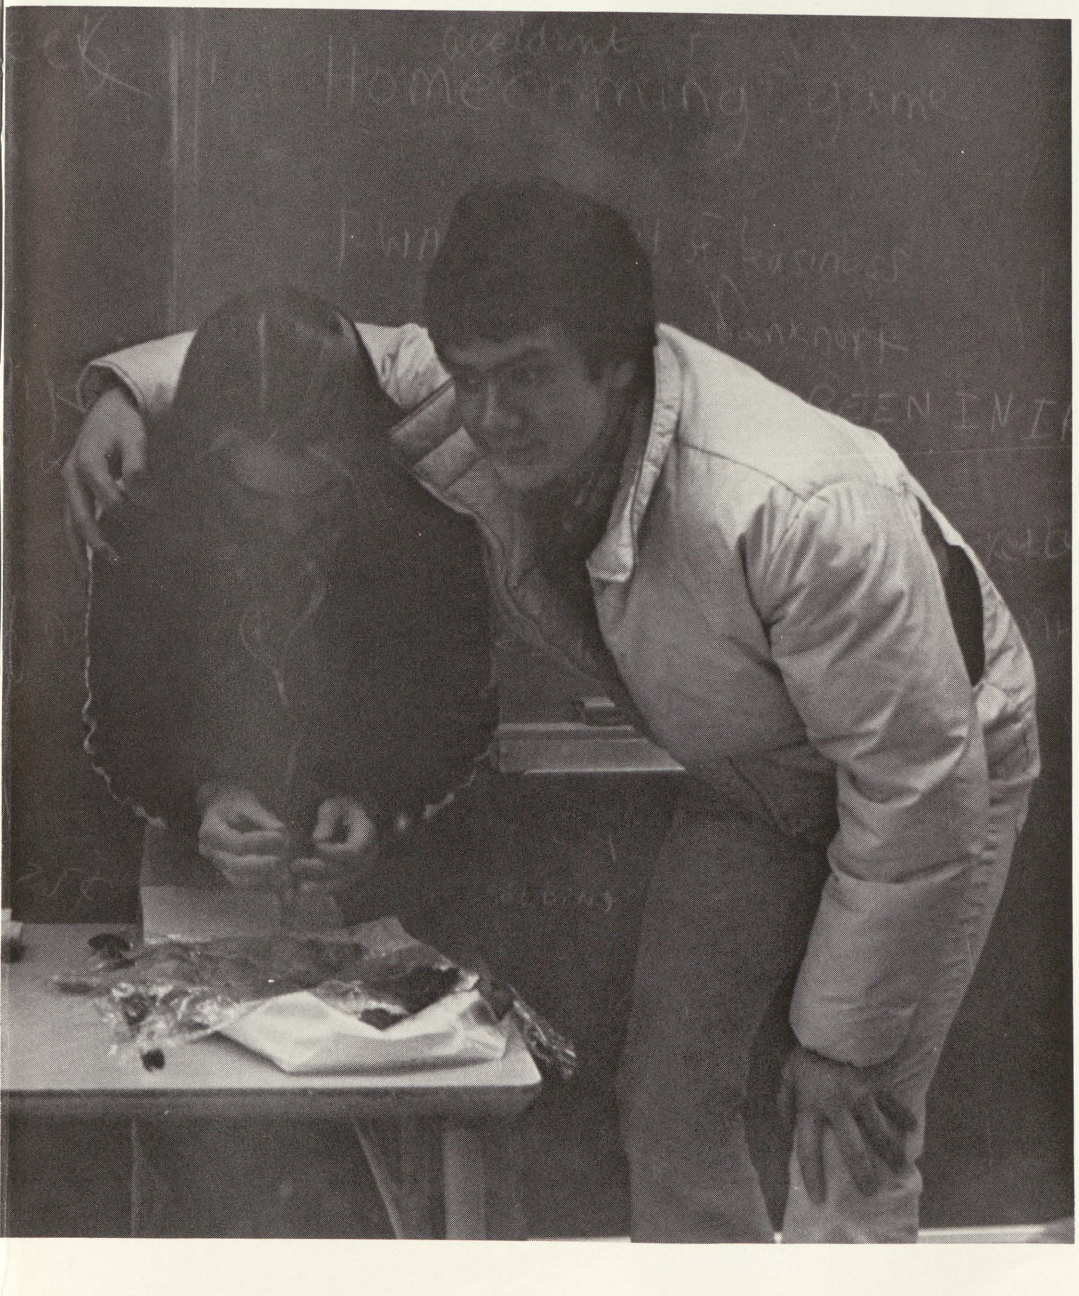
PROMISING FUTURE

OPTIMISTIC



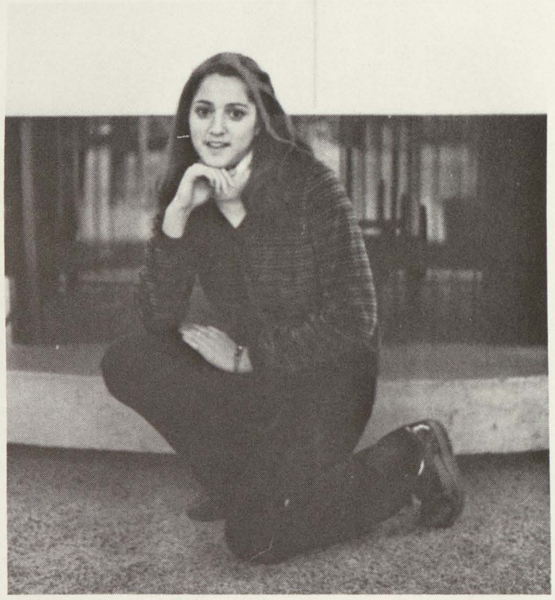


A year of change characterized the class of '82. Sophomores began driver's education and ordered class rings. Spirit was promoted throughout the school by the Sheiks, alias four unidentified sophomores. Of the 306 students 93 made the honor roll, almost one third of the class.

Under class president Donna Spence, the class added more than $300 to the treasury. Activities included bake sales, selling candy canes, and sending valentines. The '82 float placed 3rd in the Homecoming competion, while the sophmores did an excellent job performing the play "Elmer."

(above) The enthusiasm of Mrs. Hunter's 5th hour English shows through Debbie Eischer and Tammy Dorward. (above right) Barb Stoddard smiles as her term paper is finally completed. (right) Chris Sarmiento helps Mary Swartz prepare pizza for her demonstration speech in Mrs. Furgason's communication class.

MODELING FASHION



What's it like to be a model? Just ask two year veteran, Jamey Milionis.

"I learned about make-up, hair, wardrobe, exercise, photographic and runway modeling at the Stepping Stone Modeling School," Jamey said.

Jamey visited New York to see what the modeling world was all about. She went to Seventeen Magazine, but they were looking for blonds not brunettes. Mademoiselle and Glamour were impressed, but she needed an agency and a New York address.

Jamey now models for local retailers in Saginaw such as Jacobson's. She hopes to continue modeling to help finance her education in fashion merchandising.

GOING FOR IT

MX RIDER

"I get a natural high from riding a bike, because you're on your own," said amateur motorcyclist Steve Meyer.

Steve has been motorcycling for 6 years. He rides a 1974 175 MX Yamaha. "I hope in a few years I'll be racing hare scrambles instead of straight out motocross, because you don't have to go through trial heats to qualify in hare scrambles." Hare scrambles are races with a track about two and a half miles long and usually last about 2 hours.

Motocross can get expensive, costing from $300 to $400 a summer, because of the cost of oil and gas.

When asked where he rides he commented, "I'll ride anywhere there's an open field."

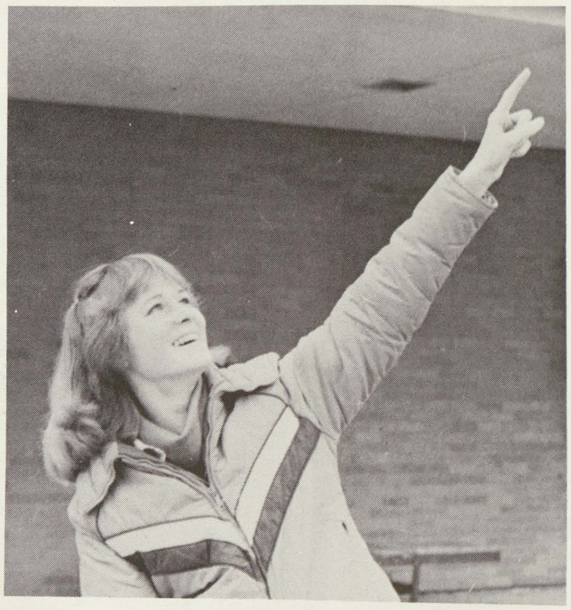
LOOKING OUT
CELESTIAL



Laura Makuch, the name isn't familiar in the world of science, yet . . . but Laura is an upcoming astronomer. She has taken classes at Saginaw Valley State College. She says that she learned much more about the subject . . . stars. Laura doesn't consider astronomy her hobby, she just likes "looking at the stars".

She seems to excel at everything she does. She gets good grades, and is quite knowledgeable about astronomy. When asked about future occupational plans she said "something science related". As the stars expand endlessly, so will Laura Makuch.

FLEEING
VIETNAM

Chao Xiong came to the United States from Laos in 1976. He left Laos in 1975 because of the Vietnam War. Chao moved to Thailand in 1976 and lived in a refugee camp for about a year. Then the Church of Frankenmuth sponsored him to come live in Frankenmuth. Chao flew from Thailand to San Francisco, and then to Chicago. From Chicago he flew to Tri-City Airport. Chao was then taken to Frankenmuth where he lived for about three years before coming to Saginaw Township.

Chao's favorite sport is soccer. When Chao went to Frankenmuth High they didn't have a soccer team. "But I think I've come to the right place, MacArthur," says Chao.

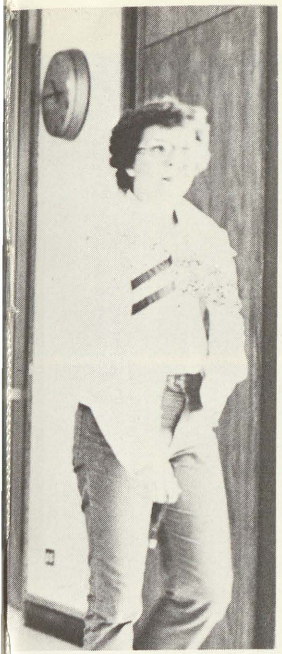
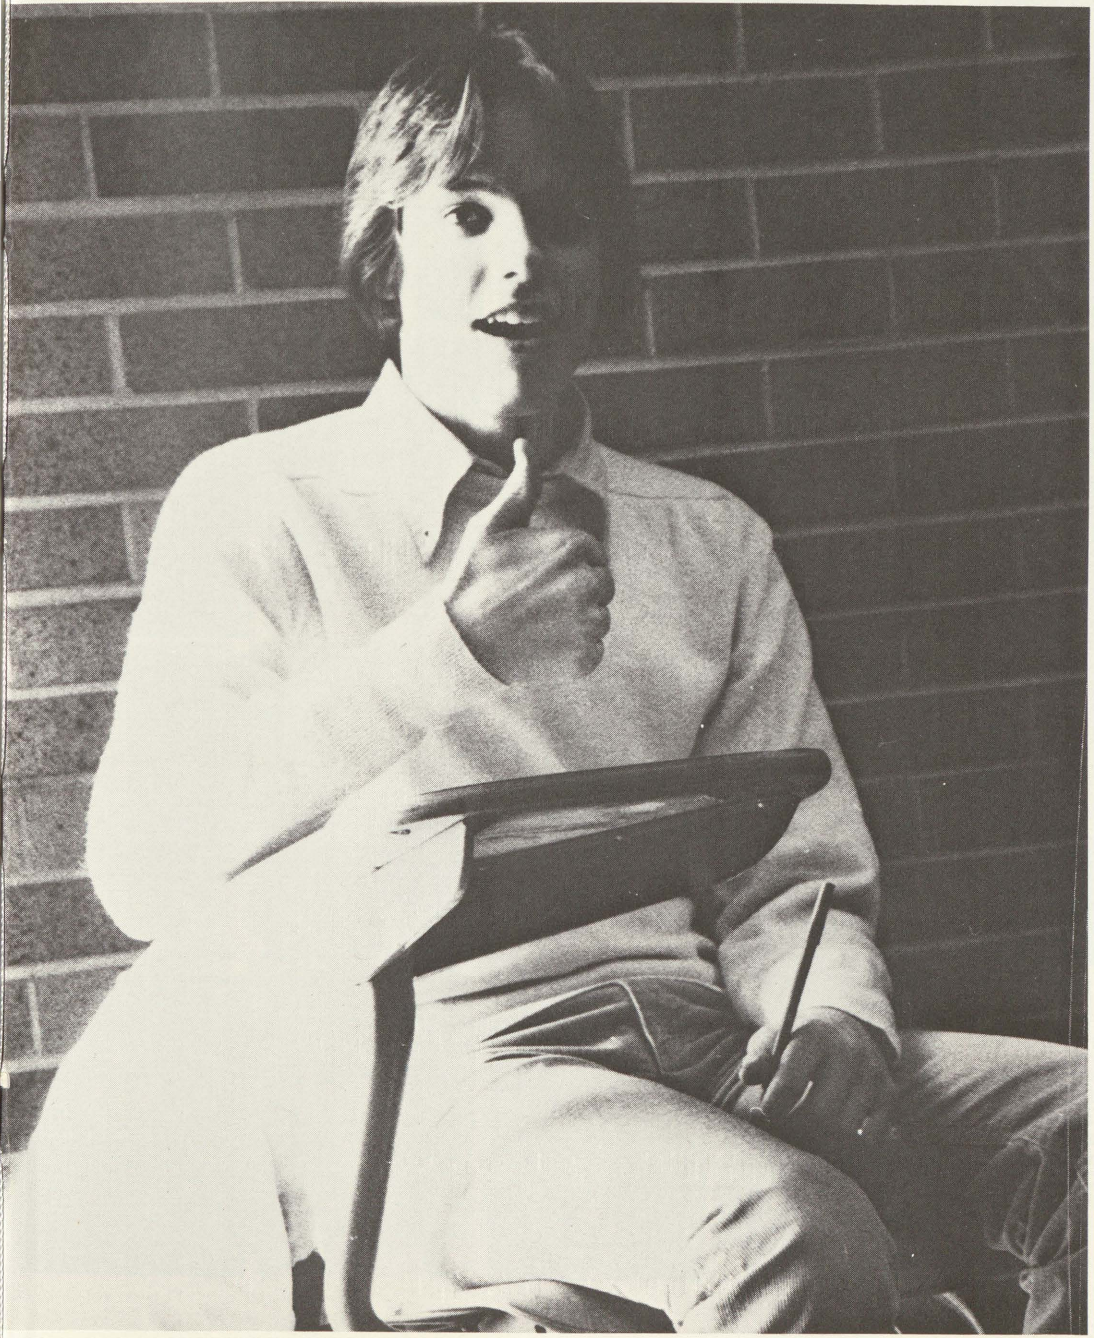
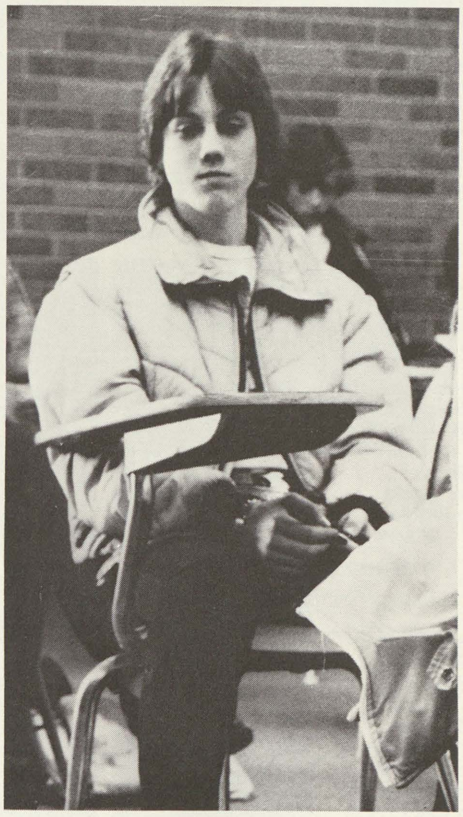
CHALLENGING

SOMETHiNG NEW



The Freshman class of 309 students had many experiences with "Something New". The first pep assembly and the first competition cheer were exciting. The class of '83 had two chances to pass the competency tests, which are requirements for graduation. Eye examinations were given to Freshmen on February 19, 1980, and the chance to order class rings came in the Spring. Freshmen class council has had a few bake sales and candy sales. They have also had a dance to raise money. They also sponsored the competition play, "Sorry Wrong Number".





(above left) Cindy Dubay puckers for the photographer. (left) Doug Fox says "All right! No homework." (above) Final exams take their toll as Scott LeFevre waits for the dismissal bell.

CLASSICAL

ARTIST

Expressing her talent is Vivian Yu. Vivian has been playing piano for a little over seven years. Her favorite music to play is classical and contemporary. Vivian has had many performances including the Germania talent competition in which she won fifty dollars. She has also participated in the Musical arts competition sponsored by Musical Arts Inc. of Saginaw.

In addition to the practice time needed for her lessons at the Dershan Fee School of Music in Midland Vivian plays for her own personal pleasure. The violin is another instrument that Vivian is mastering. With the dedication that these interests require it isn't surprising to find that Vivian has a grade point average of 4.0 also. A talented freshman is Vivian Yu!

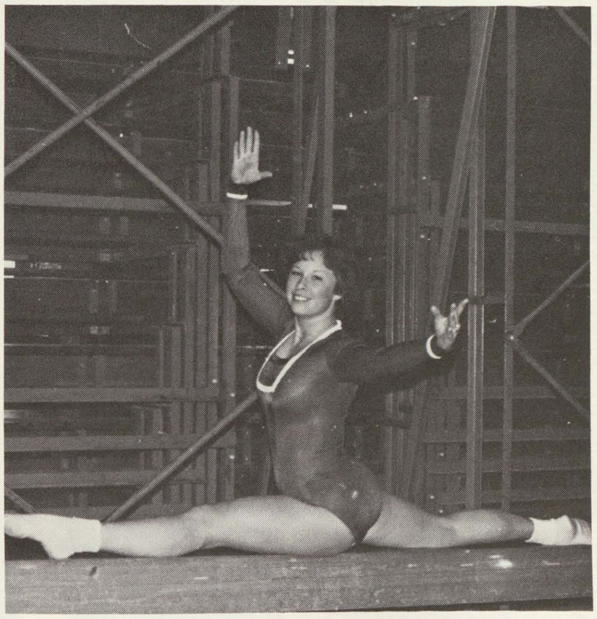
FLEXIBLE
GYMNAST



Gymnastics takes a big part in Sally Lawrence's life. She became interested in gymnastics by doing acrobatics around her home. Sally has been taking lessons at Gym Jesters for a little over four years, practing on the average of nine hours a week. She has praticapated in several gymnastic meets around the State. Sally has won many ribbons including fourteen blue, and countless other ribbons. Her specialty is the parallel bars. One future goal of Sally's is to participate in the State meet in Lansing in October 1980.

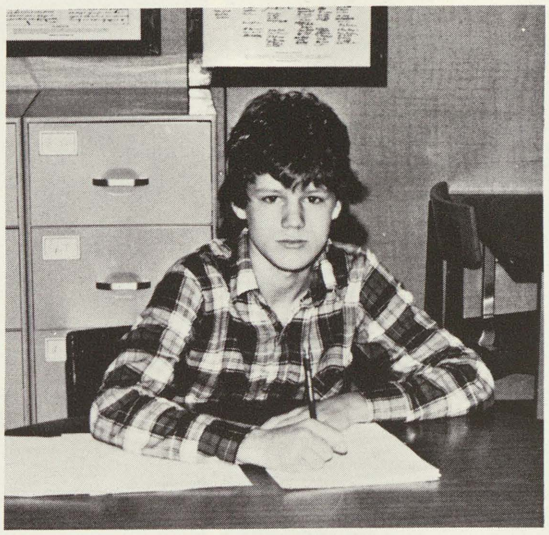
CREATING SCRIPTS



Lights! Camera! Action! Dave Richards has an unusual interest that could end up in a career: writing screenplays. Interest and the possibility of one day being paid for writing has kept Dave working since he was ten. His first screenplay is about a champion boxer entitled "Monzon II." After sending the script into ABC, Dave received a letter saying he needed an agent. He then got together a cast and crew himself and decided to shoot the play here with video tape. If "Monzon II" works out, Dave's future may be in the movie industry.

VALUABLE COINS!

Finding an 1883 coin started Dann Schoenmeyer into a valuable hobby. He started his collection five years ago at Camp Timbers, where he found an 1883 coin, valued at twenty dollars. Dann kept collecting coins and added many to his assortment. He now has Indian head pennies, buffalo pennies, silver pennies, wheat pennies and an 1875 three cent piece. Dann bought most of his coins at Fashion Square Mall. He said he looks mostly for older coins in the eighteen hundreds. He likes the current value of coins because they also increase the value of his collection. Dann plans to keep collecting coins in the future.

BEING ACTIVE

VARIETY

The spice of life for Anne Kelley who pursues a very active life. She rides horses, sings, does art work and acts. Ann has been riding horses since she was about five years old. She rides a couple times a week in good weather. Ann also has been singing since she was eight years old. Broadway hits and slow rock are her favorites. As for performing arts in addition to singing, Ann enjoys acting. She performed in the competition play, ''Sorry, Wrong Number.'' Pastel, charcoal, and pencil sketching and sculpting are other artistic activities that Ann is involved in. Ann has many other hobbies such as piano, cheerleading, and downhill skiing, which keep her a very busy person.

Rebuilding airplanes has been an interest of Mr. O'Dell since he was a tennager working at the Harry W. Browne airport. "It takes a lot of time and effort to build a plane," explains Mr. O'Dell who is working on building his fourth airplane, an aero-master. He has also rebuilt three other planes. Although an exspensive venture Mr. O'Dell sells his planes to make money to reinvest in his next project.

Besides plane construction, Mr. O'Dell enjoys piloting as well. He rebuilt a 1946 Stenson which he uses for travel as well as for pleasure. He has traveled to places such as New York, Wisconsin, Ohio, Iowa, and Tennessee. He said he can travel about 4 hours on a 40 gallon tank with a one-half hour reserve.

He enjoys sharing his experience with others. For a time he taught an aviation science class at MacArthur.

Other interests of Mr. O'Dell include performing on the pipe organ and electric organ. History and Economics are also time consuming activities.

Showing dogs is how Mrs. Mazany spends her spare time. Her Norwegian Elkhound's registered name is Champion Titanic Black Russian C.D., but she calls it Heimdal. An average Norwegian Elkhound costs between $200 and $250. She would like to breed her dog some day, but it is a competitive business.

Almost every weekend, Mrs. Mazany travels to a dog show. She has gone as far as Virginia but tries to stay within a six-hour radius of her home. The day before a show she has to groom, wash, and brush the dog which takes about ten hours. Some of the prizes that she has won are platters, dishes, money, trophies, and ribbons. Besides showing dogs, Mrs. Mazany enjoys cooking, sewing, and skiing. Mrs. Mazany said, "This is not a profit making hobby. It's really an ego trip!"

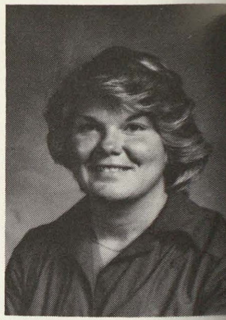
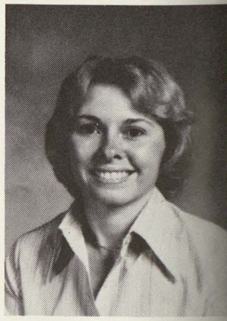
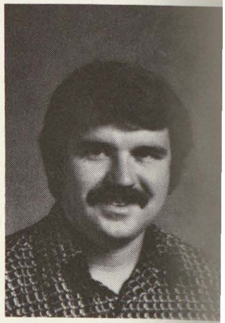
Mr. Scherzer, the auto mechanics teacher, has a great interest in antiques ranging from automobiles and guns to watches and coins. He is mostly interested in restoring cars and trucks. Mr. Scherzer has rebuilt many automobiles. One is a 1930 "Model A" which he would like to rebuild again since it has been 20 years since he has rebuilt it. He has also restored a 1956 Jaguar Roadster, and a 1948 GMC truck. He is presently working on a 1924 "Model T".

To restore an automobile it takes much patience and time. Mr. Scherzer must restore the body and almost completely rebuild the engine.

Mr. Scherzer also has three other automobiles he wants to restore; a 1952 Dodge sedan, a 1956 Ford truck, and a 1946 Dodge truck. He really enjoys making his antiques look like new.







R. O'Dell

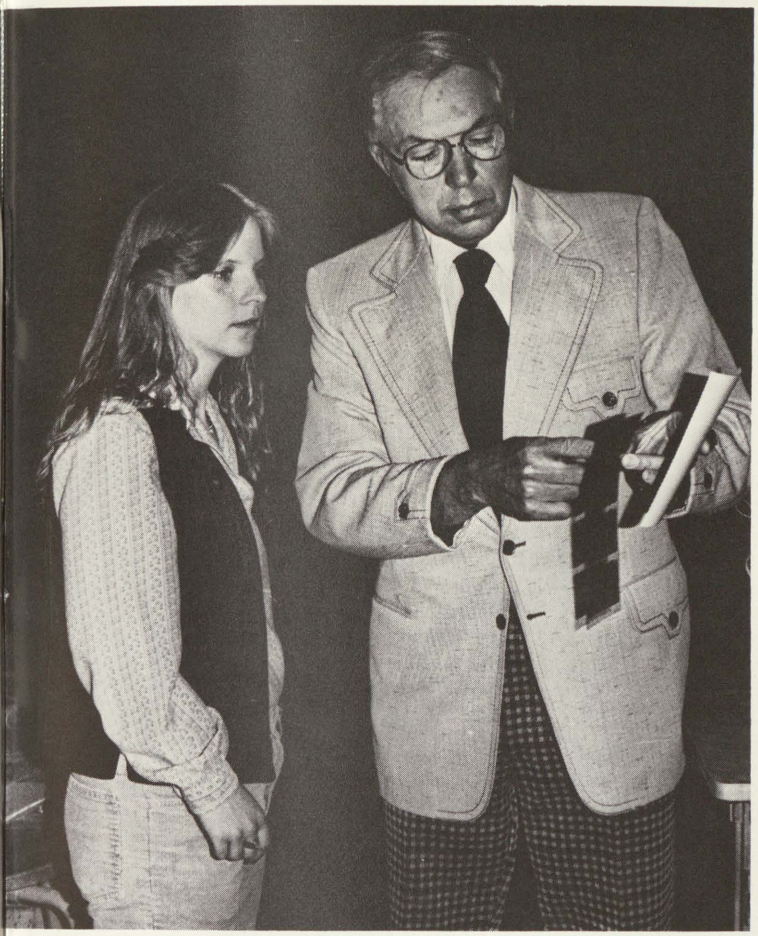
M. Remer



Photography is Mr. Zittle's hobby. He takes pictures for weddings, the Kiwanis Club, prom pictures, and all sports team pictures. He also takes excellent pictures for the yearbook. Because of his love for photography he has been a great influence on others who have pursued photography as a career.

He started photography after he was married and had a family. Mr. Zittle prints and develops all of his own pictures. Retirement to Florida and working in photography is something he has considered.

"Photography is a retreat to get my mind off things. It's relaxing and I like to take pictures when I'm depressed. If I didn't have photography to turn to when I'm depressed, I'd go crazy!" laughs Mr. Zittle.

Fishing, golfing, and cookouts are other activities that Mr. Zittle enjoys.

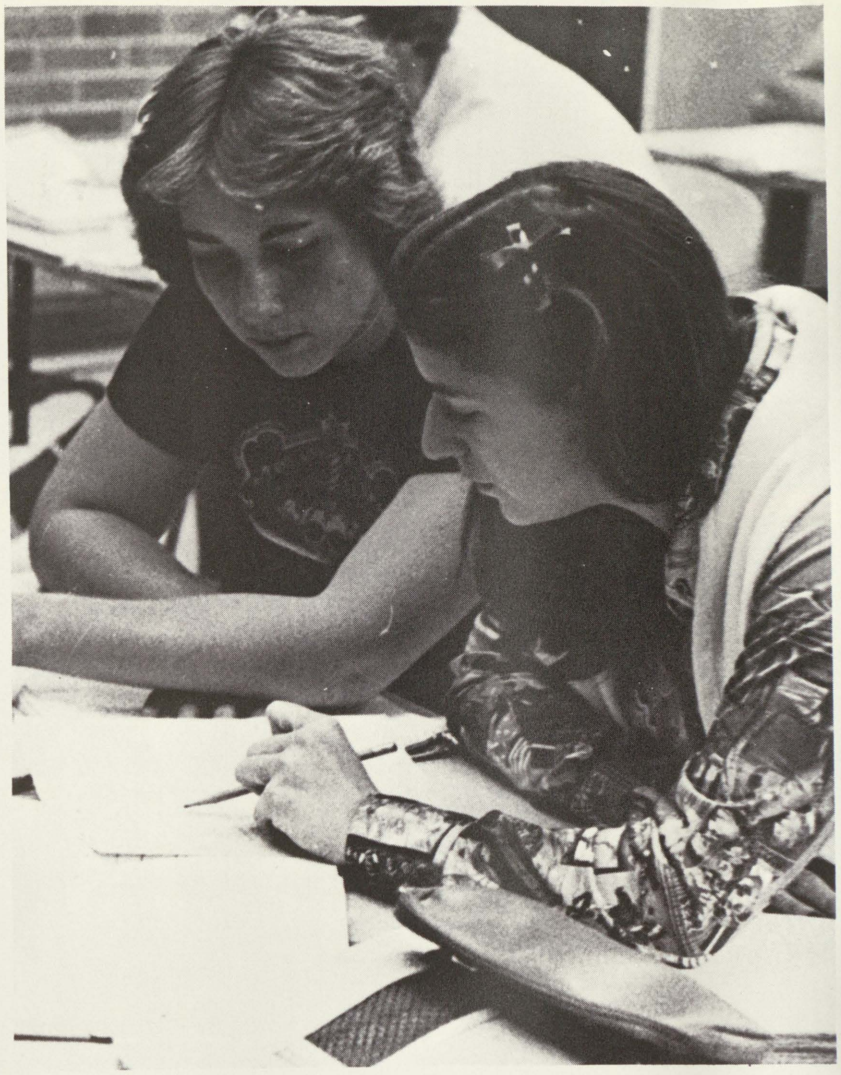
UNIFYING

EARTH & SPACE

The Chemistry-Physics section of the science department, taught by Mrs. Schultz, Ms. Burnham, Mr. Skillman, and Mrs. Douglas, is one of DM's biggest and most important sections. If one doesn't go into a science-related field, he can learn more about the way he lives.

The courses offered are: Basic Chemistry, Chem. I, Chem. II, Physics I, and Physics II. Chemistry classes spend one-third of their time in lab. Physics does conduct experiments, but not as extensively as Chemistry. Physics teaches the laws and principles which help a student understand his physical surroundings. Chemistry students learn all of the major concepts of chemistry including gas laws and chemical properties. Both courses require a knowledge of mathematics. (above) The results of a solutions experiment in Chem II classes sit on the shelf while students await the reactionary process.

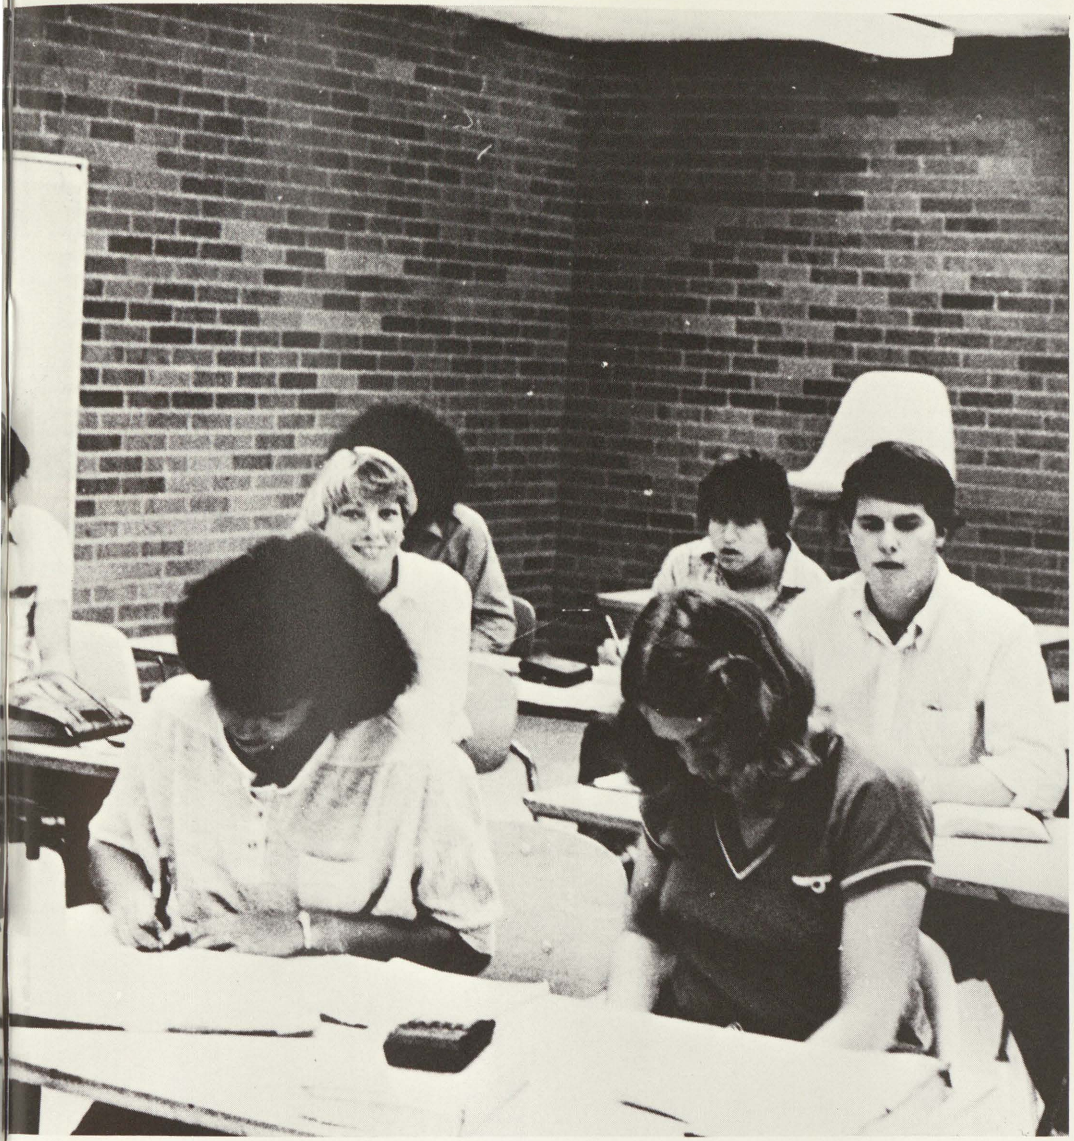
(clockwise—left) Jody Smith prays for no homework in Mrs. Hunter's class. Jill Fromm shows Diane Lobsiger how to work out the problem. Making up the Academic Olympic team are Coach Hunter, Kevin Murphy, Scott Hanton, Haesim Park, Cliff Todd, Sheri Pastirzyk, Pat Henagan, Tom Richardson. Robert Walters, the first Vice-President of Kiwanis of Northwest Saginaw presents Peter Connolly the award as Mr. Huyghe proudly looks on.

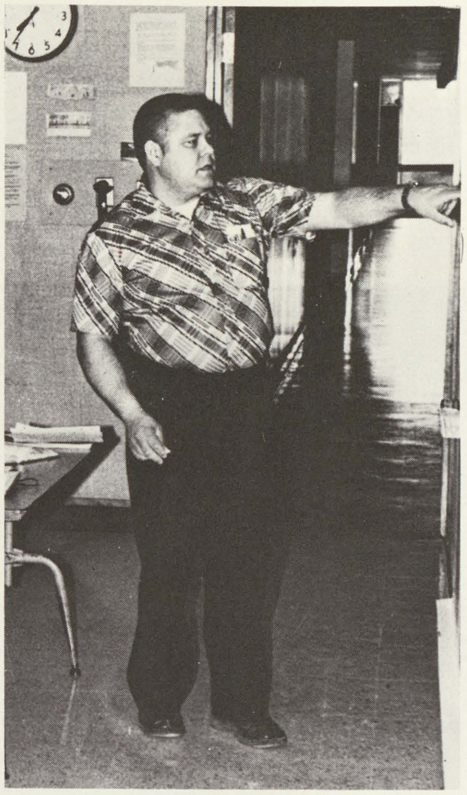


KIWANIS CLUB
DOU
MACARTI

ACADEMIC

CLASSICS: MATH & ENGLISH





English had added two new teachers to the staff this year. Mrs. Makrianis who is teaching communications and Mrs. Tutera who replaced Mr. Doane. Something for everyone is the motto of the math department. They range from Algebra II-Trig. and Pre-Calculus, to basic math.

DM is very proud of the students on the Academic Olympic team. Their opponents were Eisenhower, St. Peter and Paul, and Saginaw Valley Lutheran. DM was victorious in the rematch against Eisenhower making them the overall champs.

(above) Mr. Garn points out a solution to a problem in Pre-Calculus. (left) Stacey Milionis and Janice Gonzales work hard in their Pre-Calculus class. (below) Mrs. Hunter, famous for her unique expressions, gives her class their daily assignments.

FINE ARTS

CREATIVE DESIGNS

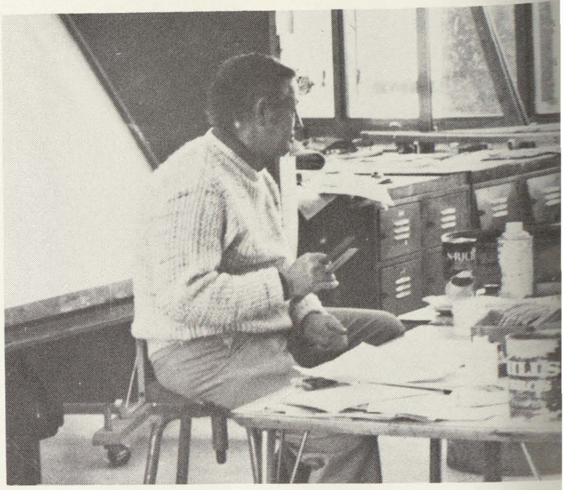
From basic drawing to advanced art classes, MacArthur offers many different angles for different levels of skill.

Students participating in Art I dealt mainly with basic drawing, sketching pictures of humans and objects. Art II is more advanced and includes drawing, jewerly design, and ceramics. In Art III, students were able to experience different types of media with ideas of their own.

Art classes display their talents in two art shows a year and also participate in the MacArthur Festival.

Under the direction of Mr. Copp, who has been teaching art for 15 years, students worked independently in the semester long courses. When asked about outstanding students Mr. Copp indicated that every day a different student will excel.

Students gain knowledge in the different medias. Some are working toward an art career and others may specialize in a craft of some kind.



(clockwise) Mr. Copp stays behind the desk, letting the students do their own thing. Jodi Hebl, an Art I student, carefully sketches the mouth of her human like drawing, using colored chalk. Todd Culver and John Arlt work diligently to get their assignments complete before the end of the hour.

(clockwise) Greg Laatsch sets out his necessary tools in preparation for another day in Art III. Concentrating on his work, Ernie Klajo puts the finishing touches on his project. Todd Cassio seems glad it's the end of the hour except he has to clean up his painting tools before leaving.

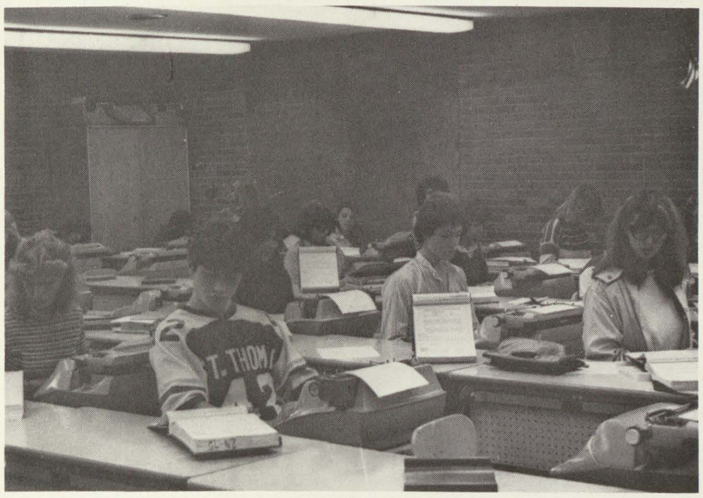
PREVENTION

(clockwise) Congressman Traxler answers a few questions from some students in American Government Class. Shelly Hosford and Joe Karkut stand by a display for Retailing Class. Mr. Skillman watches as Becky Dewald and Andrea Duke perform CPR on "Recessive Annie" to pass their Health Ed Class. Barb Byer and Mike Brown find something amusing in their Accounting class.

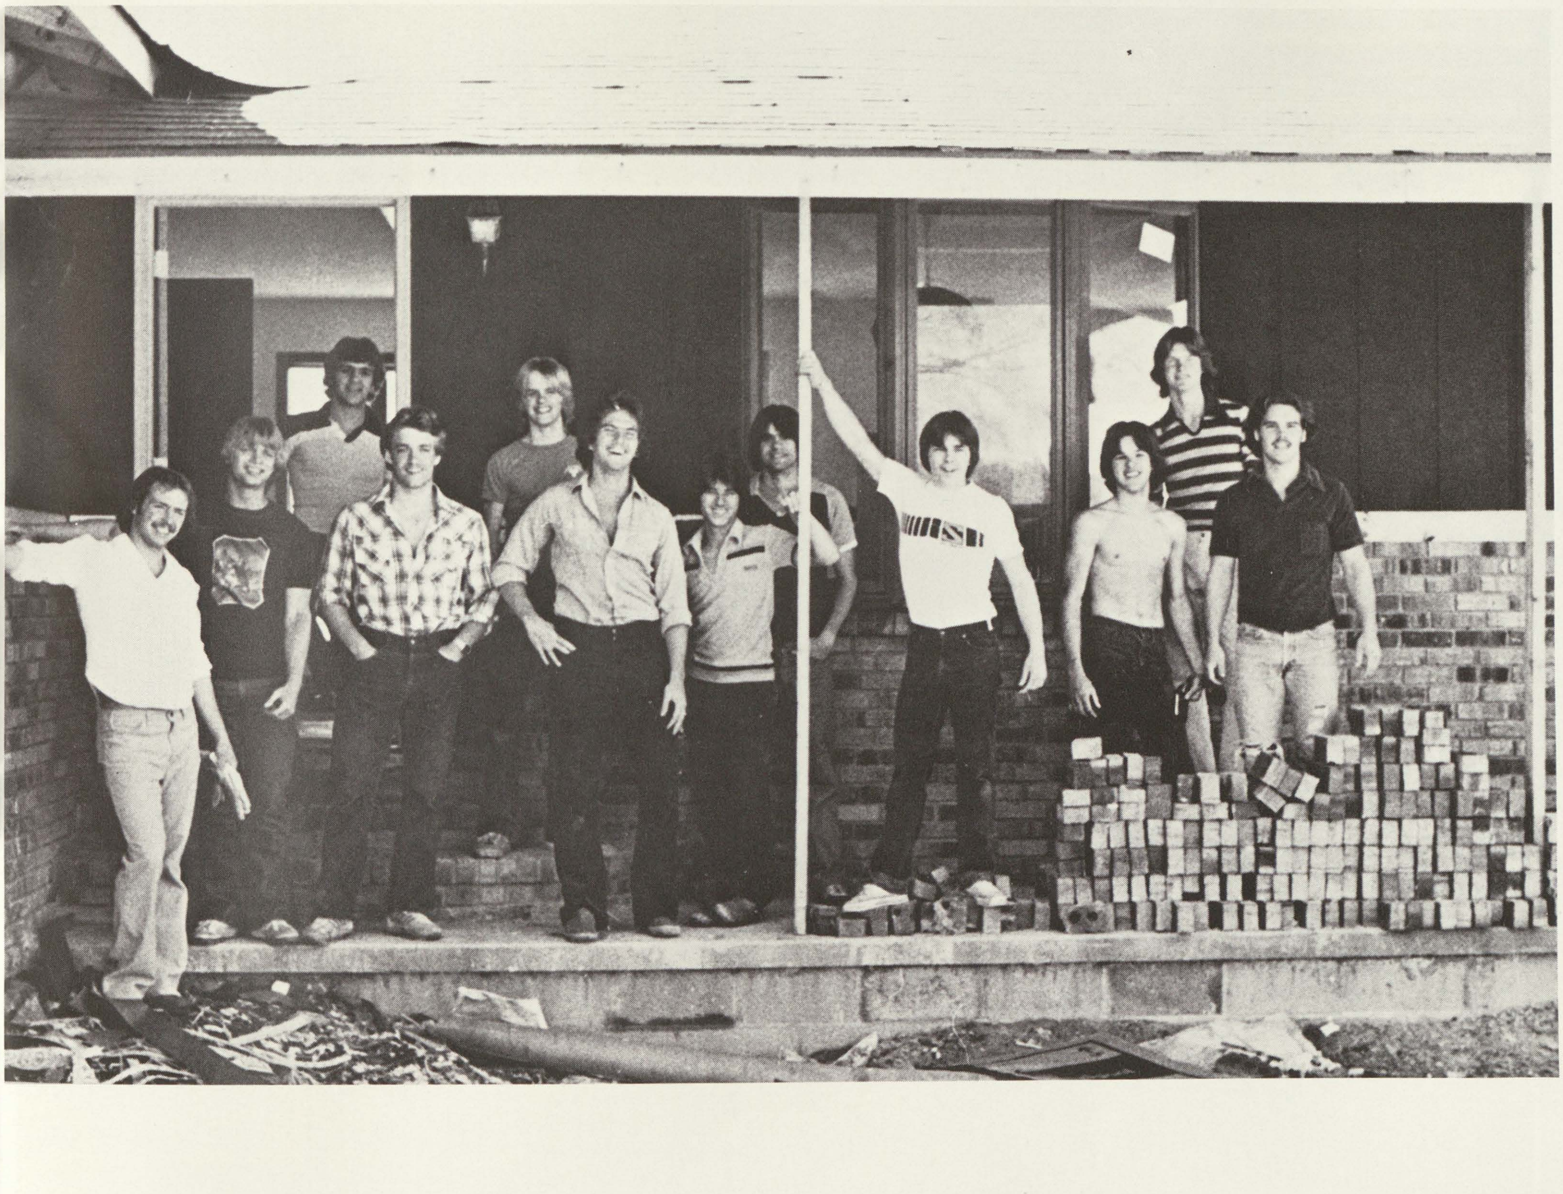
ACADEMIC CANDIDS

SKILLS: TO MASTER



There are over forty academic classes available to the Douglas MacArthur students. They range from classes in homemaking and home construction to an auto mechanics or a Technical Drawing class. These classes help the students improve skills and techniques for the jobs some hope to achieve.

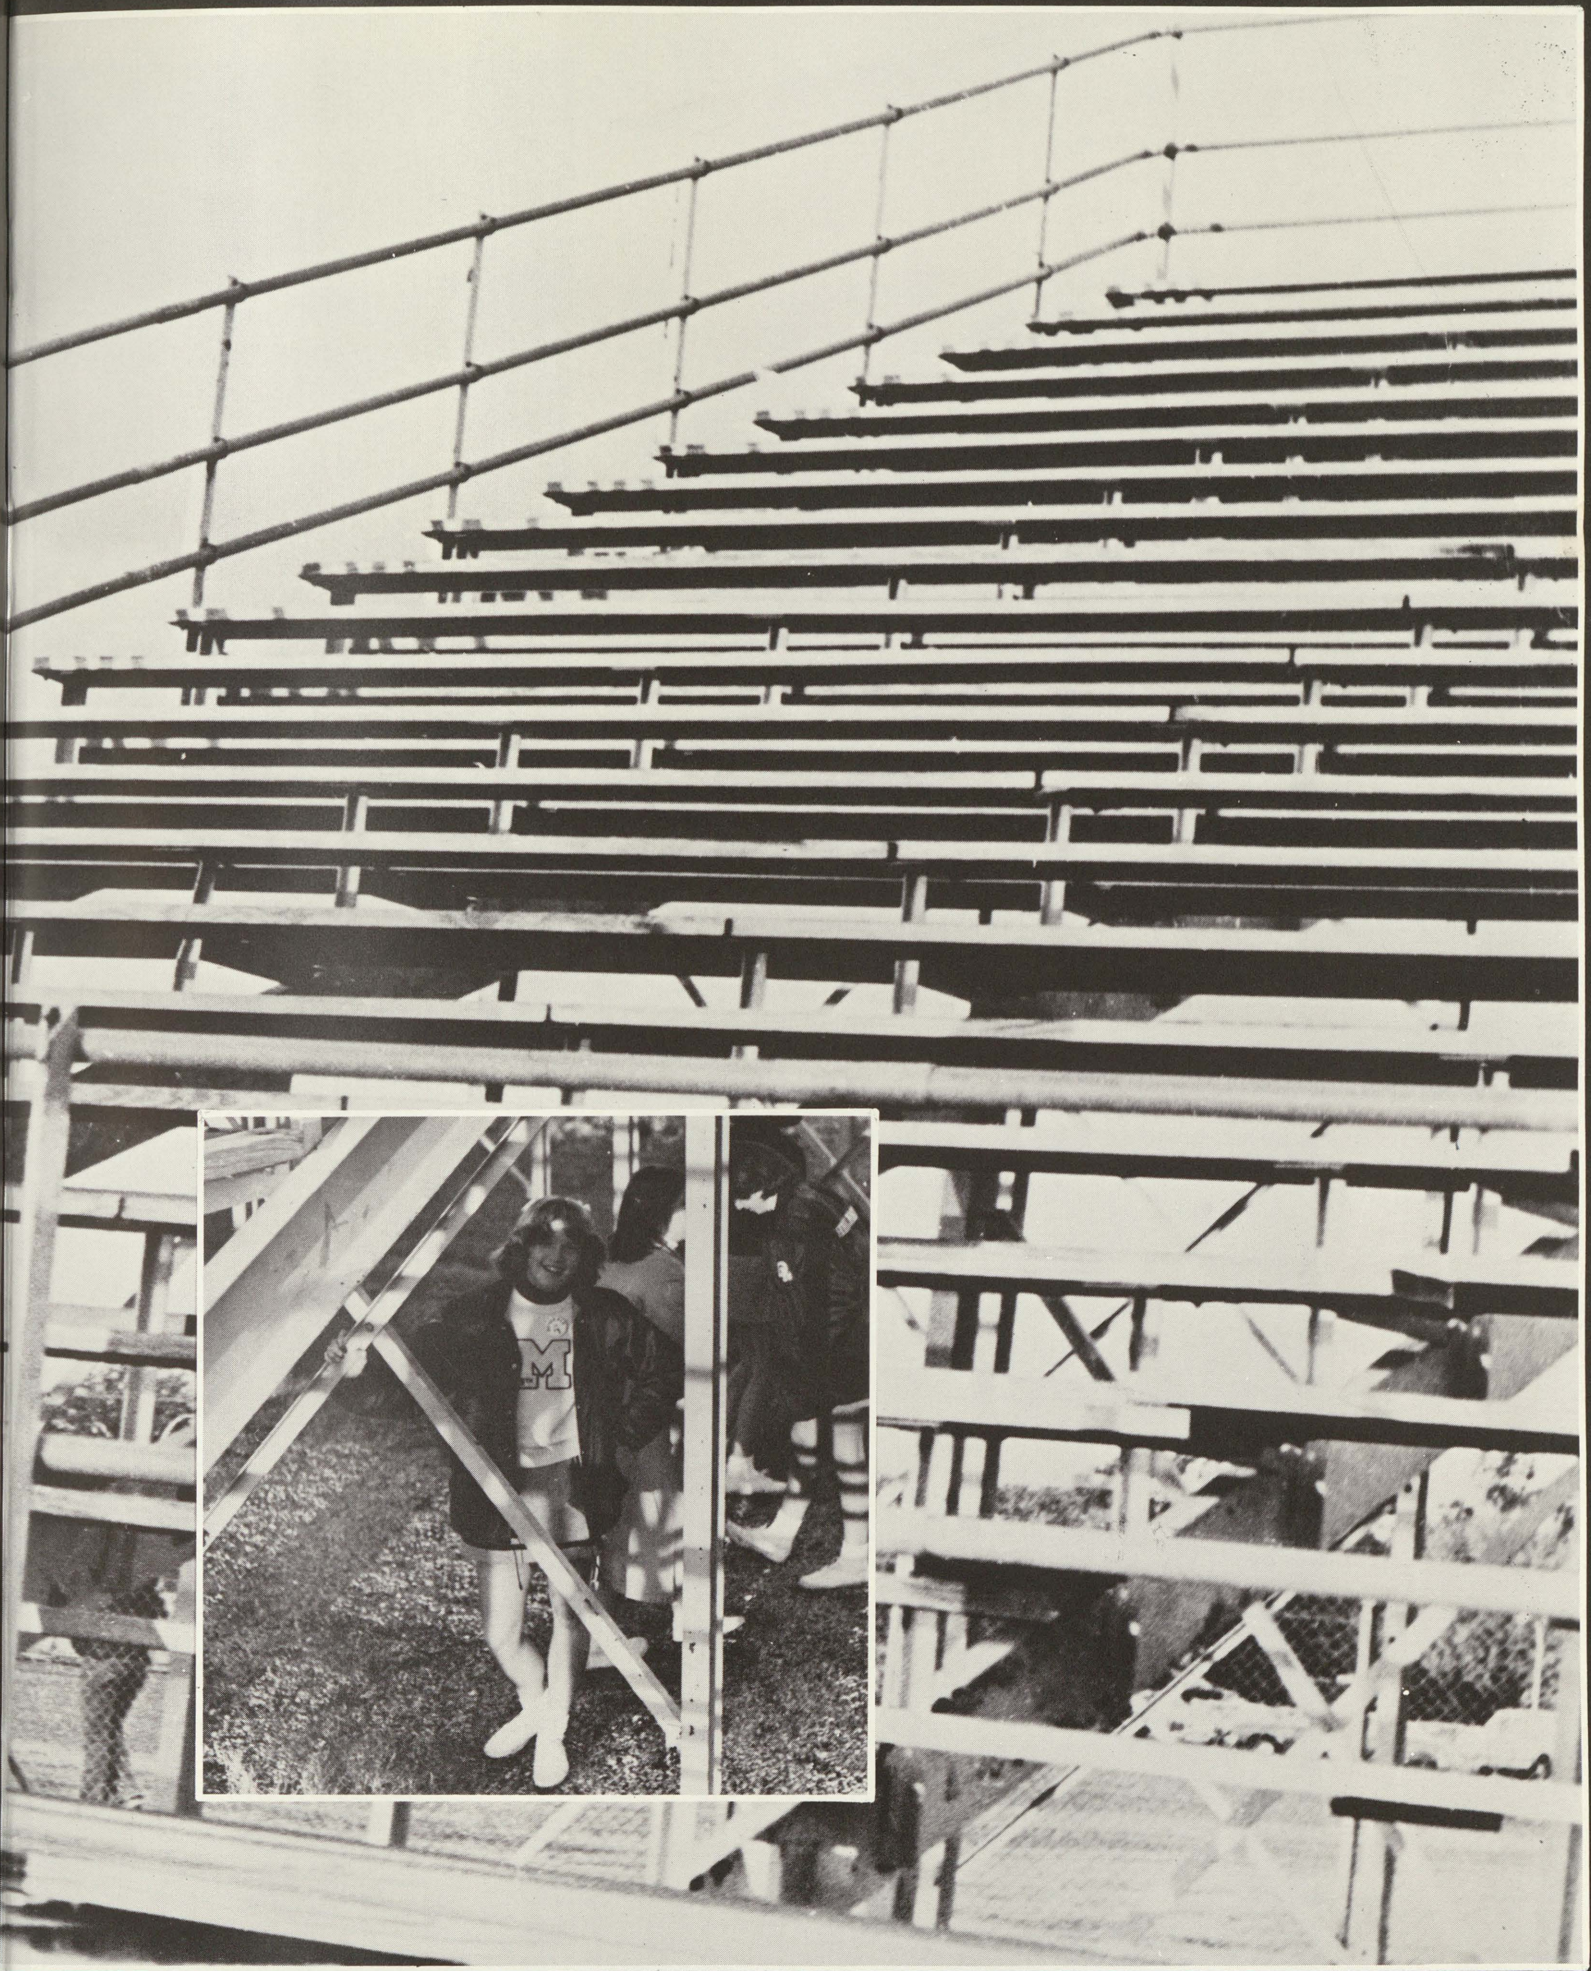
(left) Sue Szeman, Scott LeFevre, Butch Call, and Diane Rooker work on an assignment in Mr. Rush's class. (below) The home construction class stand by a partially finished project on Shattuck Road. From left to right is Steve Maier, Dave Johnson, Kevin Eaves, Gary Gill, Tim Johnson, Brian LaFray, Steve Kwaiser, Jim Salamon, Tom Boyd, Dave Mayer, Pat Edgley, Jeff Mondoza.



SPORTS
REPLAY

What does it take?

Many people pool resources for our sports program. Coaches organize and teach, the Athletic Director plans and arranges, and the players practice and perform. Many people go thankless for their support. Managers, videotapers, and fans are a few of the uncredited many.



RUSHING FOR YARDS

AMBITION

Douglas MacArthur's Varsity Football Team can be proud of its 1979 season. Despite strong opposition from regional adversaries it accomplished a notable 7-2 win-loss record to capture a respectable second place in the White Pine Conference. Under the direction of Coach Skillman, Asst. Coaches Boyd and Rutledge the team generated several candidates to the All-Conference and All-Area teams including some All-State Honorable Mentions.

(right) Rich Baskins is tackled after a great play by our offensive team against Hemlock. (below) Asst. Coach Boyd talks with player Dayne Beal. Instead of passing Quarterback Mike Leibinger makes a run for the first down.

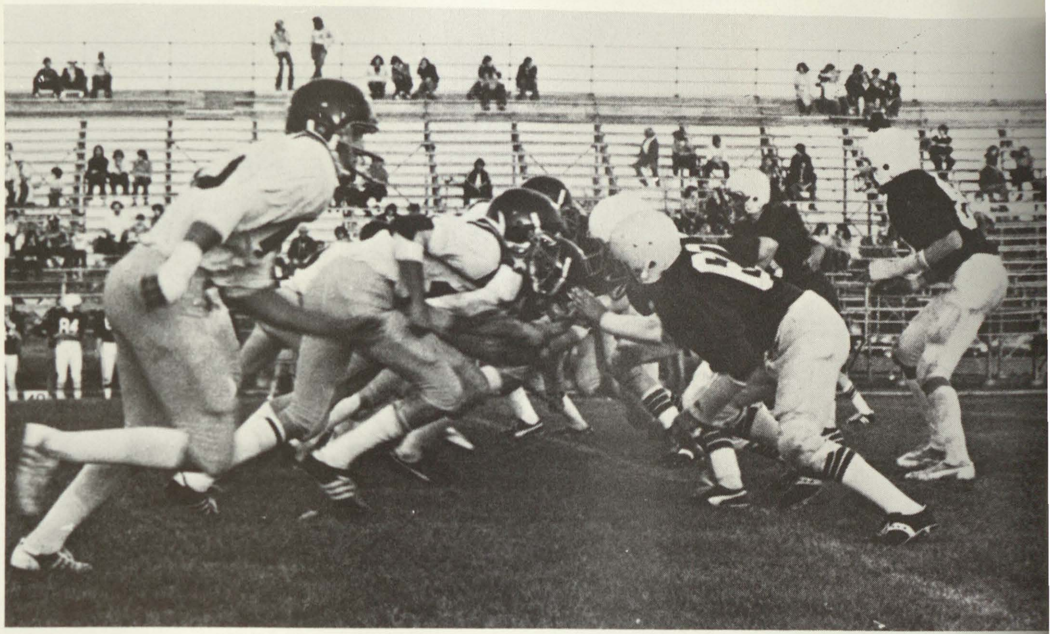
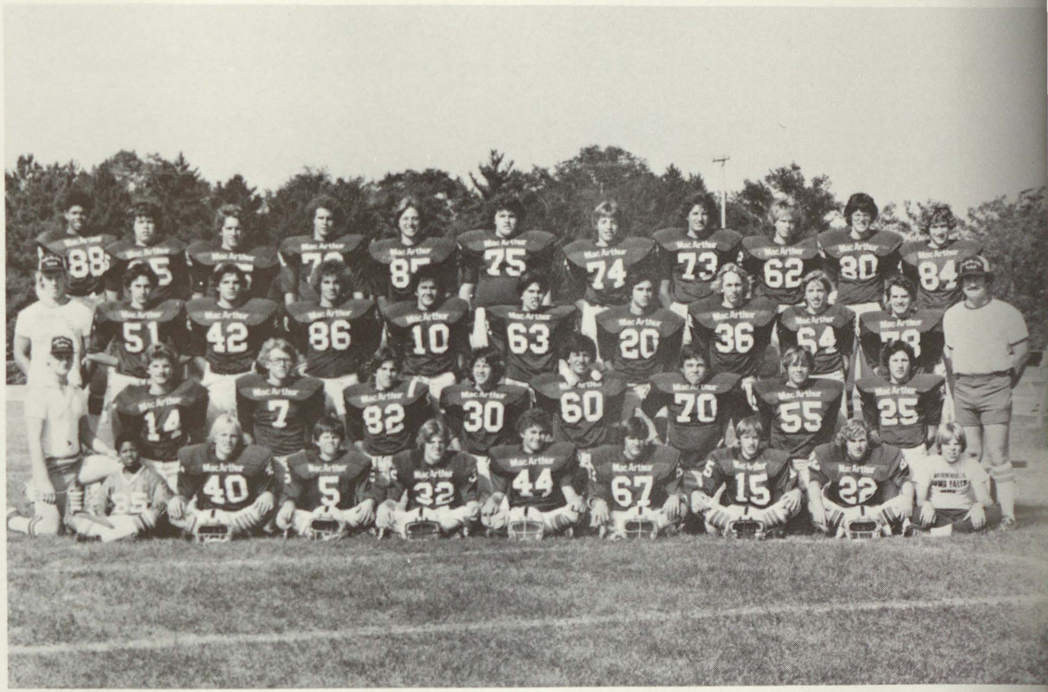
HOLDING ON TO

The JV football team led by coach Dave Coffey, won eight out of nine games capturing the White Pine Championship. They lost only to Eisenhower. Chris Sarmiento received the Coaching Award. He also broke all passing records at the JV level with 1300 yards. Others receiving awards were Mike Fisk, Most Valuable Player; Bob Travis, Most Valuable Back; Rob Fjerstad, Most Valuable Lineman; and Ron Stockel, Most Improved Player. Jim "Tex" Ferritto was named Most Spirited Player.

Coach Bernie Call led the freshmen football team to a 5-3 record. Co-captains were Justin Jamison and Mike Schultz. Butch Call received the Most Valuable Player Award. Others receiving awards are Matt Armstrong, Outstanding Back; Jeff Bakos and Tony Grabowski, Outstanding Linemen.





(clockwise top left) The Freshmen defense holds on to its ground. Mike Fisk looks for somewhere to go. Coach Call and Mr. Gerard watch their team intently. KICKING FULL-TILT

FAST FOOTWORK!!

"Many of the games we lost were really close and we should have won those tie games," said Coach Jim Stone after the season ended with 6 wins, 5 losses and 2 ties.

Most valuable player Mike Brown led the defense. Scott Kinley was the high scorer with 6 goals and 5 assists for 11 points. Andy Leak and Greg Laatch were tied for most improved player.

There were so many students who wanted to join the soccer team and continue their work in the sport that the reserve team was formed. Jim Bilby coached the reserve team to 6 wins, 1 loss and 3 ties.

There are four seniors leaving the team this year. The two co-captains Greg Foltz and Scott Kinley will be leaving along with Dennis Banks and Jeff Dole.

The return of most of the varsity team and the reserve team will hopefully produce a championship team for the 1980 season.

(right) Greg Foltz positions for a goal attempt against Ike. (below) MVP Mike Brown leads the MacArthur defense.

INTERNATIONAL COIN EXCHANGE

KEEPING THE PACE

DEDICATED

The Cross Country team was much improved over last year. They had a 3-2 dual meet record, and placed high as a team in some tough invitationals.

Scott Scribner and Jim Ortega earned honors in invitationals, and were named, along with Steve Rosenbaum, to the All White Pine Team. Tom Richardson was chosen Honorary Captain, and Steve Clark received the Most Improved Runner. Next year's quest for the White Pine Crown should have great success.

History was made at MacArthur with the forming of the first girls' Cross Country team. Their 0-3 record does not reflect the hard work and dedication of the first girls' team.

Julie Kempf, Sophomore, received the "Most Dedicated" award. The experience the girls gained this year should make next year's season an even better one.

PERFECTING
DIFFERENT STROKES

Gary Griffore and Dave Bear were top golfers with the help of Coach Stelter. Gary is a senior at DM. His average for this year was 94.2. Junior Dave Bear was the team's best player for DM with an 81.8 average. With three years of varsity golf behind him he has an 83.8 average. Now he is placed 25th in the all time list of golfers at MacArthur. Dave Bear was awarded the most Valuable player on the team. Dave Boissonneault was the team's most improved player. He made a great impression on the team with an 88.8 average

The 1979 girls' tennis team tied for 1st place in the White Pine Conference. They were 1st in the Flushing Tournament, 2nd in the Mason Tournament, 3rd in the Belding, and 6th in the State.

This was the first year that any of the team members made it to the semi-finals. Sally Schirmer was conference singles champion. Penny Jones and Mary Jo Schaeff took first in doubles. Sally Schirmer and Jill Owens were Most Valuable Players. Most Improved Player was Laura Anderson.

Coach Quinn stated, "We had an outstanding season. I feel the girls did a super job this year."

CONQUERS

COMBINED SKILL

With a 16-5 record, the girls' varsity basketball team brought home the White Pine Conference Title. Lisa Ruffle and Joanne Drennan made the first team of the All-Conference team, while Melanie Jeffords made the second team. Melanie Jeffords also made all-area class A-B first team. Lisa Ruffle was the most valuable player for the season. The varsity team scored 921 points this season.

The captain of the JV tea was Junior Angie Provenzano and the most improved basketball player was Marianne Nielsen, a Sophomore. Freshman Kris Johnson was the most valuable player for the team. The team's record was nine wins and eleven losses.

PULLING AWAY

IN FRONT

The DM girls' swim team had a fantastic 1979-80 season. Under the coaching of John "Muzz" Muslin, the girls went undefeated in dual competion, (13-0). When asked about their chances at state Muzz replied, "I think we have as good a chance as anybody to win." December 1st the Generals did travel to Grand Rapids where they were favored to place high in the state. They came in 4th place.

Captain of the 1979 team was Sue Zeros. The manager was sophomore Debbie Beall. Jody Karnosky and Sue Zeros were named most valuable swimmers, while the most improved swimmers were Bonnie Gleffe and Becca Majoros. The Coaches Award was received by Tammy Dorward. Seniors leaving from the team are Kathy Biron, Carol Brown, Nancy Clark, Nancy Neibling and Annette Reid.

(above) Coach Muslin gives some last minute instructions before the Midland meet. (center) DM swimmers get off the block first. Jody Thick battles her opponent in the 100 yard butterfly. (right) At Eisenhower, officials clock in another DM win.

TEAMWORK

SPIKING THE BALL

Douglas MacArthur girls' volleyball team finished the season with a 13-5 record. Their league record was 5-5. Varsity's player Mary Jo Schaeff was the team's most valuable player. The most improved player was Kathy Haeger. The sportsmanship award went to Pam Carpenter.

The volleyball team was very proud to participate in the White Pine Conference tournaments. White Pine Honorable mentions went to Mary Jo Schaeff and Pam Carpenter. Lisa Ruffle won the honor of being chosen for the White Pine Conference 2nd team. Miss Burnham the varsity coach was very proud of her team this year, "They were great and worked hard for what they achieved."

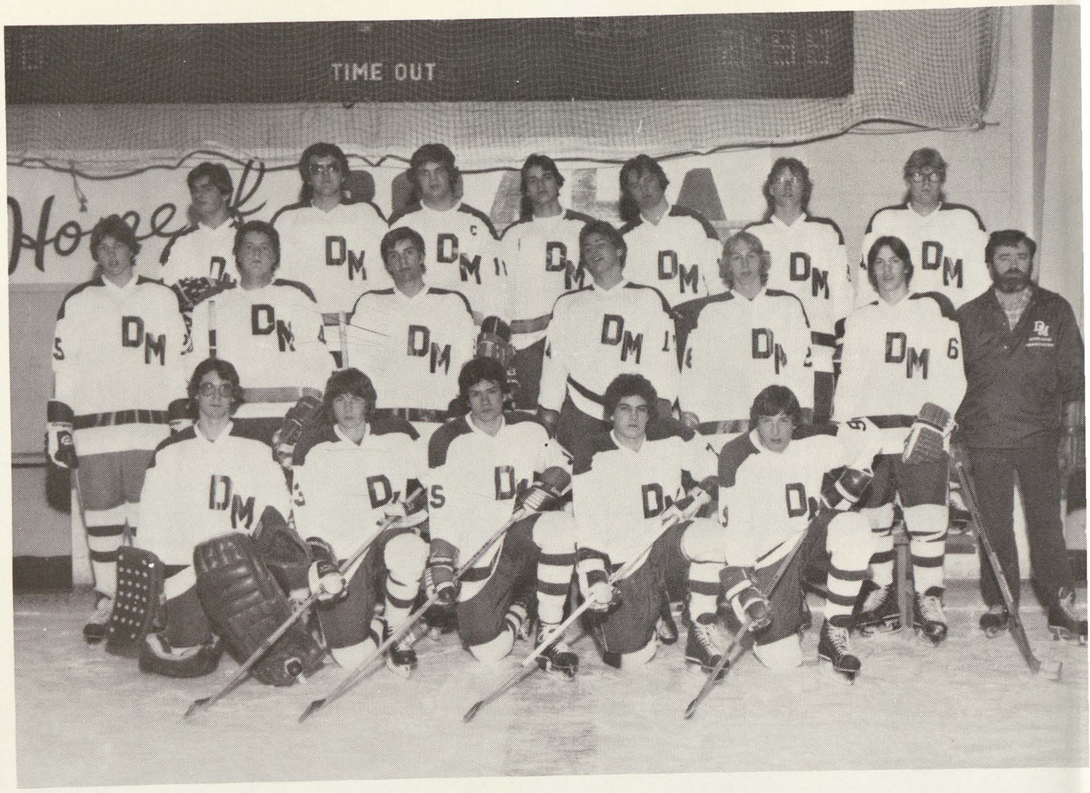
FOR THE GOAL

SKATING ON IN

The DM Hockey team had one of their greatest seasons. "We're an offensive team and when we skate and pass the puck we play well," said General Coach Jim Keenan. Junior Ron Kruske, the DM goalie, had a terrific season. He stopped three All Saints' breakaways in a five minute stretch of the third period in the Region XIV playoffs. Keenan's top line was Steve Sgrazzutti, Chris Sarmiento, and Mike Leibinger. "They're very unselfish and always look for the open man," said Keenan.

The captain, senior Mike "Getch" Gethel, has been playing hockey for six years. This was his third year on the Varsity team. He obviously enjoys playing hockey because practice is at 6:00 AM. He also skates at Hoyt Park almost every day. After graduation Mike plans to try out for the Northern Michigan University hockey team. They have one of the best teams in the nation. When asked to comment on the assistant coach, he replied, "Bill Hameling helps our team a lot. He knows hockey and helps our practices run smoothly."



(above) Front row: Ron Kruske, Steve Winchester, Chris Sarmiento, Tim Getchel, Troy Watkins. Second row: Jim Mussen, Gary Griffore, Andy Zeros, Greg Mussen, Tom Calkins, Rob Frank, Coach Keenan. Third row: Dan Hare, Dave Ohmer, Mike Getchel, Steve Sgrazzutti, Mike Leibinger, Jeff Kessel, Pete King. (right) Jeff Kessel takes a quick break before returning to the ice. CHALLENGING
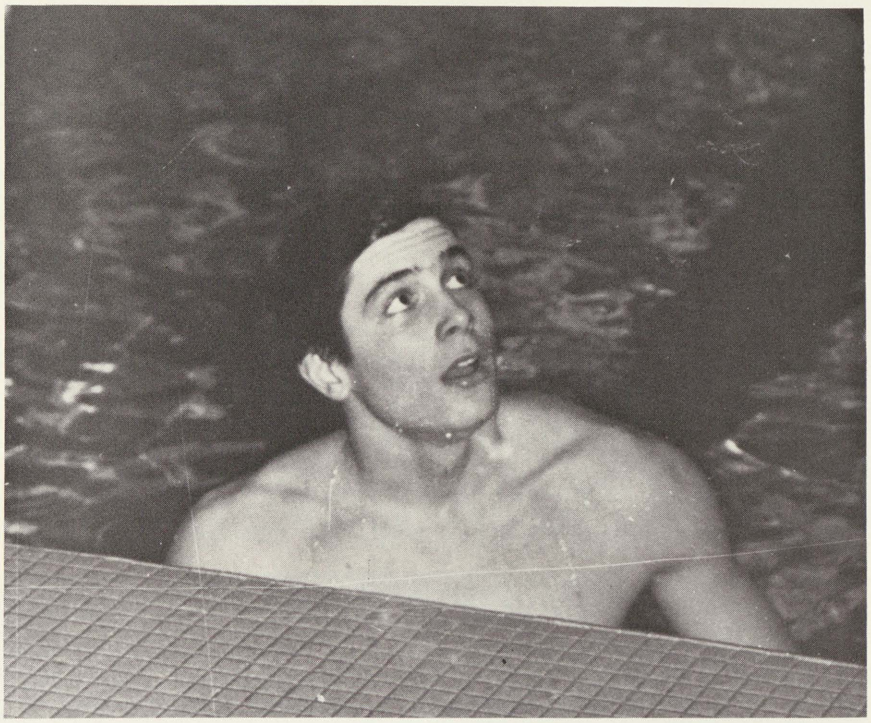
UNIQUE FORMS!

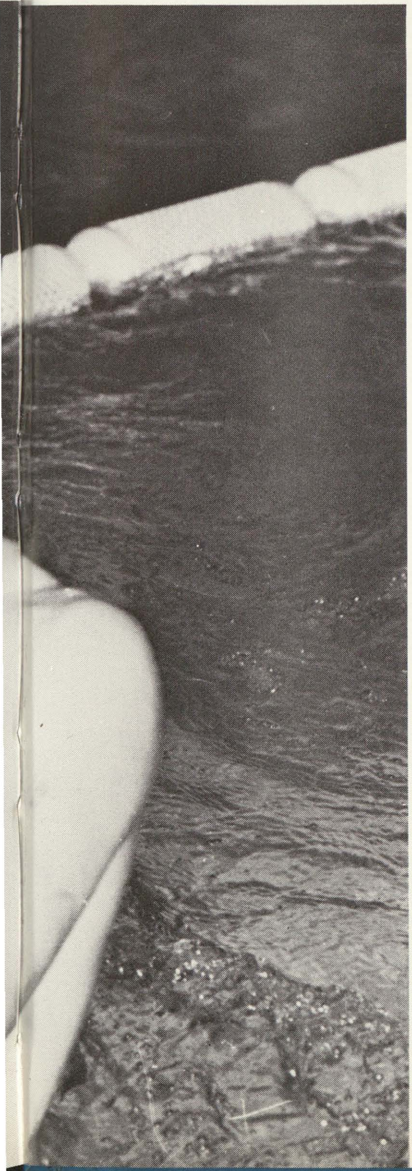


The DMHS Boys' Swim Team finished off their season with ten wins and a fourth place in the Class B State Meet. Various records were set throughout the season by Seniors Curt Crimmins, Bill Hoerner, Dan Flynn, Greg Foltz, and Freshman Trent Stumph.

Four School records were set at the State Meet. Bill Hoerner placed second in the 50 yd. and 100 yd. freestyle, setting two new records. Dan Flynn then posted his best time of the season by setting a new record in the 100 yd. Backstroke and taking a second place. Another school record was set with the efforts of Freshman Trent Stumph in the 400 yd. Freestyle. Curt Crimmins placed fourth in the 100 yd. Backstroke, Greg Foltz took a fourth in the 100 yd. Butterfly, and Dan Flynn took a 6th in the same event.

Dan Flynn received the Most Points award and Mark Frink the Most Improved award. Curt Crimmins received the Walter A. Leesch Award as well as being voted Most Valuable by teammates. The Coaches Award went to Blake Bergeon and the Most Valuable Diver was Steve Clark. The Most Valuable Freshman was Trent Stumph, while the Most Valuable Sophomore went to Carl Crimmins. Blake Bergeon was Most Valuable Junior and Bill Hoerner was Most Valuable Senior.

Under the leadership of Coach Bob Oliver, Asst. Coaches Tim Wilkinson and Patty Murphy, Co-Captains Curt Crimmins and Dan Flynn, and seven managers, the 1979-80 Boys' Swim Team had a super season.



(clockwise) Curt Crimmins anxiously listens for his splits from Coach Bob. Trent Stumph takes a break during a swim meet. Blake Bergeon surfaces to another win.

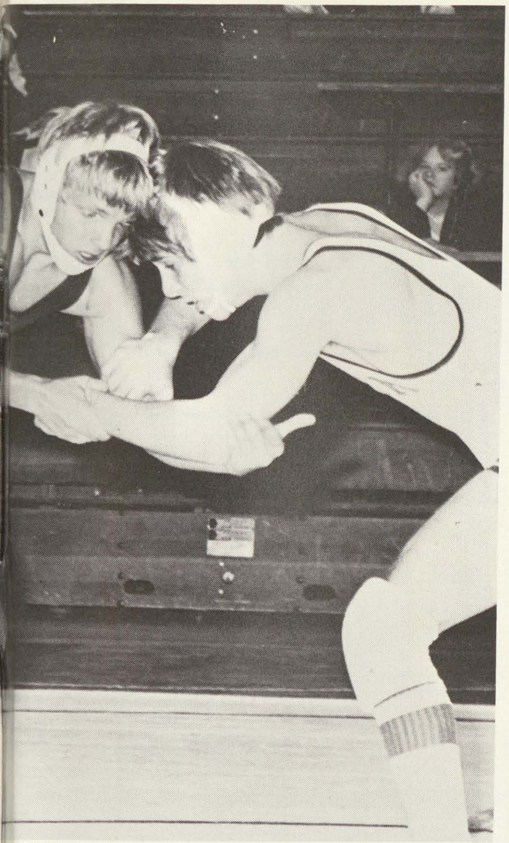
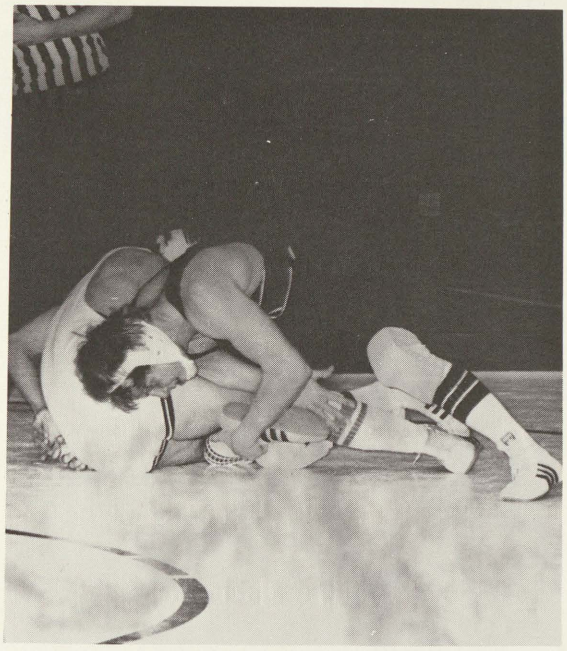
(Below) A cross face technique is used by Vince Earegood to pin his opponent.

WRESTLING

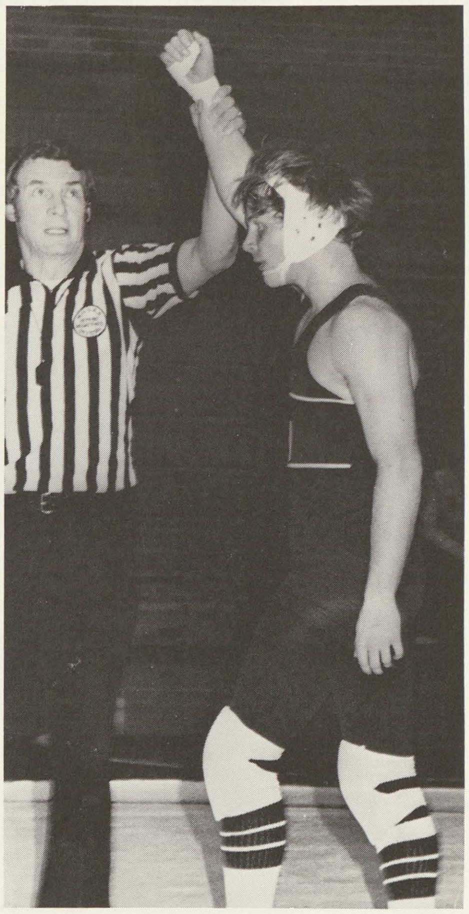
TAKE DOWN

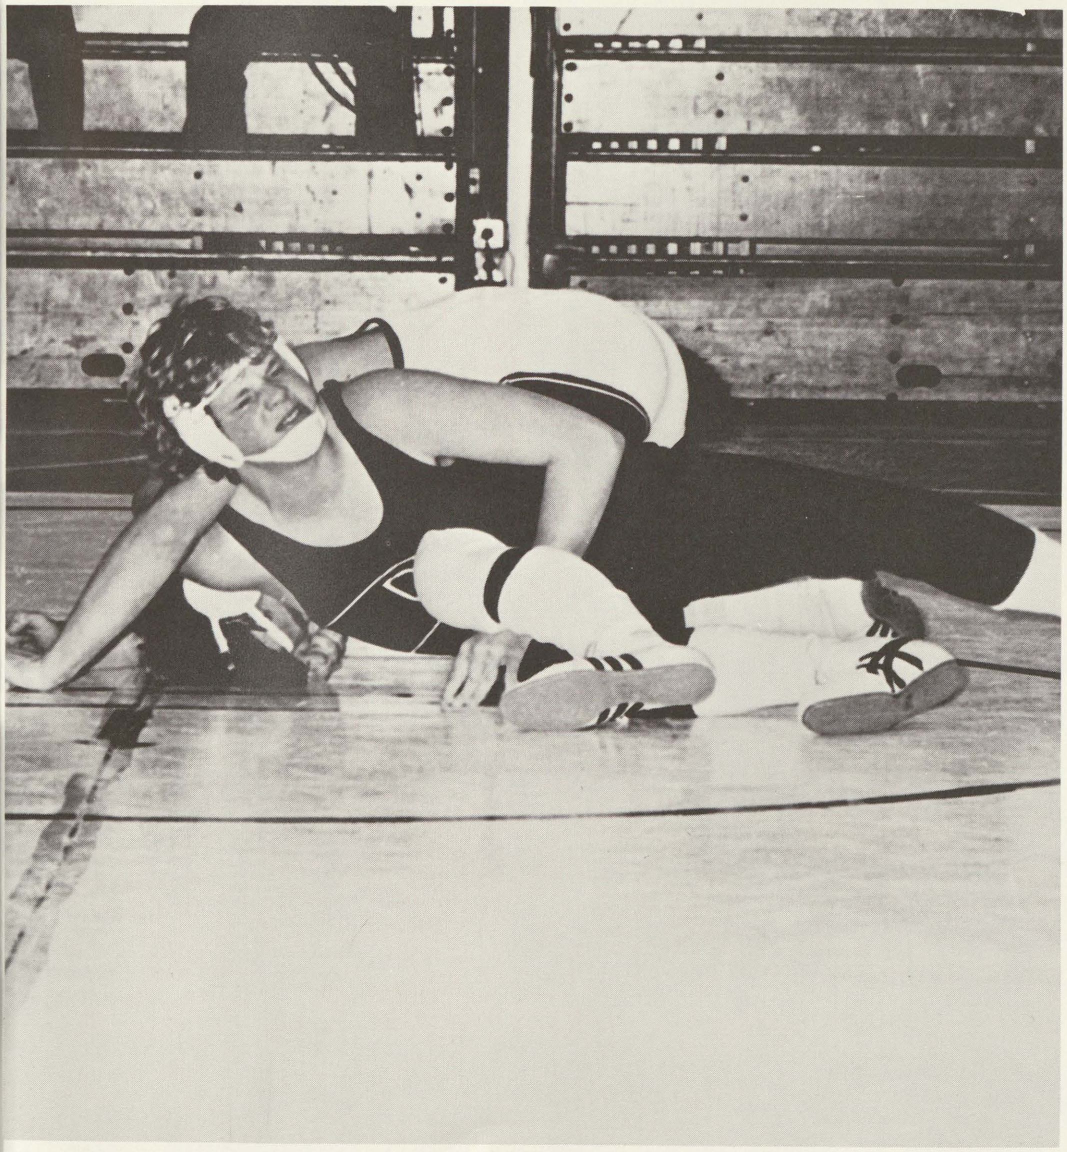




With much determination the wrestlers placed fourth in the White Pine Conference Meet. Perry Compau, a senior, was the captain of the wrestling team and was the most valuable player for this season. The most improved player, also a senior, was Jim Salamon. Kevin Howard and Perry Compau made a good showing at the Regionals.

The coach, Greg Stamm, was new to the players, and was well liked by the team. According to Andy Strautnieks the experience gained this year will help build the wrestling program for the next several years. The record was five wins and eight losses.





(Clockwise) Perry Compau in a defensive move tries to gain control. The referee awards Perry Compau a decision win. Mike Phillips is going for a pin with a cradle ride. Kevin Howard attempts a leg trip to get his man down.

STOPPING THE CHARGE

FULLCOURT PRESS

He suck's

Dick Bomboske commented on the results of the first season as head basketball coach at DM: "We lost many close games, because of tight situations that the players were never in before and many of the guys were inexpereinced." The season ended with 4 wins and 16 losses.

"The coach makes basketball fun and has a lot of good ideas to add to the program," said co-captain Dean Kelley.

The most valuable player was Rich Baskins and co-captain Mitch Loberg was voted most improved player.

There will be 7 players leaving and 7 will be returning for the 80-81 season. The team anticipates a better season with players coming up from the JV ranks.

(clockwise) Colorado bred Dayna Beal approaches the basket. Dave Bear shoots a free throw. Dean Kelley goes for a pass against Hemlock. Coach Bomboske plans strategy on prep hour at IKE.

Becker, K. Detloff, B. Simms.

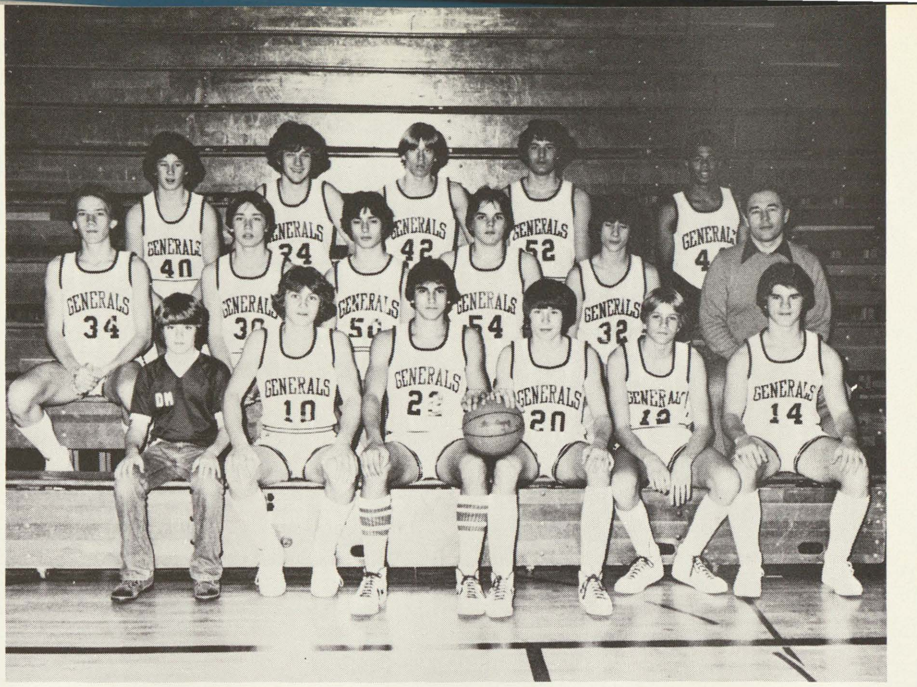
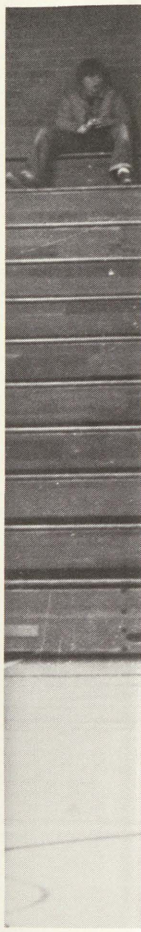
CAGERS FIGHT

Co-captains Mike Fisk and Mark Andreotti led the JV basketball team, coached by Bernie Call, to a 7-13 season, which was an improvement over last years record of 6-13. They started the season off with a 61-58 win over Mt. Pleasant. They closed with a 57-49 win over Chesaning. The most improved player was Brian Rozyla.

The freshman "A" team, coached by Jim Wickham, had a good record of 17-3.

The "Bers", led by coach Bob Siminowski, had a winning record of 12-8.





Front row: Manager Andreotti, J. DeGrace, A. Duquette, T. Hammis, D. Boswell, and Co-Captain M. Fisk. Second row: B. Rozyla, J. Ball, V. Earegood, T. Wenzel, M. Wolfgram, Coach Call. Third row: M. Dean, M. Andreotti, R. Rokita, B. Greenwald, and R. McKandes. (right) Mike Wolfgram and other DM players ready themselves for the rebound. DASH . SPRINT . HURDLE . . .

TO THE FINISH LINE

The Douglas MacArthur Girls Track team of 1979-80 had an undefeated season. The girls all worked very hard every day to reach the goals they set. Many school records were broken and many victories won. They were runner-up at the Ferris Invitational, 4th at the Clio Invitational and 5th at C.M.U. Relays. The team was champs at the Oscoda relays, regionals and the Conference Meets. At the State Meet Lynn Figg placed 3rd in the shot put with the distance of 38 ft. 4½ inches. The 440 Relay placed 2nd with members Tammy King, Ann Koepke, Joyce Parker, and Sandy Gonzales. They had a time of 49.4, the fastest ever run in this area. Both the Conference and State Meets were measured by meters instead of yards. The Managers of the team were Tracy Milionis and Carla Greketis, and the devoted coaches were Bernard and Joyce Call.

TRACK & FIELD

ACCELERATION!!

The DM track team had an outstanding season, finishing with a 5-1 dual meet record. Two new school records were set: Ron Gonzales ran the 100 yard dash in 10.01, and John Cowell jumped to a record 6′ 7″ height. A new track record was also set by Ron Gonzales as he tied the 100 yard dash record of 10.2.

The Most Improved award was given to John Cowell. Most Valuable award was presented to Ron Gonzales. Also, Brian Weiss received the Honorary Captain award.

Coach McAuley commented: "We're pleased with the performance the kids gave this season. There was a better balance in track and field. Placing second in the Conference and first in "The Oscoda Invitational were high points of the season."

(below) Front row: D. Erwin, B. Feldon, S. Rosenbaum, M. Robinson, G. Boschma, L. Riffel, A. Loberg. Second row: M. Brown, R. Kennedy, J. Jamison, J. Massey, B. Hawke, R. Gonzales, D. Nelson, L. MAC ARTHUR GENERALS

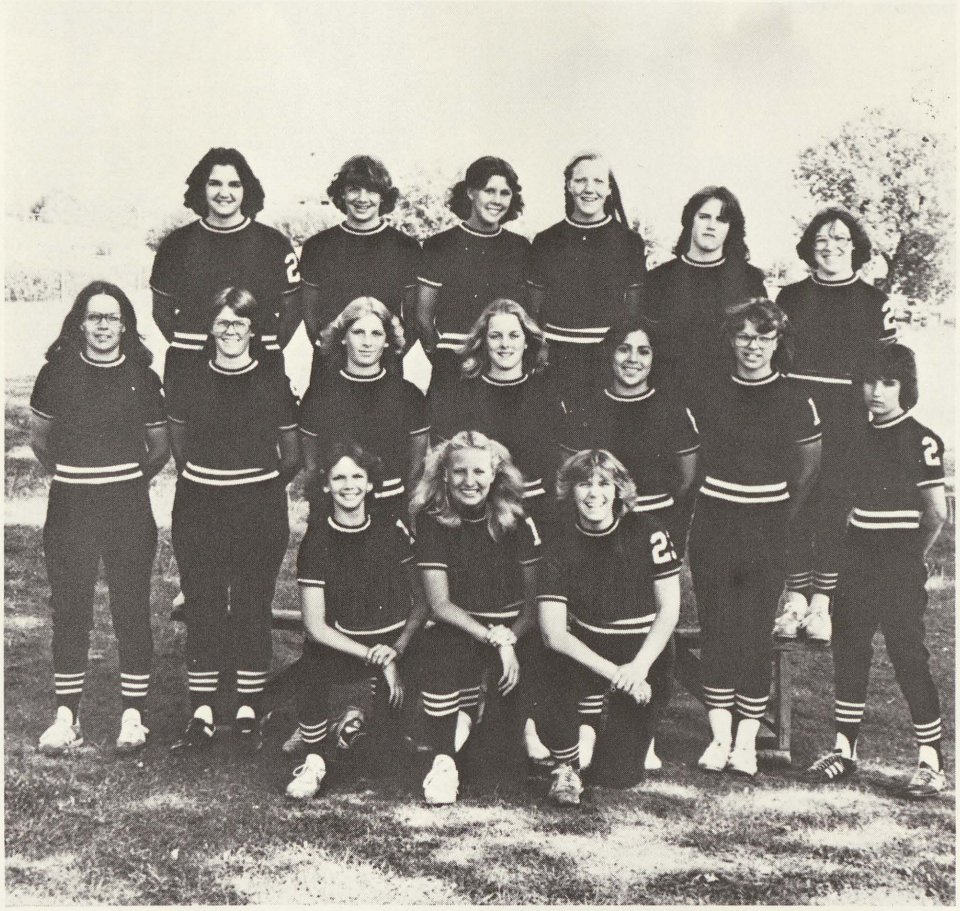
FAST PLAY

BATTING POWER



The Varsity girls softball won more than half of the White Pine Conference games that they played. Of the total games played they had an 11-4 winning record.

An award was given to Liz Alfano for most valuable player. Most improved was Kathy Haeger and most spirited award was given to Jill Swaffield.

Awards for the White Pine conference were as follows: First Team was Liz Alfano and Pam Carpenter. Second Team was Diane Lobsiger, Ellen Wainwright and Lisa Ruffle. Honorable mentions were given to Cindy Devers and Ann Schwartz.

The Varsity girls defeated two teams, Bridgeport and Eisenhower, at the district meets, which qualifies them for regionals. They won their first regional game and as of this writing they were to play at least one more regional game. The winners of this game will go to state.

This is the farthest the girls softball has gone since 1970.

Coach Skulley was happy with the improvement and success of the team. Since only three of the senior girls are leaving the team should have an excellent season in 1981.

The JV girls had an overall win-loss record of 2-11.

(above) JV girls softball: Front row: Kelley Wright, Dee Mahar, Stephanie Ball. Second row: Coach Burnham Becky Dewald, Debbie Hausler, Jill Gnatowski, Adelaide Enriguez, Marianne Nielson, Michelle Urbytes. Third row: Angie Provenzano, Kris Johnson, Amy Arden, Linda Johnson, Jenny Scoggin, Cindi Spahr. (below) The Varsity girls softball team rests between innings.

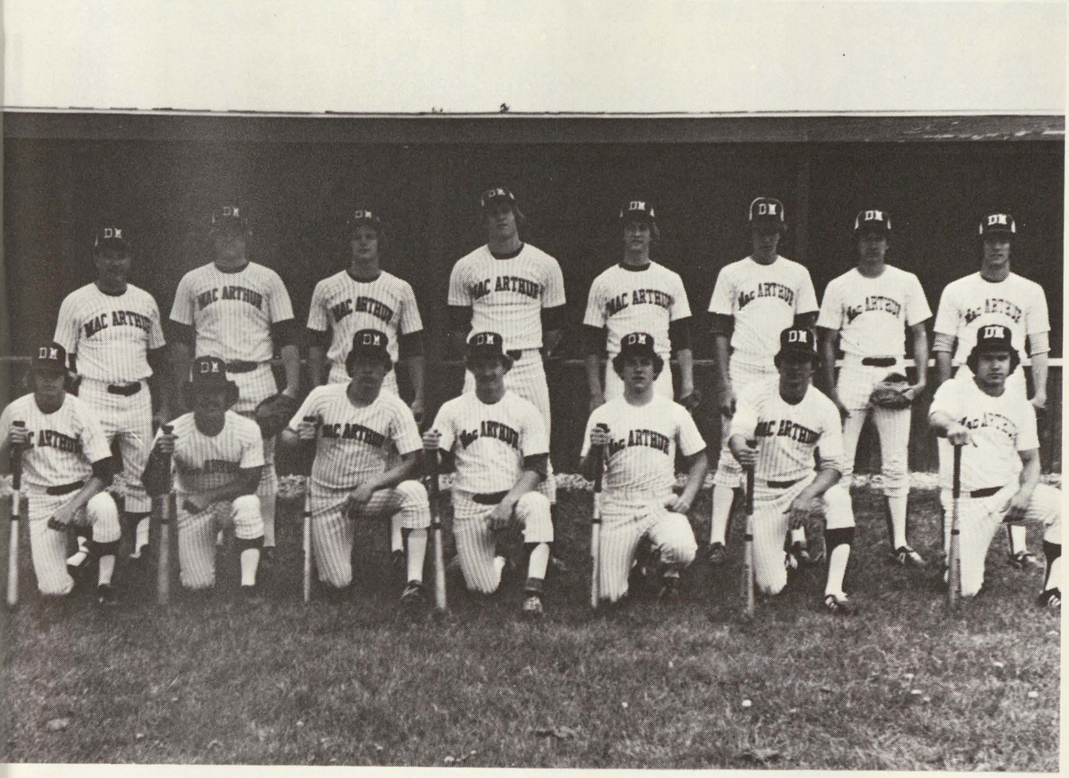
INTENSE PITCHING

WINNING SEASON



The Varsity baseball team started out slowly but improved as the season continued. The rain hampered the team who were ready to play but couldn't because of cancelled games. The team ended the season with a 16-12 record.

The most valuable player was Sophomore Mike Leibinger. The most Improved player was Jeff Digenova. The Offensive Award went to Joe Nickel, and the Defensive Award went to Kevin Murphy.

The bulk of the team will be back and with the JV members moving up the team is hoping for an even better season.

Seniors graduating from the team are: Rich Baskins, Jeff Digenova, Scott Kaligian, Dean Kelly, Dan McConnell, and Kevin Murphy.

ON THE FIELD

INTENSE INNINGS

The J.V. Baseball team had another outstanding year. Under the coaching of Coach Coffey they earned a record of 18-4. At the banquet the following awards were given: Most Valuable Player, John Newcomb; Most Valuable Offensive Player, Tracy Young; Most Valuable Defensive Player, Dave Povich; Most Improved Player, Bob Ruppel; and Most Spirited Player, Dan Engelke. When asked about their season Coach Coffey replied, "We started shaky and finished strong."

Under the coaching of Al Brandi the mighty freshmen Generals compiled a 5-8-1 record. Quickness and agility helped this team beat such opponents as Bridgeport, John Glenn, and Eisenhower. Top players included Tom Stroebel, Brad Hobbs, and Matt Armstrong.

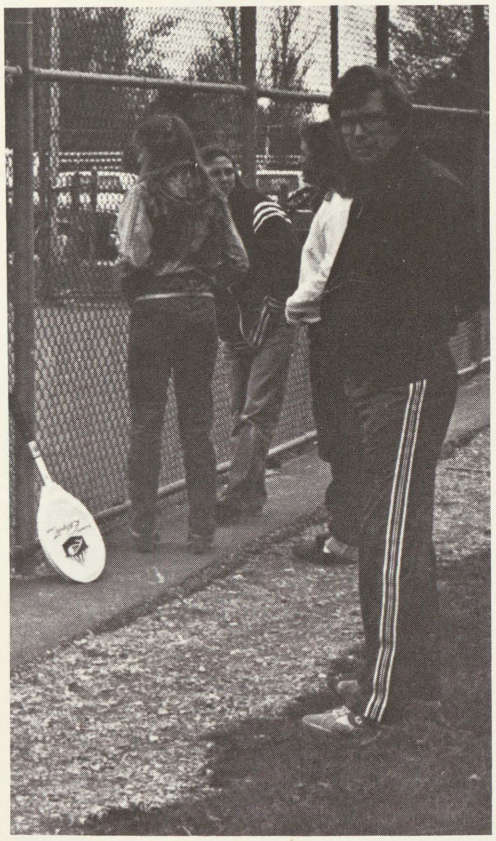
ENERGY & CONCENTRATION

DM NETTERS



Under the leadership of Coach Bob Quinn the 1980 Varsity boys' tennis team had an excellent season and remained the White Pine Champions for the thirteenth year in a row. The Generals took a first in the Regionals and went on to the State meet where they placed fourth.

Top Singles players were Bill Lamb, Mike Jones, Bill Schirmer, and Brad Hammerschmidt. The number one Doubles team consisted of Greg Foltz and Rick Symons for the second straight year. The most valuable players award went to Bill Lamb. For the first year in MacArthur history an All Star team award was presented. The award is based on the ranking of the number of wins, the percent of wins, and MVP points. One of the receivers of this award was Bill Lamb, a member of the 1980 team.

The 1980 JV boys' team finished off their season with a 7-4 record under the leadership of Coach Jeff Seeley. The number one singles position on the JV team was played by Bill Wolf.

MORE EVERYDAY

SAGINAW EXPANDS

MEIJER
thrifty acres

Many new changes have occurred during the 1980 year. New stores like Meijer Thrifty Acres, new health spas including Elaine Powers and Body Tan have been built along Bay Road.

The increase in variety of restaurants have grown. From fast food restaurants like Burger Chef and Arby's to the elegant dining at the Beginning's.

Ottawa Middle School has been changed to the new School Administration Building. The old administration building is going to be sold.

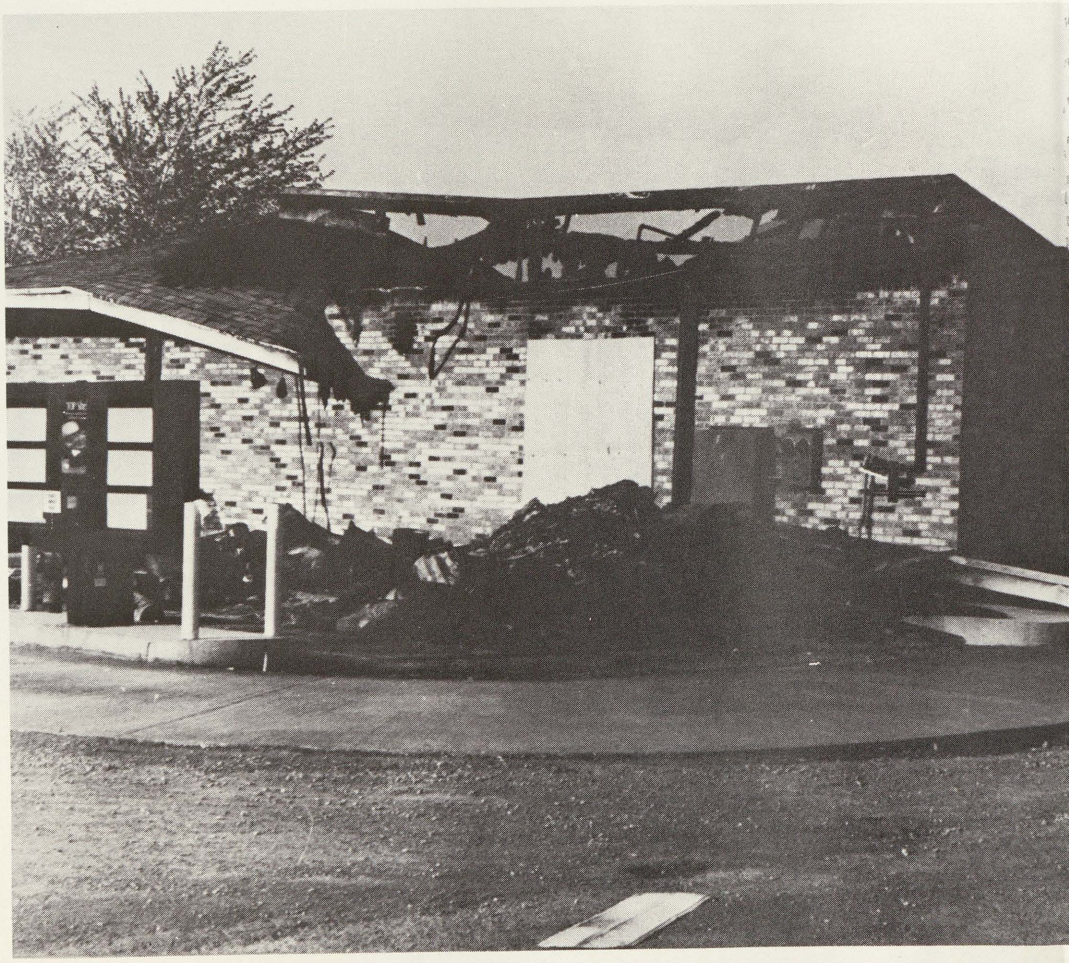
The State Street Bridge was finally completed. It has larger lanes and a left turn lane. The completion of the bridge will make traveling on State Street easier.

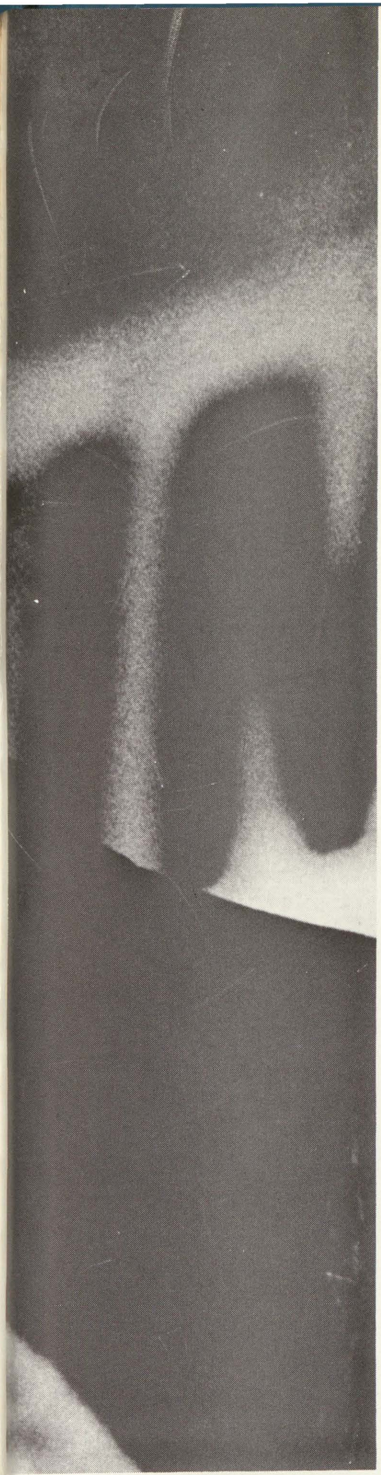
The prices of everything including gas has skyrocketed. The price of gas is now up to $1.32 per gallon, with no ceiling in sight.

UNITED STATES POST OFFICE
SAGINAW TOWNSHIP BRANCH
SAGINAW, MI 48603

(clockwise) Meijer Thrifty Acres opened two new stores in the Saginaw area. One is located on the prosperous Gratiot Road and the other on Tittabawassee Road. The construction business is going through major turmoil this year. High interest rates of up to 17% cut into the housing market. By June rates were decreasing. The new Saginaw Township Post Office has opened a branch on Weineke Road. It moved from the Town and Campus Plaza on Bay Road.

(Clockwise) One of the latest fads of the people this year is rollerskating, and Saginaw is included. Rollerskating at the new roller rink "Fashion Square Skating" brings excitement to young and old. Not only is skating fun but a new fad roller-dancing is a big hit. The new restaurant Burger Chef opened on the prosperous Bay Road with a big success. After only being open a week a fire engulfed the building destroying most of it. The restaurant had a salad bar and a drive thru. They are rebuilding the restaurant to hopefully reopen by the fall of 1980. The Radisson Hotel is a new addition to downtown Saginaw. They plan to open early in the summer of 1980. It marks the growth of downtown Saginaw as well as the Bay Road area.





AFFECTING ALL

WORLD EVENTS

With the start of a new decade came world controversy and dilemma.

All the world was concerned about the 50 U.S. hostages held in Iran. A failed rescue attempt left 8 U.S. servicemen dead.

Russia invaded Afghanistan which led the United States to boycott the 1980 Summer Olympics in Moscow.

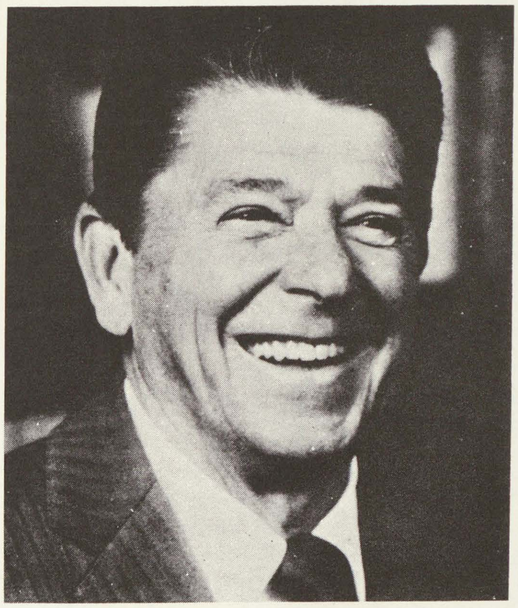
It was a strong year for politics with the 1980 Presidential primaries. Carter, Kennedy, Reagan, Anderson, Bush and all the other candidates ran hard in every state.

The economy went downhill. Inflation rates rose to a new high, 18% to 20%. Gold prices fluctuated and interest rates increased.

The 1980 Winter Olympics were held in Lake Placid, New York. The U.S. hockey team surprised everyone by beating tough European foes to win the gold medal. U.S. skater Eric Heiden swept all speed skating events to win 5 gold medals. He was the first man in Winter Olympic history to do this.

Pope John Paul visited the United States and Ireland in a 13 day tour which included among others Chicago, Washington D.C., and Boston.

Every 10 years the population of the U.S. is counted in April through the U.S. Census Bureau. Questions are asked ranging from the personal to the financial.



President Carter faced his most difficult year in office. Reagan and Kennedy were Presidential contenders. The Ayatollah shocked the world with his bizarre control of Iran and world events. Beth Wright, a 1978 graduate of DM, was named Miss Michigan and traveled to Atlantic city to compete in the Miss America Pageant.

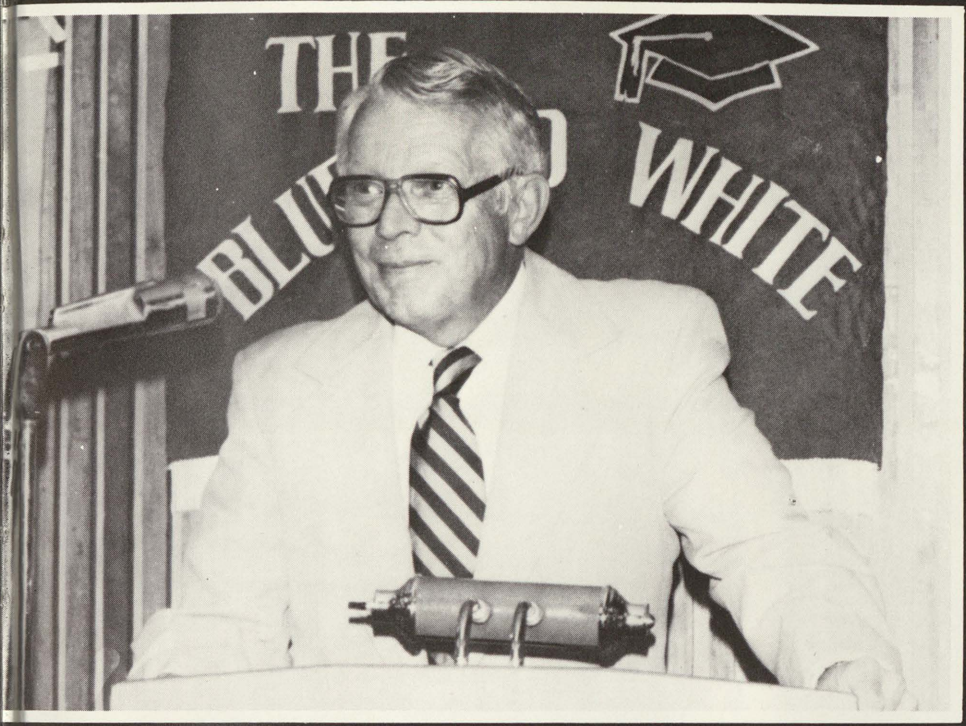
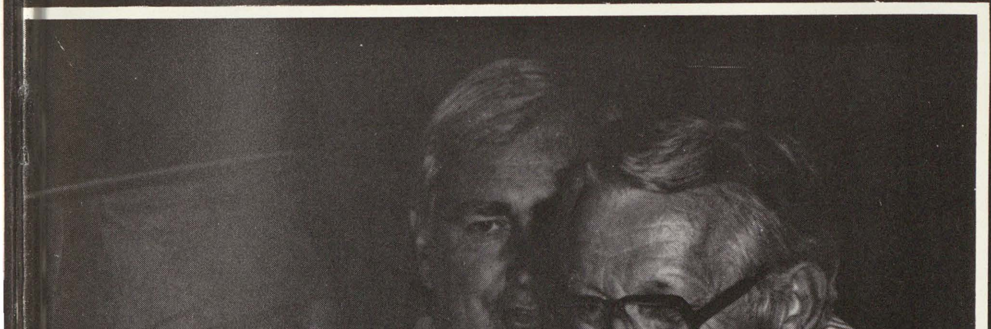
MR. HUYGHE RETIRES

ADMINISTRATIVE SPIRIT





Watching the students grow academically and socially is what Mr. Huyghe has enjoyed most about MacArthur. His pride in the academic programs at MacArthur is reflected in his support of curriculum and award ceremonies that recognize talent and achievements.

(above)Mr. Huyghe presents the Principal's award at the Senior Honor Banquet. (center) Mr. and Mrs. Huyghe enjoy their last dance at MacArthur's prom. (below) Sheri Pastirzyk accepts the first Oscar B. Huyghe Athletic Association Scholarship.
(A) Mrs. Heasty prepares schedules for the computer. (B) Mr. Stahl checks senior preparations for graduation. (C) Honor Banquet awards are organized for distribution to recipients by Mr. Strautnieks. (D) Mrs. Thomas checks on the pep club account, one of her many duties as secretary in the center office. (E) Helping to keep student records updated is Mrs. Carter in the counseling office. (F) Mrs. Smith is the attendance secretary for West Hall. (Not shown is Mrs. Schnieder, Electives Attendance secretary.)

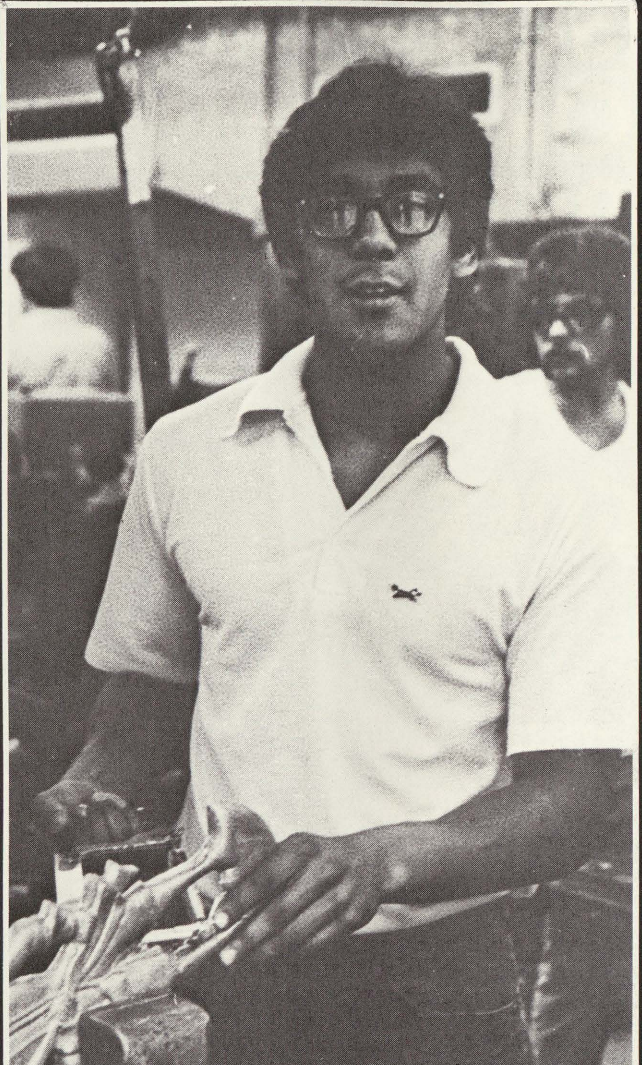
WHAT DOES IT TAKE ?

PLANNING



Planning for the future is a part of life at Douglas MacArthur. Various classes are offered such as Electronics and Home Ec. which help prepare students for future job skills. Once the experience of high school is past students have the chance to apply. For some students future plans consist of college or work. For others it's taking time to be sure of the important decisions they will have to make. The opportunities to learn exist. It is the time for deciding and preparing.

WHAT DOES IT TAKE ?
